BCC: **Ch Villassa Cherry Ripple**
RBCC: **Ch Blakens Sugar Candy Kisses**
BP: **Watercroft In A Pickle**

I enjoyed judging this quality entry once I got started, though it seemed to be a very long anxious morning waiting to have the ring! I was delighted with the majority of the Norfolks, especially my lovely winners. There was only one truly incorrect bite but I did find some of the youngsters had somewhat tight bites with the top incisors barely over the lower ones, I just hope that these all go the right way in the end. There were a few with a missing incisor but as long as the teeth were in line I didn't penalise. Both challenge line ups were a pleasure to see, happy typical sound moving Norfolks with good depth of quality to choose from. Thank you for allowing me to judge your dogs.

VD (9-2) what an amazing class I couldn't believe it when told I had 9 VD's entered!

1 Mitchell's **Ch Roxway Direct Line**, 7yrs old, easy winner outshone the rest but then he was the youngest & is only just eligible! Ideal size (probably of all the class winners actually). Extremely pleased to have him there to go over again since I last did a few years ago, he appealed to me. Very good breed type, in excellent neatly presented short harsh jacket. Short back, firm cobby body, very good hindquarters, ok in front, true & even movement but not quite the stride of the top winners. Nice head, sharp eyed expression. Very worthy champion; 2 Mark's **Int/NL/Lux/Bel/Ger Ch Marks Theodor**, 8½yrs, I chose him as the next best in type, being short, cobby & correct size. Many of the others tended to be bit bigger & rangier. Lovely head of good shape & proportions, good bone & front construction but not quite so strong in the rear. Very attractive overall & a good pattern to follow. Excellent showman, well handled & presented; 3 Howard's **Hatchwoods Flash Gordon**, 10yrs, size larger & lacking top coat but extremely soundly constructed & moves well – better than the others. Typical head & expression, broad skull, good stop, strong muzzle; firm bone, straight front, strides out well, driving from well-shaped hindquarters. Bit longer cast but good length deep ribcage & level

topline; well covered body but not overweight despite being neutered; R Rusby's **Harrys A Hero**; VHC Lloyd's **Orison Bootlace**.

SPD (4-2) splitting hairs to divide this very similar quality pair, both about 12 months old.

1 Gee's **Watercroft In A Pickle**, appealed to me even more than I realised until the challenge when gave RCC! Excellent breed type, stylish happy showman. Head very good & mature for age, correct shaped skull, deep stop, good muzzle, nice small dark eyed expression. Good straight front, shoulders bit more layback than 2nd. Good well ribbed body, level topline, strong hindquarters of correct construction; moved very well striding out in front with free tracking rear propulsion. **BP** (Crufts age!), **RCC**; 2 Atkinson's **Blakens Sugar Candy Dips**, equally good youngster with excellent head & super expression, lovely broad slightly curved skull & strong muzzle of medium length in proportion to skull (perhaps better than 1st). Good bone, straight front, shoulder ok (1st a little better); very short back, moved with drive from strong well angulated hind legs. Decision could have been either way but 1st looked better balanced today.

SJD (2) very close decision between 2 handsome youngsters;

1 Gee's **Watercroft Diamond Dealer**, lovely head & expression, good proportions & strong jaw. Good coat, very smart; nice overall outline, correct length neck & shoulder layback, straight well boned front legs, short back & strong hindquarters, well-turned stifles & low set hocks, moved very fluently. Spot on coat condition just won him the class but hard decision as both lovely dogs; 2 Phillips, Gullick & Tate's **Jaeva Cufflink**, soundly made, very typical shape, good strong head, broad skull, good stop, firm muzzle, expressive dark eyes. Short backed well ribbed cobby body, not quite so good in shoulders but excellent hindquarters moving with great drive. Good bone & substance, maturing well. His good textured coat is just starting to go & I slightly

preferred head length proportions of 1st.

PGD (5-3) 1 Thompson-Morgan's **Belleville Roll Call**, better type of head & expression having shorter muzzle of correct length proportion to skull which is maturing in width, correct darker eye. Presented well in excellent coat. Short back, cobby with good length ribs; well constructed hindquarters giving good drive behind though not as collected in front, even though has good neck & well laid back shoulders. Not ready yet & appears a bit high on leg at present, but I liked him a lot; 2 Sant's **Nordalset Look To The Future**, nice quality dog, more mature but less balanced on the move. Strong head, broad skull but bit longer in muzzle & would prefer darker eyes. Good bone, front ok, short back deep ribs, well angulated hind legs but hocks could be lower set to give more even stride.

LD (9-1) Good class of different types, first 2 very close;

1 Phillips' **Blakens The Kandy Man Kan**, lovely dog extremely close for RCC, but the youngster's charm won the day! Super head qualities clinched 1st place, most appealing expression, broad strong skull & firm muzzle. Correct length neck, well laid back shoulders, straight well boned front legs; short back, level topline, well ribbed cobby body, typical outline moving smoothly with reach & drive. Excellent hindquarters & coat, super quality dog of equal merit to CC winner, & final decisions really splitting hairs! 2 Jenkins' **Kinsridge Quids In**, another one of cc quality, just slightly preferred the head of 1st, but is typical with good eyes. Very short backed cobby body, deep ribs, level topline, very well angulated strong hindquarters & low set hocks giving good drive. Well boned front legs but would prefer a little more neck & layback of shoulders. Stylish showman in tip top coat & condition; 3 Ackling's **Ruby Rueben**, very similar quality to above but a little less bone. Super head & expression, broad enough skull, good stop & muzzle, small dark correctly shaped eyes, typical expression. Short backed well ribbed body, excellent hindquarters with good drive. Front construction ok & moves out well. Rather a pretty boy!; R Darnell's **Jacquidon Tough As A Nut**; VHC Spoettl's **Goggolori El Trasgo**.

OD (7-1) Lovely class, first 3 very close, correct size & showing well;

1 Thompson-Morgan's **Belleville Seduction**, loved this dog as soon as he went around the ring;

examined as well as he promised & realized I'd found a star that would be hard to beat! Handsome, cobby b/t; excellent head & dark eyed expression, broad skull, good stop, strong muzzle of good proportions. Well-constructed fore & aft angulation, good bone, firm straight front legs, strode out well & good rear drive. Short back, deep long ribs, typical outline, most attractive picture. **CC, BOB** & very pleased he made shortlist in group; he reminds me very much of my BOB last time I judged, Ch B Black Lace & found out he's his grandfather! 2 Newton's **Strathinver Smart Enough**, very sound true mover, as good as above & better than the rest. He didn't immediately impress but performed well & hands on revealed a very typical dog of correct construction. Correct head of good proportions & strength, typical expression, nice dark eyes of correct shape. Good neck, shoulders & straight front legs with enough bone; excellent well angulated hindquarters giving good drive from low set hocks. Mature well ribbed body, level topline but not quite as compact or the finish of 1st. Lovely dog & considered him highly for reserve ticket, won by his son! 3 Jenkins' **Kinsridge Cash Back**, very nice type, short compact dog, very good true tracking movement which won his place over the rest, completing a great trio. Typical correctly shaped head of good strength but his eyes & expression didn't appeal as much. Strong bone, straight front, but shoulders not quite as good as above pair, short backed well ribbed cobby body; excellent well angulated hindquarters, low hocks; beautifully presented in good coat; R Phillips' **Ch Blakens Xpress Yourself**; VHC Smith's **Javidel May Just Have Too**.

GCD (1-1)

VB (5) very happy showgirls of differing sizes;

1 Atkinson's **Ch Hobsons Choice at Moortop**, 10½. Easy winner & delighted to judge her. Super quality, still a champion through & through (despite some veterinary extracted teeth!). Very soundly constructed all through; excellent front, neck & shoulders; firm bone. Very typical head of correct shape & alert expression. Short level back; deep long ribcage; very well angulated & muscled hindquarters; balanced steady mover with plenty of reach & drive & true tracking. Looked good in the line up, so full of true breed type & character & good coat texture; 2 Smallridge & Brazier's **Ire Ch Cracknor Cutting Edge**, 7½. Very

appealing & lovely correct shaped head & super expression – so typical & alert, dark eyes. Excellent bone & substance, deep long ribs & cobby body, short enough in back. Not quite as good in front as 1st but still covered the ground well & excellent hindquarters with good propulsion. Very good overall breed type, but coat not quite as good today. Very happy quality showgirl who would make her breeder proud; 3 Ruffles' **Ruffnor Secret Wish**, 8¾. Very very appealing though different narrower type. Sweet head, strong muzzle & typical expression, lovely small dark eyes. Nice straight front, shoulders not quite so good & bit fine boned. Quite short back & good body; well bent stifles but hocks a little high; moves straight & true but not as much reach & drive as above. Full of charm & showed steadily; R Dorkins' **Nanfan Chick Pea**; VHC Hess & Higgins' **Kapitada Fireopal at Umbrage**.

SPB (4) nice class of quality;

1 Stevenson's **Brickin Surprise Surprise**, I loved this exuberant young lady, full of charm & promise at 11mths. Excellent head, well developed for age with strength in skull & muzzle & good stop; small, very dark eyes, cheeky expression! Soundly constructed front & rear with correct angles throughout. Nice straight well boned front legs, moved soundly & freely with good reach & drive though a bit too lively to trot to start with, ok when changed sides! Good textured thick coat. Very pleasingly balanced, of excellent type & size; 2 Thompson-Morgan's **Belleville Call Of The Wild**, very pretty girl with smaller head but has correct proportions & nice small dark eyes with typical expression. Good bone & lovely straight front & ok in shoulders. Short back, long ribcage, strong hind leg angulation & low set hocks, moved extremely well free flowing & true front & rear, with good reach & drive, Just not quite as confident & more immature than 1st. Delightful & very promising; 3 Phillips, Gullick & Tate's **Jaeva Play The Ace**, eye-catching though somewhat different in type as appears a little higher on the legs as body immature in depth at present. Sound well boned construction, moving very freely & confidently, if a bit high stepping at times. Beautiful head, broad enough in skull of correct shape & proportions to firm muzzle & deep stop. Very attractive alert expression from small dark eyes. Straight front though just not quite as good in shoulder as above 2, but extremely good hindquarter construction & low driving hocks. Short level back, with good length ribcage; perfect coat texture & presentation. I see her dam is one I liked

as a youngster & indeed she reminds me very much of her; R Hurrion's **Villassa Star Turn**.

SJB (5-1) three very similar promising youngsters, the 4th more old fashioned "working" type of looks; 1 Gee's **Watercroft Hot Diamonds**, lovely balanced quality bitch, with beautiful head & expression, small dark eyes. Neck of correct length, shoulders nicely laid back flowing into level topline & short back. Deep long ribcage; firm bone; strong hindquarters of good shape with low set hocks & good drive. Moved extremely well front & rear, viewed from all angles. Good coat texture in excellent condition, won the class on style & overall good make & shape; 2 Jenkins' **Strathinver Roses Are Red at Kinsridge**, very similar but a bit finer & smaller head which is of correct shape & proportions; small dark eyed bright expression. Good construction with particularly well made hindquarters; moving with drive. Short back & good length ribcage. Very appealing overall, with extremely good coat & presentation; 3 Stevenson's **Brickin Wild Ivy**, super bitch who didn't settle as the noise disturbed her & made her a bit flighty. Lovely typical strong head & delightful expression; good neck & shoulders, straight well boned front legs; cobby body with short back; strong well-muscled & angulated hindquarters which looked good in profile moving with drive but erratic up & down as bothered. Hope she can show her true colours in different setting; R Davies' **Perrisblu Playtime**.

PGB (12-2) big class of mixed qualities, quite hard to judge;

1 Hurrion's **Villassa All My Heart**, easy winner, very glad to find her! Most attractive, sound moving & typical; lovely head of good strength & proportions & typical expression. Correct length neck & shoulder placement, ok in front & bone. Excellent coat quality & presentation; short back, deep body, would prefer bit longer ribcage; excellent hindquarters well angled & muscled stifles, low set hocks propel her smoothly with good drive. Looked fantastic here but sadly in the challenge with different handler was not quite so animated & eye catching; 2 Bettsworth's **Kapitada Whoops A Daisy**, appealed for type & head, very nice quality throughout. Attractive expression, correctly shaped head & eyes, short backed cobby body, good bone. Shoulders a little steep, but straight forelegs; good hindquarters. Moved confidently & steadily but less drive & not as free striding as above. Coat texture

& presentation very good. Smart little showgirl; 3 Macartney's **Nordalset Little Bit Of Sun**, loved this appealing b/t just not quite as balanced or collected in movement as 2 above. Full of quality & type, lovely head & bright eyed expression. Excellent bone & substance, ok in front though moved a little wide (appearance could be helped with bit less hair on sides of elbows); very well constructed rear & has good drive. Very promising & lots of charm; R Atkinson's **Moortop Again No Choice**; VHC Smith's **Shanandi I Should Be So Lucky** TAF.

LB (9-2) difficult class to sort out – type, size, movement & presentation very variable!;

1 Smith's **Javidel Definitely Maybe**, b/t easy winner in the end, being the soundest, best balanced & smartest showgirl of the lot. Bit finer & leggier than I would prefer but her many attributes swayed my decision. Good shape though smallish head, correct proportions width & length of skull & muzzle in keeping with her body. Small dark eyes; sweet typical expression. Good neck, shoulders & front; short level back. Excellently constructed hindquarters propel her smoothly & freely. Presents a most attractive picture; 2 Bettsworth's **Kapitada Sweetness'N Light**, balanced lovely type, short & cobby, quality bitch, move ok when settles briefly but very difficult to assess properly being lively (ok!) & a bit naughty! Good head fits the standard in make & shape, typical appealing expression. Good shoulders front & bone, well ribbed body & strong well-muscled hindquarters which propel her happily around the ring. Very well presented in good quality coat. Well worth persevering with some training so she doesn't throw away her chances! 3 New's **Raven Beauty**, very attractive b/t presented in excellent shiny coat, neat & tidy, showing steadily & happily, very well handled. Lovely breed type overall, beautiful head of correct shape, typical expression, small dark eyes. Ok in neck, shoulders & front, with enough bone; well-muscled hindquarters but would prefer a bit more angulation, not quite the drive of 2 above. Cobby well ribbed body; R Hess & Higgins' **Umbrage The Jubilant**; VHC Saltmarsh's **Pipridges Hazel**.

OB (6-1) class of quality;

1 Hurrion's **Ch Villassa Cherry Ripple**, caught my eye as soon as she came in & knew she was my winner straight away on the table! Matched the dog CC so well in type, size & shape; a great pair. Very

well balanced, super head, most appealing alert expression, bright small, dark eyes. Front, neck & shoulders all good; short level back, mature fit well ribbed body. Excellent hindquarters, well-muscled bent stifles, low hocks, good propulsion & drive. True mover in all directions, looked great going around, in excellent coat of good texture. Very pleasing to find she's the daughter of my previous CC winner! **CC** – well deserved; 2 Phillips' **Ch Blakens Sugar Candy Kisses**, very close between 2 & 3 decided on final run around, preferring her better neck line flowing into correctly laid back shoulders, giving more reach. Head of excellent type, nice broad curved skull, good stop, strong muzzle similar to both 1 & 3, but preferred the CC winner's smaller eyes. Short level back, cobby well ribbed body, good hindquarters. Quality bitch who well deserved **RCC**; 3 Gee's **Watercroft Top Of The Pops**, completed lovely trio, another of CC quality! Has all the qualities stated above, but a bit more neck & better shoulder placement is desirable. Very true to type in all ways, head body, legs & coat. Excellent showgirl never gave up & looked as if she could run all day! In super coat & presentation as were all those with this exhibitor; R Thompson-Morgan's **Belleville Just Magic**; VHC Ruffles' **Ruffnor Offbeat**.

GCB (4) tricky class of 2 distinct types, 2 of each! 1 Ruffles' **Ruffnor Off Beat**, 5yrs, won on soundest construction & movement; very appealing though leggier type than 1 prefer. Lovely head & dark eyed expression, well-shaped skull & muzzle firm of correct proportions & good stop. Deep well ribbed body short enough in back & level topline. Showed & moved extremely well with good reach & drive, sound & true – the best in class. Good texture neat & tidy coat. (was placed 5th in Open). Very similar looks to the veteran placed 3rd; 2 Howard's **Hatchwoods Flamenco**, 6yrs, squarer cobbier build than above, happy showgirl pleasant & typical. Good head, typical expression; good bone, excellent deep long ribcage, short enough in back. Construction less angulated than above thus moved with less freedom. Coat not at its best! 3 Ruffles' **Ruffnor Secret Wish**, 3rd in veteran, beat the younger one placed 4th on bite & movement; R Howard's **Hatchwoods Last Tango**.

MPD (3) 1 Thompson-Morgan's **Belleville Roll By**, a compact typy dog with a good head, pleasing expression & neat ears. Good, well ribbed body with lovely bone & with good angulation, he moved well. Presented in a good jacket, he never showed herself off to best advantage, **BP**; 2 Phillips' **Blakens I Look To You**, another compact baby of good type that was presented in very good condition. He pleased in body, topline & angulation & quarters. He moved OK but not quite the head or movement of 1; 3 Mounfield's **Arderry Son Of A Gun**.

PD (1) 1 Atkinson's **Boduf Trailblazer at Manybrook**, a pleasing red with a masculine head, good eye & neat ears. Good in body, bone, quarters & angulation. In a good coat, he moved well behind but not quite true in front.

Pleasing body & bone with a good topline & strong quarters. In a good coat, he moved well behind & OK in front; 2 Gee's **Watercroft In A Pickle**, whilst not quite the size of 1st & I would have preferred a firmer topline, he makes a typy outline with pleasing angulation & well let down hocks. ND (0)

PGD (4-2) 1 Thompson-Morgan's **Belleville Roll Call**, a typy dog, good for size with a pleasing head & expression. Good for body & bone & angulation. Lovely well ribbed & well coupled body & pleasing forechest. Good in topline & angulation & in good coat, he moved well but I just preferred the profile movement & hocks of 1, **RCC**; 3 Jenkins' **Kinsridge Cash Back**.

MPD (3-1) A difficult class to start with as both decided to show their teenage side.

1 Simpson's **Megalex Now or Never**, one day over 6 months and it was a case of now or never, particularly on the move, settled going round initially then decided he did not want to cooperate and suddenly a switch seemed to be clicked and he started to believe in himself and gained confidence. Sturdy made type, still needs plenty of time but coat coming through well; 2 Phillips' **Blakens I Look To You**, decisions could have easily have been reversed and another displaying typical youthful characteristics, well made throughout, liked rear quarters and should mature nicely.

PD (1) 1 Lloyd's **Orison Midnight Myth**, 10 month old b/t, nice shaped head, dark eye, small neat ears, giving overall good expression, better trimming and presentation could help the topline, not always settling on the move.

JD (2). 1 Gee's **Watercroft In A Pickle**, attractive young dog, nice shape and size presenting very nice outline, strong head, nice neck and shoulders, well bodied, moved freely, pushed harder for further honours; 2 Atkinson's **Blakens Sugar Candy Dips**, another nice type, well proportioned head, strong neck, short level back, strong quarters, not as free or as fluid as 1 on the move.

PGD (3-1) 1 Thompson-Morgan's **Belleville Roll Call**, liked overall type, size and shape, broad skull, dark eye, nice ears, very well made shoulders, good neck, coat in good order, moved soundly; 2 Simpson's **Umbrage Longton cum Megalex**, longer cast than 1 and not as strong in the head, coat not in best of order.

LD (3-2) 1 Phillips' **Blakens The Kandy Man Kan**, I am sure he can and a little unlucky today, very nicely balanced and masculine young dog and presented in tip top form, good head proportions, well bodied, level topline just spoiled occasionally

by carrying tail flat over back, coat in very good condition and texture, moved soundly both ways, **RCC**.

OD (3) 1 Jenkins' **Kinsridge Cash Back**, stood out and demanded attention, super breed type throughout, masculine and full of presence without exaggeration or coarseness, good head, correct bite, well set ears, dark eye, giving good expression, nice neck and shoulders, well bodied and coat in excellent condition, true and free mover. Pleased to award him his crowning **CC** and **BOB**; 2 Newton's **Strathinver Smart Enough**, another who seemed to fit his name, as he looked very smart today, liked outgoing and active personality and alert at all times. Good expression from well balanced head, super body type with well sprung ribs, coat in good order, moved true, very close when it came to the Challenge for Reserve; 3 Thompson-Morgan's **Belleville Seduction**.

MPB (7-2) 1 Thompson-Morgan's **Belleville Summer Crunch**, good overall type and developing nicely for age, head needs to finish but time can only improve, nice neat ears, good body shape, coat very good for age, moved OK, **BP**; 2 Jenkins' **Kinsridge Top Tip**, not quite as forward as 1 but another whose coat was a credit for his age, displays lots of potential; 3 Saltmarsh's **Pipridges Holly**; R Gee's **Watercroft Angel Delight**; VHC Simpson's **Megalex Well I Never**.

PB (3) 1 Campbell's **Nordalset Mad About You**, head could be trimmed better to improve overall expression and appearance, nice angulation and rear quarters, coat coming through OK, moved freely; 2 Gardener's **Perrisblu Liberty at Danalas**, good head with correct bite and large white teeth, carrying ears a little low, nicely bodied; 3 Philip's **Nordalset Truly Madly**.

Play The Ace, nice and very appealing type, good head, broad skull, good mouth, very strong neck, well made shoulders, short level back with plenty of substance behind the tail, coat in good condition but I would prefer more coat on the underside of the body to enhance outline, moved with purpose and fluidity. Bitch **CC**, another winning crowning **CC** today.

PGB (6-3) 1 Atkinson's **Moortops Again No Choice**, compact and strong type, good head with well defined stop, well bodied, carried both head and tail well standing and on the move, good coat, won class on movement; 2 Jenkins' **Strathinver Roses Are Red at Kinsridge**, liked overall type and condition and texture of coat, but let herself down by pulling inwards towards handler when moving and not really settling; 3 Macartney's **Nordalset Little Bit Of Sun**.

LB (4-1) 1 Saltmarsh's **Pipridges Hazel**, nice overall shape, broad skull would prefer a little more strength of muzzle to balance the head, good neck and shoulders, compact body with well set tail, harsh coat, moved out freely; 2 Gullick & Mark's **Marks Paula to Jaeva**, outgoing type, coat not in best of conditions, a little loose on the move; 3 Lloyd's **Orison Thundercloud**.

OB (5-1) 1 Phillips' **Ch Blakens Sugar Candy Kisses**, worthy champion and looked very good today with super outline, shape and size, nicely shaped head, well balanced body, muscular hindquarters, in good coat, moved well in class but not putting in 100% during the final challenge, **RCC**. Litter sister to LD winner and both display good breed virtues; 2 Thompson-Morgan's **Belleville Just Magic**, feminine head, small dark eye, well set ears, well balanced neck, good body and in good condition, but not settling on the table which seemed to affect her confidence; 3 Gee's **Watercroft Top Of The Pops**; R Smith's **Javidel Definitely Maybe**.

In good coat; 3 Stevenson's **Brickin Wild Ivy**.

PGB (2) 1 Atkinson's **Moortop Again No Choice**, red lively compact bitch, strong neck of medium length, very good body & topline. A bit unsettled in front movement. Well presented coat; 2 Macartney's **Nordalset Little Bit Of Sun**, b/t, slightly longer cast. Super temperament. Well developed body, firm topline. Well presented. Moved quite well.

LB (3) 1 Phillips, Gullick & Tate's **Jaeva Play The Ace**, well presented bitch who gave her best. Lovely head, dark eye, very good ear carriage. Well developed body, firm topline. compact bitch in excellent coat. Moved with a good stride. Liked her head, well-developed body, a bit soft in topline; 3 Saltmarsh's **Pipridges Hazel**.

OB (6-3) 1 Thompson-Morgan's **Belleville Just Magic**, lovely type & sound mover. Balanced head, dark eye. Strong neck & firm short backed body. Firm topline. Well presented, **RCC**; 2 Gee's **Watercroft Top Of The Pops**, slightly heavier, still gives a very good overall impression. Scored in body, topline & coat. A small entry reflecting the travelling distance for many, however I had some lovely quality dogs & I was very pleased with my winners. The main point that struck me was the number of large round eyes, some getting a bit light too. The standard asks for "oval shaped, dark brown or black". These were in very short supply today. The large round eyes detract from a typical Norfolk expression, especially when they are light too. Tails I paid more attention to than in the past although I wouldn't penalise an otherwise good dog just because of its tail, however I think it is time that as breeders we started to try & improve what clearly does not come naturally to Norfolks.

PD (1) 1 Phillips' **Blakens I Look To You**, typical low to ground naughty b/t puppy. Lovely bone, nice head for age, prefer more oval eye. Moved well in front but needs to muscle up behind. Good length of rib. Body needs to mature, lovely tail carriage.

JD (4) a very nice class, splitting hairs here. Both 1 & 2 are short backed well balanced dogs.

1 Gee's **Watercroft In A Pickle**, very attractive head, correct muzzle to skull proportions, good stop, width of skull & neat ear carriage, just prefer more oval eye. Ample bone & substance, compact & low to the ground. Moved well in front, needs more hind angulation. Tail carriage acceptable, **RCC**; 2 Stevenson's **Brickin Countrywide**, slightly more bone than 1 but not the body or strength of skull. Dark eye, could be more oval. Great length of rib, a rare asset. Tail more curled than 1; 3 Atkinson's **Blakens Sugar Candy Dips**; R Riley's **Millstrand Cut The Mustard**.

LD (1) 1 Phillip's **Blakens The Kandy Man Kan**, outstanding in type, strong skull, very good stop, again eye rather too round. Compact & strong, low to the ground. Great bone & excellent spring of rib. However short upper arm & poor hind angulation meant his movement let him down & he didn't put all in on the move either.

OD (3-1) 1 Newton's **Strathinver Smart Enough**, & today he was & shown in very hard condition. The best mover in the dogs by a long way he covered the ground & moved true both coming & going. Good width of skull, correct stop, strong wedge shaped muzzle. Excellent spring of rib & adequate bone. Could be longer in rib. A compact & very strong dog, challenging his handler. Short back Could be lower to the ground but he has a good depth of body to compensate, nicely set & carried tail. **CC** won on overall movement along with type; 2 Green's **Wharfvalley Diamond Star**, looking the part today in excellent jacket & showing his socks off. Unfortunately not the head or movement of 1 but lower to ground than 1 & lovely large teeth. High set tail but not carried as well as 1.

PB (2) 1 Gee's **Watercroft Top Tipple**, gassy puppy, short, cobby, compact, low to the ground. Lovely typical head, good width of skull, good stop, strong muzzle, nice correct eye. Good spring of rib, great hindquarters, front movement just spoiled by short upper arm, **BP**; 2 Saltmarsh's **Pipridges Holly**, lovely dark oval eye, something that is in short supply today. Excellent spring of rib, good bone, low to the ground. Not the hindquarters of 1 & longer cast. Coat just coming. Correct for tail shape & carriage.

JB (4-1) 1 Gee's **Watercroft Hot Diamonds**, small, keen & low to the ground, very nice head, adequate stop, well angulated headquarters which she used well. Good spring of rib & in excellent coat. Tail well carried, just moving a bit wide in front & could have more bone; 2 Phillips, Gullick & Tate's **Jaeva Play The Ace**, outstanding head & expression, well proportioned skull & muzzle, good bone & spring of rib, moved well in profile. Prefer her to be lower to the ground with a shorter neck to fit the standard requirements; 3 Green's **Wharfvalley Wild Child**.

OB (4-1) 1 Phillips' **Ch Blakens Sugar Candy Kisses**, loved her, very typical, cobby, low to the ground, in excellent coat, good well proportioned head, nice width to skull, correct bite, eye could be more oval & for perfection would prefer slightly shorter back. Very short tail! Correct bone, excellent spring of rib. Showed to perfection, & with her correct construction moved very well both ways & in profile. Had the edge in overall type & presentation on the dog when challenging for BOB. **CC & BOB**, delighted to see she went G3; 2 Gee's **Watercroft Top Of The Pops**, similar type to 1 having similar virtues, cobby low to ground & slightly shorter in the back but unlike 1 not extending & a little wide in front. In lovely coat, with a well carried tail, unlucky to meet 1. **RCC**; 3 Smith's **Javidel Definitely Maybe**.

PD (1) 1 Lloyd's **Orison Midnight Myth**, a pleasing head, quality coat and straight front legs made this ten month old puppy a joy to judge. I would like to see him slightly shorter in loin.

JD (0)

PGD (1-1)

OD (3-1) 1 Ackling's **Ruby Rueben ShCM**, this dog is very short backed with neat ears as well as a high tail set. He was very good coated and sound on both ends, **BD**; 2 Gee's **Watercroft Diamond Dealer**, this young dog has a smart keen expression and sound behind. I would like to see him more settled on his front, **RBD**.

PB (3-2) 1 Gee's **Watercroft Top Tipple**, this ten month old has fantastic straight front legs with a quality head piece and a smart expression in tow. With age I am hoping her coat matures, **BP**.

JB (1) 1 Gardener's **Perrisblu Liberty at Danalas**, this twelve month old bitch has a quality coat, shoulder layback and movement. She is slightly lacking in the muzzle.

PGB (1-1)

OB (3) 1 Gee's **Watercroft Top Of The Pops**, this bitch was an absolute joy. Well laid back shoulders into a neat short back, tail set high with lovely breed type and attitude to boot. She demanded to be my best of breed today, **BB & BOB**; 2 Phillips, Gullick & Tate's **Jaeva Play The Ace**, **RBB**, coat in top shape and strong, sound hindquarters vouch for the superb condition of this bitch. However, on this day I found her slightly jaunty on her front. I would also like to see more strength in her muzzle; 3 New's **Raven Beauty**

PD (9-1) 1 Jenkins' **Krisma Flashback to Kinsridge**, a top quality pup with it all in front of him. Strong head, good bite, lovely neck & shoulders, level topline, strong hindquarters which he used well on the move. Showed really well to gain **BP**. Surely destined for more success; 2 Phillips' **Blakens Pay Back**, another promising youngster. In very good coat & condition, strong head & muzzle, short level back, strong quarters, good legs & feet Not an easy dog to handle; 2 Atkinson's **Blakens Sugar Candy Dips**, not as mature as 1 & lacking his finish. In time I believe will do well as he has all the essentials.

Pulled out all the stops in the challenge, **CC**, **BOB**; 2 Phillips' **The Kandy Man Kan**, another top quality dog whose type I really like. BP: **Krisma Flashback To Kinsridge**

Quality entry, thank you. I was more than pleased with my line-ups. Competition for places was hot!

PD (5-1) 1 Jenkins' **Krisma Flashback To Kinsridge**, gorgeous pup, in gorgeous coat showing his socks off. Well balanced head with good width between the ears, expressive eyes, good bite. Good neck leading into well placed shoulders. Compact body, good rear. Short legs with good bone. Looked like he was enjoying himself, moving out well. **BP**; 2 Devereux's **Vichea Storm Trooper**, slightly longer in back than 1 & not quite the strength in skull. However his head is balanced, with neat small ears & a varmint expression. Good short straight legs, will look better when he drops in body. Moved very well, beautifully presented; 3 Lloyd's **Orison Midnight Myth**; R Owens' **Brickin Wild Affair**.

JD (1) 1 Gee's **Watercroft In A Pickle**, stood alone but it would have taken a good one to beat him. He presents a beautiful outline, good masculine head, correct eye shape. Short back, short legs, good substance & bone. Strode out well.

PGD (2-1) 1 Philip's **Nordalset Got That Look**, smart dog, another lovely head of good balance, broad in skull with good strength to muzzle, good eye & ear shape, in good coat. Broad hindquarters but moving a little too wide today.

LD (2-1) 1 Phillips, Gullick & Tate's **Jaeva Cufflink**, red dog, stunning! Put down to perfection. Gorgeous head, good length of neck, clean sloping shoulders, short in back, strong short legs. All Male but in a compact frame, striding out with purpose. Another Ch for this kennel today, **CC & BOB**.

OD (2) 1 Jenkins' **Kinsridge Cash Back**, two beautiful red dogs, just preferred the head shape of 1. Broad skull, well set ears, lovely eye of correct shape. Strong wedge shaped muzzle. Chunky short body, short strong legs. Attractive mature coat, both

showing their socks off, **RCC**; 2 Green's **Wharfalley Diamond Star**, personality plus! A smart dog in great condition, presented & shown in top form. Not quite the strength of muzzle as 1, but everything else is spot on.

PB (7-2) 1 Gee's **Watercroft Top Tipple**, quality class, correct for size. Feminine, but strength in head shape, good length of neck, short level back, & good tail set. Compact & cobby, in good coat. Moved well; 2 Saltmarsh's **Pipridges Holly**, I adored this bitch's head of good shape, good ears, eye & muzzle giving a kindly disposition. May I say she looked like an old fashioned Norfolk (not a bad thing), she reminded me of ones I knew in the past. Shown & presented in good form, slightly longer in body than 1; 3 Hurrion's **Villassa Smart'N Savvy**; R Hamar's **Lagdenfarm Quite A Gal**; VHC Campbell's **Nordalset Mad About You**.

JB (6-1) 1 Hurrion's **Villassa Star Turn**, lovely class, top 3 could change places, but this bitch out-moved all today, she is also lower to ground & shorter in back than the others. She has a quality head, good front & rear quarters & a coat of good texture. Presented & shown to advantage; 2 Phillips, Gullick & Tate's **Jaeva Play The Ace**, a beautiful headed bitch that was presented to perfection, but I found her up on the leg & slightly longer in length than 1. Hope she drops in body as she matures; 3 Green's **Wharfalley Wild Child**; R Gardener's **Perrisblu Liberty at Danalas**; VHC List's **Nicnips Evensong**.

PGB (4-2) 1 Bettesworth's **Kapitada Whoops A Daisy**, my notes say cute! A bitch of small stature, carrying a well balanced head with the neatest of ears, good in body shape & condition. Moving well enjoying herself; 2 Owen's **Penmire Lilac**, not the compact shape of 1, but has a good head & shown in quality conditions.

LB (4-1) 1 Jenkins' **Strathinver Roses Are Red at Kinsridge**, these two put up a good fight for their places & movement was the deciding factor. Lovely head properties, very good forequarters good legs & neat round feet. Deep chest, strong in topline powerful rear, good tailset. Liked her size, handled well; 2 Gee's **Watercroft Hot Diamonds**, these two were very close up, excellent balanced head, with lovely eye shape, good neck & shoulders. Good body of substance, standing over plenty of ground. Tip-top condition, just needs to tighten up in movement; 3 Owen's **Penmire Lilac**.

OB (4-1) 1 Gee's **Watercroft Top Of The Pops**, with the chance of repeating myself, another great class, not quantity but definitely quality. Loved this bitch's skull to muzzle ratio, with dark eye & neat set ears giving attractive expression. Good wedge shape to muzzle. Short back, cobby body & short well boned legs. Great coat condition & presentation top drawer. Moving well. Her third **CC** I was told; 2 Smith's **Javidel Definitely Maybe**, beautiful b/t, I was wondering where the b/ts were, never mind this one will do! Very good head & eye shape, good length of neck flowing into shoulders, level topline, well muscled hindquarters adding power to her movement. Just being picky, she is a little leggy at the moment but it did not detract from her otherwise all round qualities, **RCC**; 3 Hurrion's **Villassa All My Heart**.

Thank you for your entry, maybe small in number but of good quality, and no absentees.

PGD (2) 1 Stevenson's **Brickin Countrywide**, 15 month old red dog with good bone, a short body with well sprung ribs, good mouth, played his handler up but won on conformation; 2 Simpson's **Umbrage Longton Cum Megalex**, longer cast than 1, good mouth, harsh coat, longer in hock but showed well with animation.

OD (2) 1 Thompson-Morgan's **Ch Belleville Seduction**, a dog I have admired from the ringside and did not disappoint on the table, a very masculine head with good stop and strong muzzle, compact body with level back, a quality b/t coat, not his usual handler and did not like the spikey grass but still showed good drive and angulation, **RCC**; 2 Newton's **Strathinver Smart Enough**, a very strong masculine dog with a broad skull and good stop, well boned, not in such good coat today and rather unsettled on the move.

PB (3) 1 Gee's **Watercroft Top Tiddle**, a very neat feminine bitch with good expression, low to the ground, cobby body, coat well presented, moved and showed well; 2 Stevenson's **Brickin Tidy Affair**, a different type to 1 with attractive head, good eye and good terrier expression, liked her size and conformation, very uncooperative on the move, good red coat just coming which will finish the picture; 3 Simpson's **Megalex Well I Never**.

JB (3) 1 Hurrion's **Villassa Star Turn**, super head and true terrier expression from dark eye, liked her size and conformation, moving well in both directions, in well presented harsh red coat, pushed very hard for rcc but just needs a little more time for top honours; 2 Claydon's **Brymarden Starshine**, a neat little bitch on her first outing in tight deep red coat, good mouth, true varmint expression, a true terrier, moved well; 3 Phillips, Gullick and Tate's **Jaeva Play The Ace**.

BCC & BOB: **Belleville Just Magic**
RBCC: **Watercroft Top Of The Pops**
BP: **Krisma Flashback to Kinsridge**

Really enjoyed judging this breed who I have lived with for many years. Since last time mouths have improved, fronts are still an issue I feel, however what concerned me today was the hind movement. The standard does ask for a low and driving action, there were an alarming amount who were lacking this and were tummy tapping, something perhaps the breeders should address.

V (3-1) 1 Smith's **Hatchwoods Smokescreen**, typical in outline and moving so well for her age, preferred her head to 2nd. Correct muzzle to skull ratios, excellent eye, super neck and covered the ground on the move; 2 McGrath-Cole's **Brickin Happy Magic**, enjoying her day out, cobby in body and in good condition, would prefer more length to muzzle for balance. Touch fuller in eye for me.

MPD (5-1) 1 Jenkins' **Krisma Flashback to Kinsridge**, quality youngster who throws a lovely outline standing and moving, very showy and handled to advantage, head is typical and scores in backline and quarters, using them to full advantage. Must have a great future, **BP**; 2 Phillips' **Blakens Payback**, another star in the making, very good for make and shape, super harsh coat, loved his head and eye. Touch loose in front but has time on his side. Will watch both these youngsters with interest; 3 Simpson's **Megalex Now Or Never**; R Owens' **Brickin Wild Affair**.

PD (2) 1 Mounfield's **Arderry Son Of A Gun**, won on his outline and coordination on the move, head is good and developing well, substantial body and covers ground on the move, would like him straighter in front; 2 Atkinson's **Blakens I Look To You**, very typy dog who on hands on is very correct, however totally uncooperative with the handler which cost him.

JD (0)
PGD (6-1) 1 Thompson-Morgan's **Belleville Roll Call**,

liked him a lot, decent head and expression, correct eye and ears, excellent neck, the outline I consider correct, very showy excellent in side gait, with good driving action; 2 Stevenson's **Brickin Countrywide**, liked him for size and outline, however he could have a more masculine outlook about him, decent head, however lacking furnishings today and felt a touch soft in coat; 3 Atkinson's **Blakens Sugar Candy Dips**; R Philip's **Nordalset Got That Look**; VHC Simpson's **Umbrage Longton cum Megalex**.

LD (3) 1 Phillip's **Blakens The Kandy Man Kan**, totally typical male who oozes quality, to cap it he was in superb body and coat condition, harsh jacket that fits him so well complementing his outline. Liked his head a lot, muzzle is strong and in ideal ratios to skull, good width to skull and eye set, colour and position is ideal, enhancing expression. Short backed male with good depth and substance. Stands on top of himself throwing the most wonderful outline, moves round the ring with steady carriage driving well with his quarters, holding his shape as all times. Pleased me greatly today as he ticked many boxes to win the **CC**, if I'm critical he is a touch upright in front and comes towards a fraction wide, which cost him **BOB**; 2 Gee's **Watercroft In A Pickle**, another quality dog, who scored heavily in outline and topline, in good jacket showing his head off for his very good handler. I just preferred the muzzle and strength of 1. He appeared very busy in front action, perhaps slowing him down would have given a different picture; 3 Haynes' **Cracknor Cut A Capor**.

OD (6-1) 1 Thompson-Morgan's **Belleville Seduction**, glorious b/t male who does give you goosebumps, I loved him. Excellent head with correct stop and muzzle to skull ratios, super neck and topline, super eye and expression, thought him my cc winner to start with, however both in the class and the challenge he was rather a handful, even though he scored heavily in side gait, was moving a touch wide going away and gumping in front a little ... close up

for the cc but had to settle for the **RCC** for this, I also did prefer the shorter backline of the limit dog who did throw out a crisp outline standing and moving in profile ... a top class dog who I'm sure will top the lot on a different day; 2 Newton's **Strathinver Smart Enough**, very masculine male who hands on is excellent to go over, broad skull and correct stop, however his ears are a bit flyaway, strong bodied and boned, totally sound in all directions particularly behind displaying the correct action; 3 Green's **Wharfvalley Diamond Star**; R Ackling's **Ruby Rueben Sh CM**; VHC Haynes' **Cracknor Cut A Caper**.

GC D/B (1) Hatchwood Smokescreen

MPB (4) 1 Jenkins' **Kinsridge Top Tip**, maturing well, very nice for make and shape. WOW and what big teeth she has in a perfect scissor, gassy on the move and so clean moving; 2 Stevenson's **Brickin Tidy Affair**, very typy bitch who is good to go over, super head and expression, uncooperative mover and was too busy sniffing the floor, which made movement difficult to assess, at times making her drop in shoulder ... however did enough to win this place; 3 Gee's **Watercroft Top Tipple**; R Simpson's **Megalex Well I Never**.

PB (6-3) 1 Thompson-Morgan's **Belleville Summer Crunch**, lovely for type, this kennel certainly has their individual stamp, super make and shape, short on coat so very little to hide, is so good to handle on the table, totally correct behind with good driving action, pretty head and expression, really liked her, a future star in the making; 2 Campbell's **Nordalset Mad About You**, liked this youngster a lot, so unlucky to meet 1 today, another who has a good outline, excellent quarters, pretty head and expression, good quarters gave a good account of herself; 3 Mounfield's **Arderry Shes The One**.

JB (6-1) 1 Hurrion's **Villassa Star Turn**, another that complemented my bitch line up .. really liked her, spot on for conformation, throwing a lovely outline, head I good with a keen desired expression, so sound moving, went well in all directions, just needs to finish a little in body considered her for the rcc but had to give way to the more mature bodied bitches .. will watch her progress; 2 Saltmarsh's **Pipridges Holly**, another who scored on outline, good coat however a touch overweight, excellent going away and in side gait; 3 Gardener's **Perrisblu Liberty at Danalas**; R Mitchell & Tate's

Bee Mine at Jaeva NAF TAF; VHC Stevenson's **Brickin Surprise Surprise**.

PGB (6-2) 1 Green's **Wharfvalley Wild Child**, scored on her size and short back, super coat and topline, so typical in outlook which won her this class, moved well; 2 Hess & Higgin's **Umbrage The Gloriana**, very showy bitch who uses her neck to such advantage, correct head planes, even though she was such an active mover a touch erratic on the move today, as in my opinion moving way too fast, her topline dips behind the withers which cost her the class; 3 Macartney's **Nordalset Little Bit Of Sun**; R Woolnough's **Jaeva Fine Romance**.

LB (7-1) 1 Howard's **Hatchwoods Flamenco**, so much to like about her, such a balanced outlook, good type and enough detail in head, correct muzzle to skull ratios, necky bitch, who has a very steady gait scoring in side action .. presentation could be better; 2 Saltmarsh's **Pipridges Hazel**, scored on topline both standing and moving, head developing well, however a touch bold in eye for me; 3 Hess & Higgin's **Umbrage The Jubilant**; R Gee's **Watercroft Hot Diamonds**; VHC New's **Raven Beauty**.

OB (4-1) 1 Thompson-Morgan's **Belleville Just Magic**, and magic she was, found her so correct for type, ideal size, good coat, super eye and dark pigmented eye rims which enhances expression, pretty head with just enough skull and foreface, and WOW what a fabulous body she has, ideal front and rear angle, short in back and deep giving that desired cobby yet substantial feel to her, excellent ribbing and strong short loin, well let down quarters .. tail set bang on, her attitude was super, very gassy and full of herself, typical Norfolk temperament, moves a dream ok going, most explosive side gait, for such a short backed bitch she really reaches and drives, covering the ground with minimum effort .. would prefer her touch tidier in front however has the whole package .. one has to handle her to admire her .. **CC** and **BOB**; 2 Gee's **Watercroft Top Of The Pops**, another top class bitch, similar attributes to 1, excellent body, short back with depth and substance to body, yet feminine, necky bitch who also is a real performer and show girl, just preferred the better set to shoulder and quarters of 1, this lady holds her outline at all times standing and moving, delighted to give her **RCC**; 3 Smith's **Javidel Definitely Maybe**.

I would like to thank the committee of Paignton for my appointment and their hospitality, my hard working stewards and the exhibitors for such a lovely entry of quality dogs.

PD (4-2) 1 Phillips' **Blakens Pay Back**, mature puppy with strong well-proportioned head, well placed ears and nice correct shaped dark eyes. Good bite, strong neck leading into well laid shoulders. Compact body with well sprung ribs. Well angulated with nice short hocks. When settled moved well making a balanced and attractive outline, **BP**; 2 Simpson's **Megalex Now Or Never**, mature masculine puppy with pleasing expression. Good ears. Moved with drive and purpose. Lovely bone and in beautiful coat. Not as compact in body as 1.

JD (3) 1 Gee's **Watercroft In A Pickle**, caught my eye as he entered the ring. Loved his head and expression. Good bone, well strung ribs, good angulation, moving soundly and stradily both ways. Good textured coat beautifully presented. A strong contender for **RCC**; 2 Atkinson's **Blakens I Look To You**, attractive b&t, different type to 1. Not showing and moving to his advantage today making him look unbalanced. Coming into really nice coat; 3 Lloyd's **Orison Midnight Myth**.

PGD (3-1) 1 Atkinson's **Blakens Sugar Candy Dips**, well-proportioned head with dark almond eyes giving a lovely expression. Would have preferred a better front but lovely spring of rib and compact body. Strong well angulated hindquarters. Presented in lovely coat and trim, showed well; 2 Simpson's **Umbrage Longton Cum Megalex**, strong masculine head and expression. Correct bite. Lovely harsh dark red coat. Super bone, well bodied and well angulated moving ad showing well. Preferred compactness and balance of 1.

LD (3) A very strong class with three lovely Norfolk Terriers.

1 Phillips' **Blakens The Kandy Man Kan**, another from this kennel of the same type. I liked everything about this dog, well-made throughout, moved with style and soundness. In lovely coat, body and condition. **RCC**; 2 Green's **Wharfvalley Golden Nugget**, very attractive head and expression. In lovely coat, good bone, correct bite, moving soundly but not as collected as 1; 3 Ackling's **Ruby Rueben ShCM**.

OD (5-3) 1 Green's **Wharfvalley Diamond Star**, well balanced and perfectly structured masculine gentleman. Oozing quality and a soundness that means he could do a day's work as well as look fabulous in the show ring. Because of his superb construction he could move soundly with style and drive. His sympathetic handler was able to show off his many virtues. I believe this is his second **CC**, congratulations. **CC & BOB**; 2 Phillips, Gullick & Tate's **Ch Jaeva Cufflink**, very smart striking young dog groomed to perfection. In a feisty mood today. Not as sound behind as 1.

BCC: **Ch Belleville Just Magic**
RBCC: **Ch Jaeva Play The Ace**
BP: **Krisma Flashback To Kinsridge**

All have super temperaments. I found quite a few to be rather long in the back.

PD (2-1) 1 Jenkins' **Krisma Flashback to Kinsridge**, chunky pup who has a lengthy stride, holding his topline. Lovely head, strong muzzle. Super expression. Lengthy neck. Slightly forward in shoulder and a little wide in front action, but time for this to tighten. Well sprung ribs. Well made rear. Just very slightly long in back, but a quality pup. **BP & PG4**.

JD (3) 1 Gee's **Watercroft In A Pickle**, really typy dog who moves and shows so well. Masculine head, correct stop, well set ears. Enough neck. Could have better laid shoulders & a longer upper arm. Super rib & body. Liked his shortness of back. Well set tail. Thick & harsh coat. Low hocks; 2 Atkinson's **Blakens I Look To You**, very playful pup with much to like. Has a good head, lovely eye & expression. Well angled front & rear. Just a little longer than 1. Went well once settled. In good coat; 3 Lloyd's **Orison Midnight Myth**.

PGD (3-2) 1 Atkinson's **Blakens Sugar Candy Dips**, lovely chunky type of dog with a short back. Pleasing head. Dark eyes. Enough neck. Slightly forward in front assembly & rather wide & short stepping in front. Super ribs. Level topline. Tail well set. Liked his rear which he uses well. Super jacket.

LD (2) 1 Phillips' **Blakens The Kandy Man Kan**, lovely dog, super outline. Liked his masculine head, well balanced skull to muzzle, which has strength. Correct neck. Well laid shoulder. Deep chest, well ribbed, short loin. Firm topline. Would prefer a better tail carriage, but set is OK. Could have just a little more hind angulation. Low hocks. Very good mover. Super jacket. **CC & BOB**, champion on the day & then **G2**, well done; 2 Haynes' **Cracknor Cut A Capar**, different type of dog, long all through. Would like a shorter muzzle. Good eye & expression. Fair neck. Well sprung rib. Coat could

be harsher. Liked his profile gait.

OD (3) 1 Thompson-Morgan's **Ch Belleville Seduction**, typy dog. Liked his head, correct width of skull. Well set ears. Lengthy neck. Well laid shoulders, could be longer in upper arm & slightly untidy coming towards. Well sprung ribs. Short loin. Correct length of back. Well set tail, but carried a bit flat to back. Well bent stifle, low hocks. Lengthy stride. In super coat. **RCC**; 2 Jenkins' **Kinsridge Quids In**, harsh coat, which is just coming in nicely. Pleasing head. Liked his width of skull. Enough neck. Firm front. Just slightly longer cast, bust has well sprung ribs. Rear matches his front; 3 Haynes' **Cracknor Cut A Capar**.

PB (2) 1 Jenkins' **Kinsridge Top Tip**, very feminine bitch, won on being shorter in back. Feminine head, liked her balance of muzzle to skull, great big teeth. Lengthy neck, flowing into a firm topline. Well laid shoulder, short in upper arm and just lifts her front feet a little high as yet. Well sprung ribs. Low hocks. Super jacket; 2 Saltmarsh's **Pipridges Holly**, well balanced & good angulation on this bitch. Feminine head, dark eyes. Lengthy neck. Slightly untidy in front as yet. She is just a little longer in back than 1. Low hocks. Harsh jacket.

JB (3) Two lovely young bitches head this class, with not a lot to separate them. 1 Hurrian's **Villassa Star Turn**, liked her outline, short back. Good width of skull, liked her eyes. Could have a little more strength to muzzle. Long neck. Well laid shoulder. Super body. Tail is slightly low set but carries well. Rear OK. Moves very well. Well trimmed; 2 Thompson-Morgan's **Belleville Summer Crunch**, shapely bitch, would maybe just like a little more strength to her head, even for a small feminine bitch. Correct neck. Well laid shoulder. Can just firm very slightly in front. Well sprung ribs. Liked her hind angulation. Tail could be

slightly better. In harsh jacket; 3 Gardener's **Perris-
blu Liberty at Danalas.**

PGB (1) 1 Howard's **Hatchwoods Last Tango**, lots to like about this typy bitch. Coat starting to blow. Dark eyes. Nice width of skull. Lengthy neck. Well balanced in angulation. Well sprung ribs. Liked her hind angulation.

LB (3) 1 Gee's **Watercroft Top Tia**, won class on her shortness of back. Feminine head. Good eye & expression. Fair length of neck. Would like a better shoulder. Big ribs. Well bent stifle & low hocks. Could be in better coat. Best mover in class; 2 Howard's **Hatchwoods Flamenco**, liked her head, dark eyes & well set ears. Good neck. Coat is quite full. Longer than 1 but shorter than 3. Could have more hind angulation.; 3 Saltmarsh's **Pipridges Hazel.**

OB (4-1) 1 Thompson-Morgan's **Ch Belleville Just Magic**, super for type. Liked her shortness of back her. Feminine head. Dark eyes. Correct neck. Could have slightly better shoulder & feet. Super ribs. Short loin. Well set & carried tail. Very good rear. Moves well. In super coat. **CC**; 2 Phillips, Gullick & Tate's **Ch Jaeva Play The Ace**, loved her head. Eyes could be a shade darker. Long neck. Fair shoulder, slightly short in upper arm & is a bit narrow in front. Just slightly longer than 1 & could be firmer in topline. Well bent stifle. Low hocks. In super coat. Ideal tail, **RCC**; 3 Gee's **Watercroft Top Of The Pops.**

Thanks for a lovely entry of some really nice dogs. This was my first judging appointment in GB for Norfolks, which is one of my own three breeds (besides Cockers & Portuguese Waterdogs) & I felt very honoured to judge at this show. There were some lovely dogs, but unfortunately also disappointingly many wrong mouths, poor front movement & big eyes spoiling the keen expression. Yet I was very happy with all my CC & RCC winners, lovely typy Norfolks with lively characters, good movers & correct constructions.

MPD (1) 1 Owen's **Brickin Wild Affair**, strong & masculine dog, lovely coat quality, correct quarters, correct ears, slightly long in back, needs straighter front, suspect bite.

PD (5-1) 1 Jenkins' **Krisma Flashback to Kinsridge**, lovely type, head & expression. Correct ears. Excellent body proportions, moved well; 2 Devereux's **Vichea Storm Trooper**, nice head, good ears, correct overall proportions, needs to balance in front movement, carrying some extra weight; 3 Mounfield's **Arderry Son Of A Gun**; R Simpson's **Megalex Now Or Never**.

JD (2) 1 Atkinson's **Blakens I Look To You**, a lovely young b/t dog to handle, masculine overall, lovely head, harsh cost, very correct construction, correct overall proportions, firm well developed body, good tail, good mover, excellent overall balance. All he needs is some more ring training. **RCC**; 2 Gee's **Watercroft In A Pickle**, nice outline, good head, coat in tip top show condition, good tail, needs to strengthen in backend, carrying a little too much weight.

PGD (3) 1 Thompson-Morgan's **Belleville Roll Call**, not a big do, masculine enough, lovely head, excels in outline & great movement, correctly built all over, harsh coat in tip top condition, good tail; 2 Simpson's **Umbrage Longton Cum Megalex**, nice head shape but rather big eyes, good eye colour, correct ears, easy mover; 3 Atkinson's **Blakens Sugar Candy Dips**.

LD (2) 1 Phillips' **Blakens The Kandy Man Kan**, very typy Norfolk with correct construction & proportions, excels in topline & carriage, light in bone, moves well keeping the correct topline; 2 Green's **Wharfvalley Gold Nugget**, lovely head, correct broad skull, strong muzzle, correct ears, strong bone. Rather long in loin & would like to see a better topline.

OD (3-1) 1 Thompson-Morgan's **Ch Belleville Seduction**, very attractive dog, masculine, nice head, lovely shape of eye with keen expression & dar eye, lovely topline, harsh coat. Excels in movement, so easy mover & yet using his powerful hocks & kept his beautiful topline to perfection. Excellent shape of ribcage, very correctly built all over with excellent quarters & lovely broad upper thigh. Carried himself like a winner. Very clear decisions to award him the **CC** & later a harder decision for **BOB**; 2 Jenkins' **Kinsridge Quids In**, very nice & well built dog, lovely shape of head though a little too big & lightish eye. Excellent strong bone, correct proportions, best of tails, Moved well, happy character. A little short in coat on the day.

MPB (4-2) 1 Devereux's **Vichea Little Gem**, 7 month old little girl, red, very feminine, good forechest for her age, lovely head, excellent stop, well built body & quarters, balanced all over, in puppy coat; 2 Thompson-Morgan's **Belleville Magic Spell**, just 6 months baby, very playful & happy feminine bitch pup, excels in great neckline & outline. Excellent quarters, good mover, enjoying her life, in puppy coat.

PB (7-1) 1 Jenkins's **Kinsridge Top Tip**, nice head, correct body proportions, well developed body for her age, correct spring of rib, good quarters, movement correct for keeping her lovely topline; 2 Simpson's **Megalex Well I Never**, b/t strong bitch, good shape of eye, a little long in muzzle, correct body proportions, lovely harsh coat, good side & rear movement. Strong well developed body for her

Happy little lady; 3 Gardener's **Perrisblu Liberty at Danalas**.

PGB (5) Quality in this class was disappointing. 1 Macartney's **Nordalset Little Bit Of Sun**, b/t, strong bitch, good bone, nice strong head but big eyes, moved OK, harsh coat, carrying too much weight; 2 McPhee's **Foxhouse Flash The Cash**, nice head, correct body proportions & well developed body, nice outline & good tail, carrying too much weight; 3 Green's **Wharfvalley Wild Child**; R Botterill's **Villassa Cherry Pie**; VHC Simpson's **Tegwani Dream On at Megalex**.

LB (2) 1 Hurrions' **Villassa All My Heart**, a very nice eye-catcher when entering the ring, lovely dark eye & shape & keen expression, excels in outline & excellent quarters, good broad upper thighs, moves with pleasing reach & drive, just needs a better tail carriage, pressed hard for the **RCC**; 2 Broom's **Roxway Fable**, correct shape of head nice short body, harsh coat, correct ears, some too short in neck & needs more reach in front step. Correct quarters.

OB (4-1) 1 Thompson-Morgan's **Ch Belleville Just Magic**, wow what a cracker, took the whole ring when entering with her great character & movement. Nice head of correct shape, ears & expression. Perfect outline, feminine moved like a dream really using her short hocks, excellent quarters, correct shape & length of ribcage, good tail. Very clear decision for the **CC** pressing very hard for **BOB**; 2 Phillips, Gullick & Tate's **Ch Jaeva Play The Ace**, strong bitch in tip top coat & show condition, lovely head, correctly carried ears, good bone, upright in shoulders & needs more bend of knee. Two nice champions in the class, rather different in type; 3 Gee's **Watercroft Top Of The Pops**.

PD (4-1) 1 Phillips' **Blakens Pay Back**, 10 months, typy puppy with pleasing outline, unfortunately choked a bit on his tight lead but recovered well and settled down, would have preferred more length to rib cage, but sound in movement both ways and in correct well presented jacket. **BP**; 2 Devereux's **Vichea Storm Trooper**, another 10 months old dog, well constructed on the whole, better in rib length than 1 but not in such good jacket, moved and stood himself well, promising; 3 Phillips & Gullick's **Jiffy Golden Go To Jaeva (Imp)**.

JD (3) 1 Holmes-Chatfield's **Nordalset Guns And Roses**, 13 months, this well made and balanced dog presented in very good order in good correct coat, took this class with ease, happy confident youngster, obviously not yet fully mature, retained his pleasing outline on the move, good well padded feet, **RCC**; 2 Atkinson's **Blakens I Look To You**, 11 months, overall an appealing and promising b&t presented in correct coat, handler fussed with him whilst moving, but not as steady on the move as winner; 3 Lloyd's **Orison Midnight Myth**.

PGD (2) 1 Atkinson's **Blakens Sugar Candy Dips**, two very similar dogs to judge here, but winner more correct in front construction, moving better in front when coming towards me; 2 Sant's **Nordalset Look To The Future**, quite well-balanced overall, preferred the head qualities of winner, moving wide in front.

LD (5) 1 Phillips' **Blakens The Kandy Man Kan**, well put together red dog, pleasing in head and expression, overall typical outline, plenty of substance without being fat, quite good in front construction, went well on correct well-padded feet; 2 Gee's **Watercroft In A Pickle**, I really liked this dog and thought he would be my winner on entering

the ring, typical in outline, a dog with many qualities but as he moved away was disappointed when he did not move as soundly in the rear as 1, felt he might have been better moved at a slightly slower pace; 3 Thompson-Morgan's **Belleville Roll Call**; R Ackling's **Ruby Rueben**; VHC Lloyd's **Orison Thunderstorm**.

OD (3) 1 Green's **Wharfvalley Diamond Star**, now a mature red dog which has taken time to reach his prime, well constructed and balanced all through, typical in outline with pleasing tail carriage, steady mover in both front and rear, in very good jacket, pleased to award his qualifying **CC**; 2 Newton's **Strathinver Smart Enough**, close up in many ways, strong, well made throughout in body, but ear carriage detracted from typical Norfolk expression; 3 Thompson-Morgan's **Ch Belleville Seduction**.

GCD (0)

VB (1) 1 Hess & Higgins' **Kapitada Fireopal At Umbrage**, attractive 8 year old red bitch, alone in this class, in very good nick all through, correct in coat texture, moved soundly both ways, **BV**.

PB (6-1) 1 Stevenson's **Brickin Tidy Affair**, 9 months, alert and responsive puppy, balanced with pleasing head qualities for this stage of development, presented in correct coat, moving well; 2 Saltmarsh's **Pipridges Holly**, 11 months, another balanced red bitch, liked her calm but confident demeanour, quite attractive head but still needs to develop in that area, good body proportions with just the right amount of substance, went well; 3 Philip's **Nordalset Sunny Skies**; R Thompson-Morgan's **Belleville Magic Spell**; VHC Devereux's **Vichea Little Gem**.

red bitch, good head proportions with correct breed expression taking my eye completely as she entered the ring, well put together and in correct jacket, presented a lovely overall picture in both movement and stance, really liked this one for the future and hopefully should do well when they mature; 2 Gee's **Watercroft Dream Topping**, just turned a year old, also liked this darker red bitch, balanced and alert, responsive to handler, head still has a bit more to do yet, but very promising, in good coat and moving well on good correct feet; 3 Campbell's **Nordalset Mad About You**; R Gardener's **Perrisblu Liberty at Danalas**.

PGB (6-3) 1 Macartney's **Nordalset Little Bit Of Sun**, very close decision here between 1 & 2, this b&t bitch just scoring in topline over 2, balanced and strongly made all through, quite pleasing in head proportions, good feet; 2 Green's **Wharfvalley Wild Child**, different in type to winner, smaller and finer all through but with many good qualities, well constructed in body and head, happy demeanour, showing and moving well; 3 Hess & Higgins' **Umbrage The Gloriana**.

LB (3-1) 1 Saltmarsh's **Pipridges Hazel**, quite difficult task to judge these two very different types, winner well constructed, calm but lost none of her ability to show well, had the construction essentials to work well if required, I felt; 2 Gee's **Watercroft Top Tia**, another good bitch here, finer in type throughout but correctly proportioned in body, a pleasing Norfolk.

OB (4-1) 1 Smith's **Javidel Definitely Maybe**, was attracted to this bitch which caught my eye immediately on coming into the ring, b&t, well made in body with substance & good bone, but losing nothing in femininity, showing her many qualities off herself and showed her socks off, liked her very much, most pleased to award **CC & BOB** which I understood to be her 3rd today; 2 Phillips' **Ch Blakens Sugar Candy Kisses**, another very pleasing bitch, red and well constructed all through, but not in such absolutely sparkling form as winner today, **RCC**; 3 Thompson-Morgan's **Ch Belleville Just Magic**.

I really enjoyed the Norfolks & felt that it was a quality entry with keen competition for the high awards in both sexes. There were also several promising youngsters on show. Overall I feel the breed is in good shape.

Thank you to my two super efficient stewards who kept things moving effortlessly.

VD (0)

MPD (1) 1 Thompson-Morgan's **Bellville Scintillation**, such a raw baby at just 6 months old. Handled well on the table with good straight front legs & nice front assembly with elbows well in. Could not get the hang of moving although this was much improved in the challenge when he had others to interest him.

PD (3) Quality class with all three having much to commend them & each one is promising.

1 Jenkins' **Krisma Flashback to Kinsridge**, cracking head on this boy with a lovely skull & the correct head proportions. Lovely mouth. Examined well on the table & on the floor he demonstrated a great outline on the move with decent reach & drive & scored particularly well in rear movement. Front still needs to tighten a little but is a quality boy; 2 Phillips' **Blakens Pay Back**, this one was full of himself. Lovely headed boy & is a lovely type of Norfolk. Good proportions & good straight front. Not quite the reach & drive of the winner which was the deciding factor; 3 Atkinson's **Blakens I Look To You**.

JD (0)

PGD (2) 1 Atkinson's **Blakens Sugar Candy Dips**, my notes said 'good show boy'. Has good animation & moved well. Typical head; 2 Hilditch's **Watercroft Royal Mail**, nice sort, good coated dog. Handled well on the table but was a bit distracted on the floor which made it a little easier for the competition.

LD (3-1) 1 Gee's **Watercroft In A Pickle**, this one caught my eye as soon as he came in. Typy dog, lovely outline, well presented & handled, nice proportions & OK up & back. He is knocking on the door; 2 Jenkins' **Kinsridge Quids In**, close up to winner. Shows well & good in profile movement. Another from this kennel with a decent skull.

OD (3) Lovely class with three decent dogs in it & each had something to commend it.

1 Thompson-Morgan's **Ch Belleville Seduction**, mature boy who is at the top of his game Has plenty of substance but is not in any way heavy or cloddy. Masculine all through, lovely headed boy, great neck & shoulders & lovely angulation in the rear. On the ground he just comes into his own, absolutely super profile movement with great reach & drive & rock solid topline. Has wonderful rear movement. Well presented & well handled as he is a bit of a handful which is typical Norfolk really. Easy to see why he has done so well. **CC**, **BOB** & shortlisted in the group; 2 Phillips' **Blakens The Kandy Man Kan**, very appealing type of Norfolk, ultra short, good head, beautiful coat & really well presented. Great topline. A well deserved **RCC** but just could not match the winner on movement; 3 Newton's **Strathinver Smart Enough**.

VB (1) 1 Atkinson's **Ch Hobsons Choice at Moortop**, remarkably this lady is 12 years old. Great body & condition for her age, lovely coat & still striding out well, A super veteran, **BV**.

MPB (2) 1 Thompson-Morgan's **Belleville Constellation**, real baby, good proportions & a touch steadier which won her the class. Very promising; 2 Newton's **Strathinver Rosegold**, another raw baby. The difference in Norfolk puppies between the age of 6 months & 8-9 months is very noticeable. She has the makings of a good head & a lovely tail set. Needs plenty of time & practice.

PB (4-1) 1 Jenkins' **Kinsridge Tip Top**, excellent type, good proportions & really good rear angulation. Excellent show temperament & just stands right. Has a really good skull but the head is still feminine. I liked her animation & her movement. Good front on her as well. I liked the overall package & seriously considered her for the CC. **RCC & BP**; 2 Gee's **Watercroft Top Tipple**, this kennel is producing a really good type of Norfolk & this one is no exception. Good proportions, nice & short & is sound on the move. Not quite as showy as the winner which was the deciding factor really; 3 Stevenson's **Brickin Tidy Affair**.

JB (2-1) 1 Hurrian's **Villassa Star Turn**, on her own & could have coped with some competition. She presents a lovely picture & is beautifully turned out with a good topline. A touch close behind.

PGB (3-3)

LB (3-1) 1 Gee's **Watercroft Top Tia**, similar in type to the other exhibits from this kennel, beautifully presented, showed well, good outline, OK in head & OK on the move. Will always be there or thereabouts; 2 Broom's **Roxway Fable**, older fashioned type with a hard jacket but of course not the furnishings of some of the others. Certainly looks like she could do a day's work.

OB (3) Quality class & all three were CC quality. 1 Phillips' **Ch Blakens Sugar Candy Kisses**, lovely typy girl who just looks great when posed. Feminine head, good straight front, good topline & lovely tailset. Great jacket which was beautifully presented. A very worthy champion & I was pleased to add to her tally. **CC**; 2 Thompson-Morgan's **Ch Belleville Just Magic**, very similar in overall look & type to the BOB winner with the same lovely profile action which just eats up the ground. Was a little unsettled which gave the winner the edge but is a super Norfolk; 3 Smith's **Javidel Definitely Maybe**.

A wonderful honour to be asked to judge this special show. The entry was magnificent and I would like to thank every one who entered a dog for me to judge. In some of the classes I needed more 1st prize cards as the quality was high and making a decision was very hard.

All the Norfolks that came under me had wonderful temperaments and were happy and beautifully cared for. On the down side I did see a few not so perfect mouths and some that lacked hind angulation and had short upper arms, so movement was affected and not allowing the dog to have reach and drive.

My top winners are proof that the breeder has to put in a lot of work and years of careful breeding to constantly produce stock of such high quality. This does not just happen in a few generations.

I would also like to thank my stewards Geoff Buckley, Peter Baxter and Juliet Knight. And a very big thank you to Gail Simpson our secretary and all the committee members who made this day a roaring success.

GCD (3) 1 Howard's **Hatchwoods Flash Gordon**, 10 yrs. Steady showman with a good textured coat coming through nicely. Good bone, correctly proportioned, and showing really well. Covering ground; 2 West's **Kinsridge Sky Of The West**, showing and moving out well, coat in good order and trim, would have liked a little more angulation; 3 Brown's **Dajeon Dotty's Digger**, just let down today by his coat condition. Nice head, well laid shoulders and good rear, showed his socks off.

VD (4) 1 Rusby's **Harrys A Hero**, Best Veteran Dog, b&t strong masculine gentleman typy head, good bone, covering the ground well on the move; 2 Mitchell's **Richell Contraband JW**, lovely head, short compact body making a very smart picture on the move from the side, not as strong in hind

quarters as 1; 3 Mitchell's **Ch Roxway Direct Line**, lovely head and expression, nice ears and short compact body, again making a pleasing outline round the ring but would like more angulation behind; R Blackman's **Hatchwoods Smoking Gun At Gorsecot**.

SVD (1) Special Vintage Dog. 1 **Hatchwoods Flash Gordon**.

MPD (2) 1 Phillips' **Jaeva Signet Ring NAF**, very stylish puppy, lovely bone, good front and rear angulation, well rounded ribs, in lovely coat and showing great. One to watch; 2 Thompson-Morgan's **Belleville Scintillation**, b&t, very immature at the moment but has all the essentials to get him to the top in time.

PD (6-1) 1 Phillips' **Blakens Pay Back**, Best Puppy Dog. Well grown in super coat beautifully groomed. His head was strong and masculine with neat ears. Well laid shoulders, excellent bone and substance, good spring of rib and well let down hocks. Covering the ground when on the move; 2 Phillips & Gullick's **Jiffy Golden Go To Jaeva NAF**, loved his head and expression. Great coat and good shoulder placement. Not moving as steadily as 1; 3 Jenkins' **Krisma Flashback To Kinsridge**, good bone and in lovely coat. Masculine expression but a little longer in fore face and would like a little more stop. Showing smartly; R Devereux's **Vichea Storm Trooper**; VHC Lang's **Asterus Play Fair'N Smart**.

JD (5-1) 1 Atkinson's **Blakens I Look To You**, soundest mover in the class. A good type with all that is required, very nicely proportioned and in super b&t coat of good texture; 2 Holmes-Chatfield's **Nordalset Guns And Roses**, a very smart young man, shorter and more compact than 1 but not

moving as soundly, in lovely coat and trim; 3 Broom & Davies' **Roxway Quite Enough**, lovely dark red jacket of correct texture. Good head and well placed ears. Short compact body. Not the bone and not moving his best today; R Brown's **Dajejan Dotty's Digger**.

YD (3) 1 Gee's **Watercroft In A Pickle**, lovely type and a steady showman. Good head with correct proportions. Lovely bone and substance. Moved out well keeping a good top line and showing good reach; 2 Atkinson's **Blakens Sugar Candy Dips**, loved his head and expression, neat ears, in great coat and showing well using his strong angulated hind quarters. Just preferred front placement of 1; 3 Achenbach & Barre's **Cantab Mr President**, big strong lad in lovely coat. Not showing himself to best advantage.

SBD (6-1) 1 Mounfield's **Arderry Son Of A Gun**, a clear winner in this class. Lovely type with a good head and a lovely strong masculine expression. Good bone well laid shoulders and well angulated hind quarters. Showing all the time; 2 Waters' **Southpoint Dante's Inferno**, a very smart gentleman in good dark red coat. A lovely head and well placed ears. Short body and well sprung ribs; 3 **Kinsridge Sky Of The West**; R Hilditch's **Watercroft Royal Mail**; VHC Brown's **Dajejan Dotty's Digger**.

UGD (3) 1 Brazier & Smallridge's **A Fistful Of Dollars**, a quality dog moving and showing steadily. Typy head and good bone, strong short body; 2 **Kinsridge Sky Of The West**; 3 Hilditch's **Watercroft Royal Mail**, lots to like, in nice coat and condition but not showing himself to best advantage.

PGD (1) 1 Sant's **Nordalset Look To The Future**, good type, lovely bone, strong hindquarters. Good spring of rib. A little unbalanced on the move.

LD (11-1) 1 Newton's **Strathinver Smart Enough, RCC**, you have to get your hands on this dog to appreciate him. A sound mover when he settles himself down and his handler gets him under control. He is correctly constructed throughout, head, front, rear, just the right amount of bone, lovely short loin and strong hindquarters and a short hock. Great spring of rib. The CC winner just had the edge over him in showmanship and finish; 2 Thompson-Morgan's **Belleville Roll Call**, lovely type head, short muzzle and dark eye. Beautifully presented and showed great. Short back and cobby

body. Moving well but not as well balanced as 1; 3 Ackling's **Ruby Reuben**, this little dog shows himself off all the time. Lovely quality, a little lighter in bone than above but he has all the essentials. In lovely coat and trim; R Philip's **Nordalset Got That Look**; VHC Green's **Wharfvalley Gold Nugget**.

OD (6-1) 1 Thompson-Morgan's **Ch Belleville Seduction, CC, BIS**. The star of the day. What a dog to go over, he has an excellent b&t coat of correct texture. His head is broad and strong, with a good stop and well shaped dark eyes. Strong neck leading into well laid shoulders and well constructed front angulation. Spring ribs and a short loin. Well muscled and angulated hindquarters. Because he is so well constructed he moves with purpose and drive with no effort. He is in excellent condition and finish and shows off his many virtues to advantage; 2 Green's **Wharfvalley Diamond Star**, a close decision. A lovely dog I have admired for sometime. Super head and expression. Good bone, well angulated rear. In super coat and beautifully groomed. I liked everything about him. But today I had to split hairs; 3 Phillips' **Blakens The Kandy Man Kan**, another quality dog making a very impressive trio. Beautifully turned out and showing and moving well. Correctly proportioned with strong well angulated hindquarters, cobby body and nice head and expression. Moving briskly round the ring; 2 Philip's **Nordalset Tell Me U Luv Me at Jaeva**, loved her head and good bone, short cobby body and coat coming through is a lovely dark rich red of correct texture.

MPB (10-2) 1 Stevenson's Brickin Dinner At Midnight, what a lovely baby this is, square and solid, great front and angulated rear, moving steadily and soundly, a very sweet head and expression, loved her spring of rib and short loin. Showed her socks off; 2 Stevenson's **Brickin Full Of Charm**, a very close decision here, both pups are very alike. She had super head proportions maybe better than 1 at the moment but first's steady and balanced movement won the day. I am sure these two will change places many times; 3 Thompson-Morgan's **Belleville Magic Spell**, gorgeous head, great neck and good shoulder placement, strong hindquarters and showing and moving well. All three of these pups must have a bright future; R Devereux's **Vichea Little Gem**; VHC Thompson-Morgan's **Belleville Constellation**.

PB (6-1) 1 Gee's Watercroft Top Tipple, BPIS, she stood out in this class. What a wonderful pup she is. Correctly proportioned head with a wonderful terrier spirit expression. Good stop and neat ears. Well laid back shoulders and good front angulation. Super spring of rib with a short loin, well let down short hocks. She moved soundly with drive. She was beautifully turned out in great condition; 2 Jenkins' **Kinsridge Top Tip**, a quality pup with a pretty head, good shoulder placement and strong angulated hindquarters. In lovely coat and trim, showed steadily showing her lovely compact cobby body; 3 Simpson's **Megalex Well I Never**, a lovely b&t with a super textured coat trimmed to advantage, she has a well proportioned head with a true terrier expression. Good bone and made an attractive picture on the move striding out well; R Philip's **Nordalset Sunny Skies**; VHC Brackner's **Watercroft Top To Toe**.

JB (9-2) 1 Gee's Watercroft Dream Topping, she excelled in her beautiful head and expression, her overall conformation and soundness. Short cobby body, great bone and well angulated front and rear; 2 Campbell's **Nordalset Mad About You**, lovely quality and type, correctly proportioned head with a sweet expression. Good bone and nice spring of rib. Moved out well covering the ground; 3 Claydon's **Brymarden Starshine**, loved her terrier expression and dark red coat. Good bone and cobby body. Not moving as soundly or balanced as those above; R Hurrion's **Villassa Star Turn**; VHC Philip's **Nordalset Truly Madly**.

YB (4-1) 1 Thompson-Morgan's Belleville Summer Crunch, she stood out for me in this class because she was so well constructed. Lovely head with a keen expression and dark eye. Neat ears. Great front, lovely bone. Well laid shoulders and a level topline. Strong angulated hindquarters, moving with style and drive making a very nice outline standing and moving; 2 Hurrion's **Villassa All My Heart**, pressed the winner hard. Pretty head, moved and showed steadily. Nice shoulder placement and good bone. Coat texture not as good as 1; 3 Stevenson's **Brickin Surprise Surprise**, lovely bone and substance and in nice coat. Correctly proportioned head. Not as balanced on the move today.

SBB (5) 1 Nordalset Little Bit Of Sun For Ivrig; 2 Mounfield's **Arderry Shes The One**, lovely typy head and expression, neat ears, in super coat and condition. Good spring of rib but not putting all into showing herself off; 3 New's **Raven Beauty**, very pretty head, good bone, nice spring of rib. Her b&t coat was excellent texture and groomed beautifully. Not moving as soundly as above; R Woolnough's **Jaeva Fine Romance**; VHC Brackner's **Watercroft Top To Toe**.

UGB (4-1) 1 Gardener's Perrisblu Liberty At Danalas, good bone and substance, coming into a lovely dark red coat, showed herself off to advantage; 2 Woolnough's **Jaeva Fine Romance**, cobby little girl moving and showing well, nice bone, coat a little over the top today which spoilt her outline; 3 McGrath-Cole's **Brickin Happy Magic**, a happy b&t girl in nice coat, good spring of rib and good bone enjoying her showing.

PGB (8-2) 1 Green's Wharfvalley Wild Child, excellent all over quality and type. Correct bone and substance. Lovely terrier expression. She had a good

shoulder placement and her rear was strong and sound, she went round the ring with purpose, in lovely coat of good texture; 2 Saltmarsh's **Pipridges Hazel**, different type to first, a size bigger all round with excellent bone, good front placement and strong rear. Very nice head with neat ears, moved soundly both ways; 3 **Nordalset Little Bit Of Sun For Ivrig**; R Bettesworth's **Kapitada Whoops A Daisy**; VHC Howard's **Hatchwoods Last Tango**.

LB (9-1) 1 Gee's **Watercroft Top Tia, CC, RBIS**, she stole my heart! From the tip of her nose to the tip of her correctly carried tail. Everything was right with her. Quality oozed from her, she is put down to the minute and her handler knows how to get the best from her. What a happy little dog she is. A close decision for Best in Show but the male's overall presence got it by a whisker; 2 **Villassa All My Heart**; 3 Bettesworth's **Kapitada Sweetness'N Light**, cobby with great bone and substance. Nicely angulated front and rear. Sweet head and expression, lovely coat, showed steadily and moved soundly; R Stevenson's **Brickin Wild Ivy**; VHC Broom's **Roxway Fable**.

OB (9-2) Well this class was a wonderful class – 6 champions. I really needed more 1st prize cards.
 1 Phillips' **Ch Blakens Sugar Candy Kisses, RCC**, won this class by being the complete picture. Quality, construction and soundness. She is correctly proportioned through out, with a strong body and so well muscled, so she can drive round the ring. Beautifully groomed and showing all the time; 2 Thompson-Morgan's **Ch Belleville Just Magic**, I liked her size and true terrier expression, great coat texture, beautifully conditioned and groomed. Super front and hind quarters, she is short and cobby with great spring of rib. She moved with drive and reach; 3 Smith's **Ch Javidel Definitely Maybe**, very smart b&t in lovely coat, lovely head with correct proportions. Strong neck and well placed shoulders. Nicely sprung ribs and angulated hindquarters, she was balanced and sound on the move; R Hurrion's **Ch Villassa Cherry Ripple**; VHC Gee's **Ch Watercroft Top Of The Pops**.

Class A 6-11 years (2-1)

1 **Sophie Hilditch**, age 7. Nice to see this young handler trying hard and doing all that was asked of her. Good table work showing the teeth well when asked. Work on better lead control when completing patterns. Keep practicing.

Class B 12-16 years (4-1) What a lovely strong class with 3 very accomplished handlers. Particularly nice to see in a breed with very few young handlers. I really had a class to judge and was splitting hairs with my placings.

1 **Harry New**, age 15. Smartly dressed, polite young man. Showing his dog very professionally throughout. Moving at the correct pace and presenting his charge with encouragement to get the very best from his dog. Table and pattern work were all faultless today making an overall winning team, **BJH**.

2 **Isobel West**, age 13. Sympathetic young handler working with her dog all the time to show him off to best advantage. Moved at the correct pace throughout good patterns. Good table work, just work on controlling your dogs head less obtrusively. Keep an eye on proceedings in the ring and what the judge is asking for, however although left behind a couple of times I was impressed that you refrained from rushing to catch up and continued to show your dog at the correct pace. Promising future, keep it up.
 3 **Lydia Smith**, age 14. Another smartly dressed young lady. Showed her charge at the correct pace and demonstrated good table work. Work on making sure your dog is moving in front of the judge when doing pattern work. I would also have liked to see a little more rapport between dog and handler.

PD (5-3) 1 Jenkins' **Krisma Flashback To Kinsridge**, very promising puppy, good head & expression, I like this type & substance, correct length of back, tail on top, enjoyed his day out, moved well; 2 Thompson-Morgan's **Belleville Scintillation**, pleasing head & ears, not the substance of 1, good neck & shoulders. Nice topline, moved OK.

JD (1) 1 Atkinson's **Blakens I Look To You**, very showy dog. Workmanlike solid body, true front, good topline. Would like more drive.

PGD (1) 1 Atkinson's **Blakens Sugar Candy Dips**, nice head & ears, full coat, moved well behind.

Liked him on the move, moved with purpose, **RCC**; 2 Thompson-Morgan's **Belleville Roll Call**, good head & dark eyes, liked his topline, a bit lively today but in good order; 3 Darnell's **Jacquidon Tough As A Nut**.

OD (4) 1 Jenkins' **Ch Kinsridge Cash Back**, I loved this dog's type. Correct proportioned head, strong muzzle, best of toplines, true front & legs, good spring of rib, nice length of back, tail on top, perfect size. In great coat & condition, showing all his virtues & the best of movers. **CC, BOB**; 2 Thompson-Morgan's **Ch Belleville Seduction**, neat head & ears, good neck & topline, liked his general outline, moved OK; 3 Green's **Wharfvalley Diamond Star**.

PB (5-1) 1 Thompson-Morgan's **Belleville Magic Spell**, quality red puppy, grand head & expression, good front & legs. Level topline which she holds on the move, steady showing all the time. Look forward to her future. **BP**; 2 Darnell's **Jacquidon Next Sensation**, well bodied bitch showing all the time, keen expression, will improve with age, harsh coat coming through; 3 Stevenson's **Brickin Dinner At Midnight**;

R Hamar's **Lagdenfarm Pie Crust**.

JB (5-1) 1 Jenkins' **Kinsridge Top Tip**, top quality bitch, I like her type & size. Feminine head of quality, very good shoulder placement, true topline. First class on the move. Showing well, enjoyed her say. **CC**. Well done; 2 Gardener's **Perrisblu Liberty At Danalas**, good head & ears, pleasing front. Very good coat texture. Well built quarters which she used to her advantage, moved & showed well; 3 Gee's **Watercroft Dream Topping**; R Hamar's **Lagdenfarm Quite A Gal**.

PGB (2) 1 Green's **Wharfvalley Wild Child**, nice red bitch, good head & ears, when on the move, tightens up for the good; 2 Botterill's **Villassa Cherry Pie**, carrying a bit too much weight. Very good coat texture, moved OK.

LB (3) 1 Stevenson's **Brickin Wild Ivy**, good head & ear, nice front & topline, ideal size, well built quarters, in good bib & tucker, showing well; 2 Gee's **Watercroft Top Tia**, close up to winner, also good size, nice expression & type, not moving so well today; 3 Darnell's **Watercroft Cherry On Top**.

OB (3-2) 1 Thompson-Morgan's **Ch Belleville Just Magic**, feminine head, good ears & expression. Lovely firm topline, tail on top, good quarters, nice front & movement. Showed well. **RCC**.

DCC & BOB: **Ch Belleville Seduction**
RDCC: **Krisma Flashback to Kinsridge**
BCC: **Kinsridge Top Tip**
RBCC: **Ch Belleville Just Magic**
BP: **Krisma Flashback to Kinsridge**

MPD (1) Phillips & Gullick's **Jiffy Golden Go To Jaeva**, 8 months old red of exciting potential, balanced head, keen eye, excellent bite & dentition, well balanced outline with ample neck, big ribs, optimum bone & excellent angulation front & back. Covers the ground well in profile, goes away true, just needs to tighten a little in front, excellent jacket coming through. Should finish up well.

PD (2) Two super youngsters of obvious champion quality.

1 Jenkins' **Krisma Flashback to Kinsridge**, 11 months red of ideal size & shape, super head & expression, excellent bite, solid body, well boned & in great coat. Sound & steady mover who opens up impressively in profile. Well deserved the **RCC & BP** in hot competition. Should have a great future; 2 Phillips' **Blakens Pay Back**, almost 12 months, chunky red with great attitude. Has a striking outline, solid & so well constructed, nicely balanced head, good bite, not quite as dark & expressive in eye as 1 & he needs to tighten in front.

JD (3) 1 Atkinson's **Blakens I Look To You**, 14 months b&t of excellent type & size, very appealing head & expression, nicely boned & ribbed but could carry a tad more bodyweight to advantage. Correctly textured coat, moved steadily. Good bite; 2 Broom & Davies' **Roxway Quite Enough**, 15 months red, more compact than 1 but not quite his scope on the move. Pleasing expression with good bite but not as strong in foreface as 1. Quality coat well presented, not as positive going away as 1; 3 Atkinson's **Boduf Trailblazer at Manybrook**.

PGD (1) 1 Atkinson's **Blakens Sugar Candy Dips**, yearling red of good basic type but could have a stronger, better balanced head to match his body. In great coat, well boned & ribbed, plenty of daylight underneath him, makes a very pleasing overall picture but tends to chuck his front about coming on.

LD (4) 1 Newton's **Strathinver Smart Enough**, red

who won the class on his excellent overall construction & movement, coupled with very pleasing basic type. He doesn't always use his ears to advantage, so can sometimes look a little open in expression but when he focuses his head & expression please, good bite. Very well boned & bodied & nicely balanced throughout; 2 Gee's **Watercroft In A Pickle**, has more appeal in expression than 1 & his presentation was superb, loved his size & shape, opened up well on the go-around but he could be much firmer in hock. Sturdily made with excellent body & balance; 3 Darnell's **Jacquidon Tough As A Nut**; R Thompson-Morgan's **Belleville Roll Call**.

OD (4) 1 Thompson-Morgan's **Ch Belleville Seduction**, b&t of great quality who fair trucked around the ring like a man on a mission. Well balanced all through & so well knit. Unexaggerated head, good bite. Typical expression, firm well ribbed body, stands well on his legs, in full coat, well presented, really impressive mover. Well deserved the **CC & BOB**; 2 Phillips' **Blakens The Kandy Man Kan**, another high quality dog, this time red, very appealing head & expression, correct bite, chunky solid body but a little stuffer in neck than 1. In great coat well presented & gave a good account of himself going around but is rather untidy coming on; 3 Jenkins' **Ch Kinsridge Cash Back**; R Green's **Ch Wharvalley Diamond Star**.

MPB (4) 1 Darnell's **Jacquidon Next Sensation**, 6 months b&t, feminine head, appealing expression, good bite, solid body but a small compact overall package. Big ribbed, enough bone, promising coat. By far the most composed mover in the class but still needs to tighten in front; 2 Cooper's **Settrenda Sweet N Tiddly**, 6 months red whose head is not exactly classical but she is so well constructed & bodied. Head will have more appeal when she gets more coat & the bite is good. Excellent coat texture, moved soundly when she settled but just needs to

get her act together & concentrate when moving. Still a baby so she has plenty of time; 3 Walshe's **Monalou Bagel at Beritas**; R Newton's **Strathinver Rosegold NAF**.

PB (1) 1 Devereux's **Vichea Little Gem**, 9 months red in excellent coat, feminine head of a good type, enough bone, small but substantial & well balanced – stands well on her legs, goes around with style but could be a little truer up & down which hopefully will improve with age.

JB (5) 1 Jenkins' **Kinsridge Top Tip**, this 13 months red is possibly rather more petite than I normally go for but she has enough bone & the biggest white teeth in a good bite. She is impeccably schooled & a natural posing machine. Feminine head so full of expression, sturdy body, short coupled, well balanced, optimum angles throughout, in great coat & such a sound mover when she decided she wasn't a coiled spring! Impressed me sufficiently to take what was evidently her second **CC**, will make up with ease. Couldn't resist her; 2 Hurrion's **Villassa Star Turn**, almost 18 months this red has lots to like & is of an excellent overall stamp. Charming head & expression, very well balanced outline, coming into good coat of excellent texture, moved around well just not as true coming on as 1; 3 Saltmarsh's **Pipridges Holly**; R McPhee's **Foxhouse Fine Wine**; VHC Gee's **Watercroft Top Tipple**.

PGB (8-2) 1 Green's **Wharfvalley Wild Child**, feminine red, small but substantial, sassy expression, lots of attitude & well balanced all through. Enough coat of excellent texture, well ribbed, firm topline, feminine had with good bite, moved steadily; 2 Saltmarsh's **Pipridges Hazel**, more matronly than 1 & longer cast. What could be termed somewhat 'old fashioned' in head inasmuch as it is correctly balanced without exaggeration or overtyping. Really solid body, great bones & ribs, decent coat. Not moving with the enthusiasm of 1; 3 Bettsworth's **Kapitada Whoops A Daisy**; R Macartney's **Nordalset Little Bit Of Sun For Ivrig**; VHC Glynn's **Brenin Vital Spirit at Kenberlynn**.

LB (2) 1 Gee's **Watercroft Top Tia**, cobby red, all of a piece & in great jacket. Very pleasing expression, good bite, compact body, big ribbed & well boned, opens up well in profile, goes away true but could be cleaner coming in. Loved her attitude & her tailset & carriage; 2 Broom's **Roxway Fable**, feminine red, shapely body if good basic type but

not quite the expression & foreface of 1 & moving she is rather restricted in profile, not having the open side gait of 1. In good enough coat.

OB (3) 1 Thompson-Morgan's **Ch Belleville Just Magic**, gassy little red full of attitude & she moves around with great scope. Feminine head, excellent bite, ample bone & rib, well set & carried tail. Couldn't get past the lovely head & expression of the junior bitch but well deserved the **RCC**; 2 Phillips' **Ch Blakens Sugar Candy Kisses**, cobby red possibly a little stronger headed but I would like a little more behind the tail. Very much all of a piece, stands so well on her legs, fabulous coat & presentation & another well set & carried tail, not quite the scope of 1 on the go around; 3 Smith's **Ch Javidel Definitely Maybe**.

Christmas Open Show

6th December 2014

Judge: Mr Julien Barney (*Romaunt*)

BD: **Javidel May Just Have Too**
 RBD: **Blakens Pay Back**
 BB & BIS: **Kinsridge Top Tip**
 RBB & BV: **Ch Hobsons Choice at Moortop**
 BP: **Krisma Nip In The Air**

Many thanks to the committee for asking me to judge at their Christmas open show. A lovely atmosphere around the ring with all enjoying the Christmas cheer. First time at this very good hall, lots of light, plenty of room for a good size ring, exhibits cage, tables etc, and a really good club stand selling everything Norfolk related. The catering was excellent and congratulations to all involved. Thanks to the exhibits for giving me such a good entry just shy of 60 and the absence rate was low as well. All decisions were taken in a sporting manner which was very much appreciated.

MPD (2) 1 Jenkins' **Kinsridge Back Chat**, in super coat with a good colour to it. Good head and expression, well balanced boy, just a little maturer at the point and a more balanced picture; 2 Phillips' **Curry Favour to Jaeva NAF**, not quite in the coat of 1, good make and shape and nice size. Moved well.

PD (1) 1 Phillips & Gullick's **Jiffy Golden Go To Jaeva**, a super puppy from this kennel, full of attitude. Good head and expression with nice little ear. Good bone and feet, into a good straight front. Cobby body with a strong topline into a well set tail, **BPD, RBPIS**.

JD (4) 1 Phillips' **Blakens Pay Back**, a lot to like about this dog, good overall balance, well made forehand and straight front into good feet. Nice short back with a good driving movement behind. Level topline, in a good full coat, good attitude on the move and showed himself well, **RBD**; 2 Jenkins' **Krisma Flashback to Kinsridge**, a nice dog with a good head and expression. Good front construction, good topline with a well set tail. In good full coat and condition. Not as clean in the shoulder as 1; 3 Lloyd's **Orison Midnight Myth**, R Brown's **Dajeon Dotty's Digger**

ND (2) 1 Brown's **Dajeon Dotty's Digger**, won on movement and coat and condition. Well made rear construction with something behind the tail; 2 Hilditch's **Watercroft Royal Mail**, didn't move as well, just not as settled and played handler up too much. Coat needs some work on it as well.
