**MPD (2)** 1 Gee's **Watercroft Coin A Phrase**, very promising b/t with excellent bone & substance for his age. Good size, compact appearance, pleasing head, eye & expression, best of hindquarters with a pleasing bend of stifle. Very sound on the move; 2 Broom's **Roxway Book Seller**, balanced young man, good head shape & has a pleasing front assembly. Well sprung ribs, level topline that he keeps on the move, good tail shape, moved out well once he got into his stride.

**PD (3)** 1 Jenkins' **Kinsridge Back Chat**, cracking puppy out of the top draw who I am sure is destined for top honours. Very balanced throughout, good size, best of heads with a keen eye & expression. Pleasing reach of neck set in well placed shoulders, short compact body, best of quarters, well let down hocks, soundest of movers with excellent reach & drive, harsh coat & presented to perfection, **BP**; 2 Atkinson's **Moortop Marks Delivery**, very typical throughout but not as forward as the winner on the day. Balanced head with a good eye shape & pleasing expression. Stands on the best of legs & feet, good spring of rib, moved well; 3 Atkinson's **Moortop Jack The Lad at Manybrook**.

**JD (3-1)** 1 Thompson-Morgan's **Belleville Scintillation**, very smart b/t, small & compact with very a typical appearance throughout. Good head & eye, neat ears, strong neck set, in well placed shoulders. Short cobby body, nicely angulated hindquarters, pleasing tailset & carriage, moved soundly; 2 Phillips' **Blakens Pay Back**, very typy, excellent bone & substance & soundly constructed throughout. Pleasing head shape of correct proportions, dark eye & alert expression. Good straight front, well sprung ribs, best of quarters, good harsh coat, sound mover.

**ND (2)** 1 Mounfield's **Arderry Son Of A Gun**, pleasing sort, good size & presents a balanced outlook. Well proportioned throughout, good head & eye, firm level topline that he keeps on the move,

well rounded hindquarters, moved well; 2 Hilditch's **Watercroft Royal Mail**, compact appearance, balanced head with a keen & alert expression. Good depth throughout, big ribs, strong quarters. Very well handled by his young owner.

**PGD (3)** 1 Atkinson's **Blakens I Look To You**, b/t of excellent bone & substance throughout. Compact appearance & a very typical outlook. Best of heads with good strength of muzzle, well placed shoulders, strong neck, well sprung ribs, best of hindquarters, positive mover; 2 Broom & Davies' **Roxway Quite Enough**, good size of dog, small but with great strength & a solid body. Pleasing head shape, best of legs & feet, short backed, cobby appearance, pleasing width of quarters, sound but just lost his topline on the move today; 3 Atkinson's **Boduf Trailblazer at Manybrook**.

**LD (2-1)** 1 Gee's **Watercroft In A Pickle**, my star of the day, dog with character & spirit in abundance. Has all the essentials, small & compact with excellent bone & substance throughout. So typical in head, well balanced, correct oval shaped eye, that was lacking in many & an alert & intelligent expression. Best of front assemblies, cobby body with good depth throughout, well angulated hindquarters, in excellent coat, soundest of movers with great reach & drive. **BD, BIS**.

**OD (4-2)** Two top class dogs that were a pleasure to judge.

1 Newton's **Strathinver Smart Enough**, such a sound honest dog, good size & is very well made throughout. Best of heads, good eye shape & a very typical expression. Neat well set ears, strong muscular neck set in well placed shoulders. Strong compact body, well muscled hindquarters, good bend of stifle, moved soundly. **RBD**; 2 Jenkins' **Ch Kinsridge Cash Back**, a lot of dog in a small compact package. Excellent bone & substance combined with great strength & a very balanced outlook. Pleasing head, eye & expression. Best of legs

& feet, big ribs, powerful quarters that he uses to advantage on the move, sound throughout.

**VD (0)**

**MPB (4-1)** 1 Lloyd's **Orison Midnight Dreamer**, very much a baby but a lovely shape & has the required bone & substance to complete the picture. Feminine head with a good dark eye & the keenest of expressions. Well sprung ribs for her age, nicely rounded quarters, moved out well with a very positive attitude, BPB; 2 Broom & Davies' **Roxway On Demand**, compact bitch with a very typical appearance. Pleasing head shape, best of fronts, good depth throughout, level topline, correct tailset & carriage. In good coat, moved well, just preferred the expression of the winner; 3 Mounfield's **Gravetye Spice Up Your Life**.

**PB (6)** 1 Thompson-Morgan's **Allright Black Bess**, small cobby bitch of excellent make & shape throughout. Correctly proportioned head with good strength of muzzle & a pleasing eye & expression. Low to the ground with well sprung ribs & the best of hindquarters. Sound mover with good reach & drive. Although a little between coats could not be denied her place; 2 Atkinson's **Moortop Just The One**, very promising young lady of good size. Lovely bone & substance for her age. Balanced head with a good dark eye. Pleasing front, good legs & feet, firm topline, good tailset, well let down hocks. Moved well but not quite the verve of the winner on the day; 3 Hurrion's **Villassa Ripple By Design**; R Gee's **Watercroft Mixed Fortunes**; 5 Phillips' **Jaeva Hells Fire**.

**JB (7-3)** 1 Thompson-Morgan's **Belleville Magic Spirit**, another very typical one from this kennel, beautifully balanced, small & compact & very well made throughout. Good head & expression, strong neck, excellent layback of shoulder, short backed & well rounded quarters. Once she settled a very sound & positive mover; 2 Darnell's **Jacquidon Next Sensation**, pleasing eye & nicely balanced throughout with good bone & substance. Typical in head & eye, straight front, good spring of rib, firm quarters, good tailset & carriage, moved soundly; 3 Walshe's **Monalou Bagel at Bertias**; R Batey & Gee's **Watercroft Confetti**.

**NB (2-1)** 1 Mounfield's **Arderry She's The One**, alone but a worthy winner. Very well made with a pleasing outlook. Balanced head, good strength of

muzzle, lovely dark eye & that keen & intelligent expression the standard asks for. Well sprung ribs, good width of hindquarters, sound on the move.

**PGB (4-4)**

**LB (3-1)** 1 Gee's **Watercroft Top Tiddle**, quality bitch, good size, cobby appearance with excellent bone & substance. Best of heads, feminine, but has the required strength, lovely dark eye & alert expression. Straight front standing on good legs & feet, short backed, good bend of stifle, harsh coat. Moved well but lacked a little enthusiasm on the day; 2 Broom's **Roxway Fable**, very typical throughout, pleasing make & shape with a very feminine outlook but has the required body & substance. Typy head, well set ears, strong neck, big ribs, pleasing topline & tailset, sound mover.

**OB (1)** 1 Thompson-Morgan's **Belleville Summer Crunch**, quality young bitch who very much typifies the standard, small, low, compact & strong. Best of heads with that lovely oval shaped eye of good colour & the best of expressions. Very well made front assembly, good legs & feet, cobby body with well sprung ribs, strong well muscled quarters that she uses to advantage on the move. So sound with excellent reach & drive, **BB, RBIS**.

**VB (3-1)** 1 Hurrion's **Ch Valentines Cherry Crumble**, lovely type & a pleasure to go over. Good size, excellent bone & substance throughout & a very compact appearance. Strong neck set in well placed shoulders, short backed, firm hindquarters, harsh coat, moved out well with a very positive attitude, **RBB, BV**; 2 Atkinson's **Ch Hobson's Choice at Moortop**, belies her 12 years. Small & compact with the best of heads & still has the keenest of expressions. Stands on lovely legs & feet, good depth throughout, well sprung ribs, level topline that she keeps on the move, pleasing tailset, very sound on the move.

BCC & BOB: **Kinsridge Top Tip**  
RBCC: **Belleville Summer Crunch**  
BP & PG3: **Kinsridge Back Chat**

Many thanks to all for a lovely day at the National Terrier judging some really good Norfolks. I was delighted with the overall quality & most impressed – as always – with the delightful temperaments displayed by these little dogs. Most dogs were presented in good order & it was a pleasure to judge them with a friendly atmosphere around the ring. Fronts & shoulders were overall good, but heads vary from being too toyish to long & narrow in foreface with heavy ears to what is required.

**MPD (2)** 1 Gee's **Watercroft Coin A Phrase**, showy b/t puppy of excellent type, typical head, good dark eye of excellent shape, very sound front & rear, short back, ears still need to settle moved well & he was well presented; 2 Lloyd's **Orison Custom Made**, strong, sturdy puppy with good bone, very hard coat, too long in body & rather narrow in foreface. Needs to be shorter & more compact overall. Very full of himself in the ring but settled to move OK.

**PD (3)** 1 Jenkins' **Kinsridge Back Chat**, top quality puppy of really lovely type, good head & expression, excellent neck & shoulders, good legs & feet, short level back, presented in lovely coat & condition, gassy showman who will no doubt trouble the best. **BP** & overall puppy winner. Congratulations; 2 Atkinson's **Moortop Marks Delivery**, another very good puppy with really lovely head & expression, perfect ears, good eyes, short back, very good coat & rear & he showed sensibly, I liked him a lot, just preferred the extra good neck & shoulders of the eventual winner; 3 Atkinson's **Moortop Jack The Lad at Manybrook**.

**JD (5-3)** 1 Phillips' **Blakens Pay Back**, top quality youngster of the type & style I was looking for, lovely head & expression, good legs & feet, excellent body & topline, sound rear, coat presented in wonderful condition trimmed by an expert. Moved & showed really well demonstrating true terrier spirit. A really lovely dog whom it gave me great pleasure to award

the CC; 2 Thompson-Morgan's **Belleville Scintillation**, well constructed young dog with very good coat, really excellent front, neck & shoulders, good rear, a little narrow in foreface & not the head of the winner, rather hesitant on the move here.

**ND (0)**

**PGD (1-1)**

**LD (5-1)** Excellent class so no easy decisions. 1 Gee's **Watercroft In A Pickle**, short backed very typy dog with excellent head, ears, eyes & expression, very good body & coat, moves & shows with great determination, perhaps a fraction short in neck, but a very good dog overall; 2 Jenkins' **Krisma Flashback to Kinsridge**, another good dog with better neck & shoulders than the winner but larger in eyes & ears than the winner, good body, coat, rear & presentation, happy showman moving well; 3 Atkinson's **Blakens I Look To You**; R Darnell's **Jacquidon Tough As A Nut**.

**OD (4-1)** 1 Thompson-Morgan's **Ch Belleville Seduction**, sizable masculine dog in lovely coat & condition, soundest of fronts & rear, good body, excellent tight-fitting coat, easy fluid mover, head & ears not so pleasing which let him down in the challenge; 2 Phillips' **Ch Blakens The Kandy Man Kan**, very good body, excellent type & size, lovely coat & condition, good bone, typical head & expression, not the front or ease of movement of the winner in this class, but a difficult decision between these two dogs representing different types & constructional virtues; 3 Lloyd's **Orison Midnight Myth**.

**MPB (4-1)** 1 Hitchen's **Kinsridge Lil Black Number**, b/t baby puppy showing her socks off, very short backed with lovely outline & delightful temperament & excellent quarters, sound front, would have liked more bone & a harder coat; 2 Davies & Dixon's **Perrisblu Priscilla**, very hard coated feminine bitch

showing well, but she needs to knit together in body & she looks long today, rather plain in head & too large in eye, fair bone, excellent temperament; 3 Lloyd's **Orison Calm Attitude**.

**PB** (2-1) 1 Atkinson's **Moortop Just The One**, short backed showy bitch of good type with excellent coat texture, sound rear, rather fine in head which needs a lot of time to develop, happy outgoing temperament, shows well using her quarters to advantage on the move but she is rather wide in front at this stage, time will be her best friend.

**JB** (9-3) 1 Darnell's **Jacquidon Next Sensation**, sturdy b/t bitch who must not gain more weight, very good overall proportions, short level back, good spring of ribs, typical head with very good dark eye & ears, hard coat in good order, moved well; 2 Thompson-Morgan's **Belleville Magic Spell**, feminine very showy red bitch with good outline, excellent body & coat, good mover, fine in bone & head a little too toyish, well presented; 3 Thompson-Morgan's **Allright Black Bess**; R Cooper's **Settrenda Sweet'N Tiddly**; VHC Walshe's **Monalou Bagel at Beritas**.

**NB** (2-1) 1 Saltmarsh's **Pipridges Holly**, very typical well made sturdy bitch in good coat, excellent body properties, good bone, front & rear, good ears, OK in eye, muzzle could be stronger, sound mover but could do with more enthusiasm & assertiveness on the move.

**PGB** (3-2) 1 Gardener's **Perrisblu Liberty at Danalas**, big bitch with sound front & rear, excellent coat, good ribcage, sound mover, head needs more quality & I would have liked her shorter in back, good temperament.

**LB** (6-2) 1 Thompson-Morgan's **Belleville Summer Crunch**, lovely little bitch of beautiful type & overall make & shape, short back, good neck & shoulders, sound front & rear, very good coat, attractive, very typical feminine head with good eyes & ears, gassy mover & she never stopped showing, liked her a lot. **RCC**; 2 Gee's **Watercroft Top Tipple**, beautifully presented feminine bitch in lovely coat & condition, pretty head & expression, good body & front, could do with a little more length of leg for perfection of overall balance, steady showgirl; 3 Saltmarsh's **Pipridges Hazel**; R Glynn's **Brenin Vital Spirit at Kenberlynn**.

**OB** (2-1) 1 Jenkins' **Kinsridge Top Tip**, alone in this class but well worth waiting for, A really lovely bitch of outstanding type & quality, lovely head with good eyes & ears & true terrier expression excellent front, neck & shoulders short back, good coat in first-class condition, sound quarters, propelled herself around the ring with great self-assurance. A really lovely bitch who could not be denied CC & BOB. Delighted to see her put on a splendid performance in the group ring where she was shortlisted among some of the country's top terriers.

DCC & BOB: **Blakens Pay Back**  
RDCC: **Krisma Flashback to Kinsridge**  
BCC: **Ch Kinsridge Top Tip**  
RBCC: **Watercroft Top Tia**  
BP: **Kinsridge Back Chat**

My thanks to the society for inviting me to judge, to my two efficient stewards & finally to the exhibitors for their pleasing entry. There seems to be a much stronger quality in the males compared to the females. I still found a number of 'toyish' ones who lacked bone & substance, also quite a few round bold eyes. On the positive side movement in most is undoubtedly sound, coats are of good quality & presentation in general was very good. When I first awarded CCs in this breed I awarded Ch Kinsridge Cash Back a CC, I was pleased to see he is the sire of the DCC, RCC and BP, a good dog breeds on!

**PD (5)** 1 Jenkins' **Kinsridge Back Chat**, red mature & smart youngster with lots of promise, I liked his head having a good width to the skull, well placed ears, correct proportion, defined stop & correct eye. Good neck, nice shoulder angulation with a straight front & good feet. Short backed, good spring of rib, tail set on well & nice angulation. Sound gassy mover, in a quality coat & well presented, **BP**; 2 Atkinson's **Moortop Mark Delivery**, not quite the head of 1 & his eye a little round in shape. Nice front, forechest & well sprung body. Good turn of stifle, strongly made behind which showed in his sound movement, tail set on well. In good coat & condition; 3 Gee's **Watercroft Coin A Phrase**; R Lloyd's **Orison Custom Cut**; VHC Macbean's **Pyrrovale Typin**.

**JD (3)**. 1 Phillips' **Blakens Pay Back**, I just loved this youngster, so mature, balanced & finished. Has the type of head I like, good width of skull, well placed ears, good stop, correct eye & expression. Good length of neck, clean well angulated shoulders, straight front with lovely feet & a good forechest. Cobby body with a good spring of rib, low to ground, level topline & tail set on well. Strong behind, good turn of stifle, moved soundly with plenty of drive, showed non stop, in good coat & preparation first class. Couldn't deny him the **CC**, his second & I'm sure his third won't be long in coming. Well handled to win the **BOB**; 2 Thomp-

son-Morgan's **Belleville Scintillation**, unfortunate for this black & tan to meet the winner. He has a very nice head, well placed ears, good eye, I would have liked a little more fullness to his muzzle. Good in neck & shoulders, very straight front with good bone. Another one with a cobby body, good spring of rib, low to ground & level topline. Correct turn of stifle, good width behind & correct tailset. Very sound mover, in pleasing coat & nicely presented; 3 Devereux's **Vichea Storm Trooper**.

**PGD (1-1)**

**LD (5)** 1 Jenkins' **Krisma Flashback to Kinsridge**, this red was close up to the CC winner, he too has a nice head. Masculine outlook, well filled muzzle, well placed ears & correct eye. Good reach of neck, clean shoulders, lovely straight front & nice bone. Nicely balanced outline, liked his body shape, low to ground with a good spring of rib. Nice turn of stifle & good width to his hindquarters, tail set on well. Moved with drive & purpose, another from this kennel in good coat & condition, showed confidently. **RCC**; 2 Gee's **Watercroft In A Pickle**, this red dog is very pleasing all through, nice head but would just prefer more strength to his muzzle. Good neck & shoulders, straight in front, balanced body with a nice spring of rib. Well made & strong hindquarters which he knows how to use, good tailset. In nice coat, condition & presentation; 3 Darnell's **Jacquidon Tough As A Nut**; R Atkinson's **Blakens I Look To You**; VHC Lloyd's **Orison Midnight Myth**.

**OD (3)** 1 Thompson-Morgan's **Belleville Seduction**, well known black and tan male, smartly made throughout. He has a pleasing head but not quite the expression I would have liked. Good neck & shoulders with a straight front. Well made body, short enough & ribs well sprung. Strong hindquarters which gives him that effortless sound movement. In a good quality coat & showed well; 2 Phillips' **Ch Blakens The Kandy Man Kan**, this red was close up to 1. Liked

his head better. Just lacking a bit of neck for a better balance, good clean shoulders & straight front. Cobby body type, low to ground & nicely made hindquarters. Level topline, good & in lovely coat; 3 Newton's **Strathinver Smart Enough**.

**PB (7-2)** 1 Hitchen's **Kinsridge Little Black Number for Kreatin**, b/t, quite a confident youngster. Pleasing head type, nicely placed ears, dark eyes & correct proportions. She has enough neck, could have better shoulder angulation. Straight front but not settled when moving towards me. Cobby body type, well made hindquarters & good tail set. In good coat & condition, moved well behind & showed well; 2 Atkinson's **Moortop Just The One**, red who needs more strength to her head, well placed ears but eye a little round for me. Nice neck & shoulders, front straight & a pleasing body. Strong hindquarters & sound mover, in lovely coat & condition; 3 Owen's **Brickin Happy Dance**; R Lloyd's **Orison Calm Attitude**; VHC Stevenson's **Brickin Just For You**.

**JB (7-3)** 1 Darnell's **Jacquidon Sensation**, nicely balanced b/t of a good size. Pleasing in head with well placed ears, nice dark eyes & some strength of muzzle. Good length of neck, clean angulated shoulders & straight front. Well ribbed cobby body, well muscled hindquarters & correct tailset. In a nice coat & condition, moved with purpose around the ring, a useful girl; 2 Devereux's **Vichea Little Gem**, younger girl with a pretty head, well defined stop, nice eye & good width of muzzle. Good neck & nice layback of shoulder, straight in front. Nicely balanced body, low to ground with strong hindquarters. In good coat, did disappoint me in front movement, but moved well behind; 3 Thompson-Morgan's **All-right Black Bess** (Imp Deu) NAF TAF; R Lloyd's **Orison Midnight Stroll**.

**PGB (2)** 1 Cooper's **Settrenda Sweet N Tiddly**, pretty girl of a nice size, liked her head. Good width of skull, well placed ears & nice dark eye. Good neck & straight front. Short cobby body & strongly made behind. Coat okay but would benefit from more attention. Moved & showed well enough to win this class; 2 Gardener's **Perrisblu Liberty at Danalas**, not quite the head of 1, being a little bolder in eye. Good neck, shoulders & front. Slightly longer cast in body than the winner. She has good strong hindquarters which she used well. In a good quality coat & showed well.

**LB (6-4)** 1 Gee's **Watercroft Top Tipple**, nice head with a good width of skull, well placed ears & nice eye, pleasing expression. Good length of neck & well angulated shoulders. Straight front, short backed with a good spring of rib, low to ground. Good turn of stifle, short hock & nice width behind. In good coat & condition, moving & showing very well; 2 Thompson-Morgan's **Belleville Summer Crunch**, close decision between these two girls. She too has a very nice head, good width of skull & well defined stop. Good neck, clean through her shoulders with a straight front. Well ribbed body, nicely balanced shape. Nice tight harsh coat, moved well behind but not so positive in front today. I am sure these girls will change places often.

**OB (3-1)** 1 Jenkins' **Ch Kinsridge Top Tip**, what a star, couldn't stop looking at her when she first came into the ring. Beautifully balanced shape, level topline & tail well set on. Lovely head with good width in skull, ears well set, nice oval dark eye, definite stop with a well filled muzzle. Good neck that blends well into her topline, correct in shoulder with a straight front. Low to ground, short backed cobby body & best of hindquarters, moving so soundly both ways. In wonderful coat & condition, a showy madam, no hesitation in awarding her the **CC**; 2 Gee's **Watercroft Top Tia**, nice type of head, good width of skull & well placed ears. Good dark eye & stop. Nice neck & shoulder, good front. Short cobby body, very nice hindquarters with short hocks. Correct tailset, nice tight harsh coat & moved well both ways, won the **RCC** on maturity.

RDCC: **Watercroft In A Pickle**  
BCC & BOB: **Ch Kinsridge Top Tip**  
RBCC: **Watercroft Top Tipple**  
BP PG2: **Kinsridge Back Chat**

The Norfolk entry sadly is never as good north of the border but I was very pleased with today's being one more than last year thus being a positive sign. My entry today was most certainly the cream of the breed being shown at the moment, many decisions being very close, the breed is in good form with very few bad mouths & the overall size is correct, the smallest of the terrier group. Thank you for bringing some exceptional dogs for me to judge.

**PD (3)** 1 Jenkins' **Kinsridge Back Chat**, lovely short back, very cobby, good bone, great head, neck & shoulders. Good tailset, really sound mover. **BP**; 2 Atkinson's **Moortop Marks Delivery**, another nice type, in good coat, nice head & ears, short back & good mover; 3 Gee's **Watercroft Coin A Phrase**.

**JD (1)** 1 Phillips & Gullick's **Jiffy Golden Go to Jaeva**, very nice young dog stood alone but well deserved the **CC**. He has a lovely head, correct bite, well laid shoulders, good topline, in an ideal world would like a straighter tail, good rear end & he moves so well around the ring. A very nice dog!

**LD (4)** 1 Jenkins' **Krisma Flashback to Kinsridge**, another really good type, this kennel certainly stamps the type, he won the class easily with his very good front assembly, lovely body, shown in good coat & condition, missed his handler in the challenge; 2 Phillip's **Blakens Pay Back**, another quality dog, shown in good coat & condition, just not the front of winner; 3 Atkinson's **Blakens I Look To You**; R Riley's **Millstrand Cut The Mustard**.

**OD (1)** 1 Gee's **Watercroft In A Pickle**, lovely type, good head with small dark eye, good neck & shoulders, good front, shown in good coat. He moved really well & deserved the **RCC**.

**VD (0)**

**PB (3-1)** 1 Gullick & Tate's **Jaeva Hells Fire**, what a promising puppy, she only needs to mature to beat the best. She has a wonderful head & eye, neat ears, good neck, level topline & she moves around the ring so very well; 2 Atkinson's **Moortop Just The One**, unlucky to meet winner in such form. She is a very promising puppy, nice head & expression, good body, moves well.

**JB (2-2)**

**LB (2-1)** 1 Gee's **Watercroft Top Tipple**, lovely bitch, short coupled, good head, nice eye, level topline, well muscled hindquarters, moved very well. **RCC**.

**OB (3)** 1 Jenkins' **Ch Kinsridge Top Tip**, what can you say about this well known bitch, she fits the Standard so well! She is the ultimate show dog & for a Norfolk quite amazing as she shows so very well, she is as one with her handler, one of the best Norfolks I have judged. She has a textbook head & expression, neat ears, she has that lovely slight arch to her neck, so short in body, good muscled rear & she moves around the ring as if she owns it, I was so pleased to award her the **CC & BOB**, it cannot be long before she breaks into that top four in the group; 2 Gee's **Watercroft Top Tia**, another very nice one, unfortunate to meet the winner on such form Not disgraced though as she has a very typical head & expression, good body, well muscled rear, shows & moves well; 3 Green's **Wharfvalley Wild Child**.

**OB (4-1)** 1 Green's **Wharfvalley Wild Child**, super little bitch, perfect size & oozing type. All in proportion, nothing exaggerated. So sound on the move. Pretty head. Would like a slightly stronger muzzle. **RBB**; 2 Hurrion's **Villassa Star Turn**, different type to 1 & was moving a little wide today. Well handled & presented; 3 Gee's **Watercroft Top Tipple**.

It was a delight to be back in the ring with one of my favourite breeds & I appreciated the good sized entry. I always enjoy the battle between handlers & their charges as they must be amongst the most self willed of all the breeds I judge & their antics can cause me to smile. The highlight of the day was when the lovely BOB winner went on to win the group. Wonderful!

**PD (6-2)** 1 Atkinson's **Moortop Marks Delivery**, he simply dominated the class from the second he entered the ring. So compact, well weighted boned, big ribcage, short loin, ample neck & the harshest of jackets which is so dense & tight fitting. His head is balanced, good width, deep stop & that strength in foreface. His eyes almost twinkled with his mischief but he showed his heart out & moved out in a beautifully controlled & purposeful style. Must have a bright future; 2 Gee's **Watercroft Coin A Phrase**, this b/t was not so advanced nor as settled on the move as the winner. He is short backed, level backline, well muscled hindquarters with a decent width in thigh & strong hocks. Not so finished in head as Marks, still needing to fill out in muzzle & he was reluctant to lift his ears as effectively. Well coated & once he got going he was quite sound; 3 Lloyd's **Orison Custom Cut**; R Broom's **Roxway Book Seller**.

**JD (2-1)** 1 Jenkins' **Kinsridge Back Chat**, a bit of a handful on the move, but this handsome headed all male youngster could not hide his charms. For breed type he is so good, strong but quality doggy head, super eyes & ears, enough neck, so well ribbed & fairly compact body. In super jacket he is eye-catching when at attention. Just needs to show a little more restraint on the move.

**PGD (4-1)** 1 Atkinson's **Blakens I Look To You**, my first impression of this b/t was that he was lovely for type with an especially appealing expression. I liked his size, good width behind the withers, nice forechest & such a firm level back. He is compact, has well muscled hams & such a harsh, thick coat.

Excellent tailset & carriage & he is a confident purposeful mover; 2 Broom & Davies' **Roxway Quite Enough**, I appreciated for his size, strong bone, excellent ribbing & well presented coat. Nice head, eye a good shape but a little full for me, very good ears & correct mouth. I also feel that he could have a little more width in thigh & more let down in hock but in fairness to him it did not stop him from striding around the ring with a confident air; 3 Brown's **Dajeon Dotty's Digger**.

**LD (4)** 1 Phillips' **Blakens Pay Back**, such a classy looking dog which really appealed from the outset. He has style, shape, is beautifully headed, so well ribbed & short in loin giving him that compact, sturdy & powerful look in a neat package. His head is a delight, doggy but full of quality aided by that super eye shape & colour & he is so responsive to his handler that his attention never wavers. Great power on the move, impeccable in coat presentation & I was thrilled to learn that this win gives him his title. Congratulations, **CC**; 2 Jenkins' **Krisma Flashback to Kinsridge**, another excellent example of the breed & surely heading for the upper house. He is so good to go over, delightful headpiece, strong muzzle, super expression & good strength in neck. He is well bodied & muscled & side on he can motor. In what was almost a dead heat finish, I felt that Pay Back was that fraction truer in front action on the day, **RCC**; 3 Darnell's **Jacquidon Tough As A Nut**; R Ackling's **Ruby Rueben**.

**OD (2)** 1 Gee's **Watercroft In A Pickle**, stunning in coat & presentation & he is so firm & well muscled in body. Bags of style & swank & he is so responsive to his owner, showing non-stop. Nice head, very good neck & head carriage, firm back & enough let down in hock. He added to the appeal of the challenge but I felt he was not quite as positive in front action as the two I put over him; 2 Lloyd's **Orison Midnight Myth**, smaller & finer all through for my taste. Pleasing head, very good eyes & ears, could have heavier bone to aid his cause & he is a

little longer in loin than the one I put over him. Lovely temperament & he went around the ring so happily.

**VD/B (2-1)** 1 Howard's **Hatchwoods Flamenco**, 7 years old bitch who was very much out of coat which drew attention to her somewhat generous width in front! Sweet temperament, pretty head with such a feminine air, carrying a little too much body-weight which was reflected in her action. But she was happy!

**GCD/B (2)** 1 Howard's **Hatchwoods Flamenco**; 2 Brown's **Dajeon Dotty's Digger**, what an engaging little person this was. Regrettably too long in leg for me & that was exaggerated by his being so short of jacket making me think Summer really was here. He has lovely eyes, a super nature & he just oozes self confidence on the move.

**PB (8-2)** 1 Gullick & Tate's **Jaeva Hells Fire**, what a gorgeous baby this is. Head already well developed, so correctly proportioned, lovely skull width, gorgeous eyes & ears & that expression will win many admirers. Robust in body, excellent coat which is so dense & fitting, neck & outline is so what is aimed for & she strutted her way around the ring with much drive & a hint of arrogance & superiority. What a prospect, **RCC, BP**; 2 Dixon & Davies' **Perrisblu Priscilla**, ordinarily a bitch of this stamp would be a shoe in winner in a PB class, but she was unlucky to meet a rising star so early in her career. Lots to like, lovely size, strongly made throughout but undeniably feminine in outlook. Immaculate in jacket & she never gave her handler a moments trouble. She moves around the ring with such precision & her head carriage adds to her appeal; 3 Stevenson's **Brickin Simplicity**; R Atkinson's **Moortop Just The One**; VHC Lloyd's **Orison Calm Attitude**.

**JB (5-1)** 1 Britten's **Krisma Nip In The Air**, I see she is half sister to the JD winner, both being by Ch K Cash Back. She appealed for sheer type & quality in head & expression. Her body shape is balanced, the back level & firm, short in loin & well angulated hindquarters. So well put down in coat & muscle & she covered the ground so effectively with strong hock use; 2 Darnell's **Jacquidon Next Sensation**, this b/t played her handler up so much on the move. Good to go over, especially liked her head proportions & that almost wicked expression from good eyes. Perhaps a little short in neck for me, but well sprung

ribs, strong bone & good feet; 3 Cooper's **Settrenda Sweet N Tiddly**; R Lloyd's **Orison Midnight Stroll**.

**PGB (6-3)** 1 Hess & Higgins' **Umbrage The Gloriana**, nice for size, such a good spring of rib & they carry well back to nicely angulated hindquarters & strong hocks. A little short in the neck for me, pleasing head & very good mouth. Spotless in jacket & quite sound as she went around the ring; 2 Gardener's **Perrisblu Liberty at Danalas**, a really good head on this slightly overweight bitch which has resulted in her being a little loaded in shoulder. She is a good size, strong bone, level back & she is blessed with a decent neck. In good coat she just lacked the light footedness of the winner; 3 Howard's **Hatchwoods Last Tango**.

**LB (3)** 1 Philip's **Nordalset Truly Madly**, I liked her for size & length/height proportions. So firm in backline with a decent head carriage adding to her charm. In super jacket, not a hair out of place & she is a consummate show off. Loved her dark, well shaped eyes & keen outlook. I felt she was the best actioned with good reach & drive in profile; 2 Stevenson's **Brickin Wild Ivy**, apart from being between coats which held her back, this was a real bundle of mischief which did her best not to aid her handler on the move. I liked her head, a lovely shape, good stop & foreface & really lovely eyes. Ears not as settled as the winner but it was her erratic action which was her biggest downfall; 3 Hess & Higgins' **Umbrage The Jubilant**.

**OB (3)** 1 Jenkins' **Ch Kinsridge Top Tip**, I don't recall seeing this one before but I loved her instantly. She has class written all over her. Beautiful head & expression, fabulous outline, so compact, lovely ribbing & forechest, really excellent width in thigh, short strong hocks & in outstanding coat. Moved out with such urgency & drive then started to give an eye-catching outline which just demands recognition & reward. I was more than happy to oblige then she made my day by putting her best foot forward to win the group, **CC, BOB, G1**; 2 Gee's **Watercroft Top Tia**, another extremely good quality bitch of much charm. Correct size, ample substance throughout, well shaped & angulated, strong hocks & in lovely coat. Her head is a good shape, gently rounded skull of decent width, really good eyes for size, shape & colour. Not quite as steady in front when coming toward me; 3 Green's **Wharfvalley Wild Child**.

Thank you to all exhibitors as I know some of you travelled a very long way to attend today. I really do find it an honour.

Thank you also to the BOB for staying for the group & getting shortlisted, you both put in a fine performance.

**PD (1)** 1 Newton's **Strathinver Sea The Stars**, very promising red 7 months puppy, loved his overall make & shape, in excellent coat, super head, large teeth, held topline & correct set on, super feet. One to watch. **BP**.

**JD (3-1)** 1 Jenkins' **Kinsridge Back Chat**, stunning boy in first class coat, super head, large teeth, firm neck, correct lay of shoulder, correct in hindquarters, true show boy who moved so well & I was delighted to award this young man the **RCC** I shall watch his progress; 2 Atkinson's **Moortop Marks Delivery**, nice boy, dark eye, well placed ears, moved out well.

**PGD (1-1)**

**LD (5-1)** 1 Gee's **Watercroft In A Pickle**, excellent head, correct expression, dark eye, short firm body, moved & shown well, held correct topline & tailset on the move. Promising typy boy. Well presented; 2 Phillips' **Blakens Pay Back**, lovely head & expression, typy boy, in fine coat & condition, firm in neck, good feet. Another promising boy; 3 Atkinson's **Blakens I Look To You**.

**OD (2)** 1 Thompson-Morgan's **Ch Belleville Seduction**, I have always loved this boy. Correct for size, masculine, lovely head. The best of front & shoulders. Held firm topline on the move, true showboy. Sound, not flashy but one I would love to own. Looked great in the group & was shortlisted, **CC** & **BOB**; 2 Newton's **Strathinver Smart Enough**, typy boy, well made, moved well both ways, in good coat & condition, typical head, correct bite, firm jaw, good feet.

**VD (0)**

**PB (1)** 1 Stevenson's **Brickin Simplicity**, 6 months baby, at her first show. Lovely make & shape, everything as it should be at this age. Straight front, moved out well once she settled. Well placed ears, dark eye giving correct expression.

**JB (5-1)** 1 Thompson-Morgan's **Allright Black Bess**, feminine, not so happy on the move today. Coat presented well & correct texture, correct tail set on; 2 Darnell's **Jacquidon Next Sensation**, short backed, typy, carrying some extra weight. Good spring of rib, correct ears, dark eye; 3 Atkinson's **Moortop Just The One**; R Batey & Gee's **Watercroft Confetti**.

**PGB (3-2)** 1 Stevenson's **Brickin Surprise Surprise**, lovely red, typy girl, loved her head & expression, well placed ears, held topline on the move, coat coming through, should do well.

**LB (2)** 1 Thompson-Morgan's **Belleville Summer Crunch**, very typy, promising bitch. Short in body, lovely head, correct ear, dark eye & mouth correct, moved sound; 2 Stevenson's **Brickin Wild Ivy**, another promising lady. Slightly longer in the loin, well placed ears, moved well when settled.

**OB (3)** Super class. 1 Jenkins' **Ch Kinsridge Top Tip**, a true pleasure to judge this super red coated girl, in tip top coat & condition. Much has been said about her & she still has much to give the breed. In the challenge she was not quite on her toes so gave way to the male for BOB. Delighted to award her another **CC**; 2 Gee's **Watercroft Top Tia**, lovely girl, unlucky to meet 1. One for the top I am sure. Would like a cleaner shoulder as 1 has but still a sure champion for breed type & condition, **RCC**; 3 Green's **Wharfedale Wild Child**.

A lovely show to finish my judging career & such a pleasure to be able to go over one of the most outstanding Norfolks in Ch Kinsridge Top Tip since Ch Cracknor Cause Celebre, to whom I gave her first CC. Thank you, Windsor Committee, & the exhibitors for making this such a memorable day.

V (2-2)

**MPD (2)** 1 Newton's **Strathinver Sea The Stars**, promising youngster, a smart red 7 month old, who moved freely, striding out with plenty of drive from the rear, shorter in back than 2 with level topline. Good head with neat ears & dark eye & short muzzle with strong teeth; 2 Newton's **Strathinver Starring Roll**, a good type of Norfolk, who moved well. Attractive head with good width of skull & well held ears, decent length of neck & level topline & upright tail carriage gave a balanced outline, but not quite so positive behind as 1.

**PD (4)** 1 Gee's **Watercroft Coin A Phrase**, beautifully presented b/t in gleaming coat, with good length of neck & good shoulders & straight front legs so able to stride out & cover ground well when moving. Charming head with broad skull, neat ears & short muzzle giving attractive expression, teeth just OK. Quality bone & well bodied, BPD; 2 **S Starring Roll**; 3 Brooms **Roxway Book Seller**; R Lloyd's **Orison Custom Cut**.

**JD (2)** A very close decision between these two youngsters of similar age of just 13 months. Both expertly presented in excellent coat.

1 Jenkins' **Kinsridge Back Chat**, slightly shorter in back & when he pulls himself together looks a king with his most attractive head & expression, super neck flowing into sloping shoulders, level topline, short back & proudly held tail. Put up a very good performance on the move, good bend of stifle, with low hocks giving him plenty of drive from the rear, he just missed out on the RCC spot on maturity – he will surely be reigning soon; 2 Atkinson's **Moortop**

**Marks Delivery**, a very promising dog, unlucky to meet 1, with expressive dark eye & well carried ears, slightly more upright in shoulder, but straight front legs with neat cat feet, good spring of ribs & in hard condition with well-toned muscles with harsh coat, he was moving well too.

**YD (1)** 1 Atkinson's **Blakens I Look To You**, b/t in perfect nick, slightly longer in back but a beautifully balanced dog that I considered for the RCC. Very well put together with nothing exaggerated. Very nice head of right proportions with sparkling black eye & strong muzzle with good bite. Good length of neck, level topline & splendid upright tail. He moved with plenty of swagger around the ring.

**PGD (3-1)** 1 Broom & Davies' **Roxway Quite Enough**, a very free moving dog in complete accord with his handler, in very harsh red coat with no frills, nothing hidden by furnishings, just 2 years. Very attractive type & a true terrier. Neatly made with correct proportions, just wish he had a little more substance as he needs a bit more depth in body. Moved effortlessly really striding out; 2 Brown's **Dajeon Dotty's Digger**, light red in softer coat, trying to please, but not the easiest dog to handle. Slightly longer in body & leg than 1 but lean & fit; well carried ears & good dark eye, with level topline on the move, tail perhaps a bit low set.

**LD (4-1)** 1 Phillip's **Blakens Pay Back**, caught my eye as he came into the ring, with his stylish crested neck, level topline & upright tail to finish the picture. On the table has a beautiful head, good muzzle & scissor bite with large teeth, & very nice expression. A lovely type of Norfolk in immaculate coat, beautifully presented. Great outline from side view, striding out with reach, but moving just a tad wide in front, **RCC**; 2 Ackling's **Ruby Rueben**, a smaller dog, neat as a new pin, beautifully presented, but not showing with much animation today. Well made, short in back with level topline & good tailset, a very nice type of Norfolk, just didn't have the sparkle of

1 today; 3 Lloyd's **Orison Midnight Myth**.

**OD (2)** 1 Gee's **Watercroft In A Pickle**, a most handsome masculine dog just coming into his prime at 2½ years, presented in perfect coat. Excellent head with neat ears, dark eye nicely trimmed, short muzzle with good bite & attractive expression, elegant crested neck flowing to good lay of shoulders, level topline & well held tail. Good front with straight front legs with well-padded cat feet. Deep in body, well ribbed & he has matured into a really nice dog. Moved freely to & fro, & with plenty of propulsion from behind, **CC**; 2 Newton's **Strathinver Smart Enough**, a very well made dog with firm muscles in good condition. Head of right proportions, but ears a bit unsteady today, & harsh coat not at its best. One of the best movers, & has passed some sterling qualities on to his son, who beat him in this class today & other winning offspring.

**GC D/B (1) D Dotty's Digger**

**MPB (0)**

**PB (7-1)** 1 Gullick & Tate's **Orison Midnight Dreamer at Jaeva**, expertly produced, attractive red 10 months of good type, not a lot of her but of good quality, sweet head, neat ears, dark eye short muzzle with good bite, decent length of neck with level topline but tail slightly over, straight front legs with neat catlike feet, in excellent harsh coat, put up an agile performance as thoroughly in tune with handler, moving to & fro happily striding out. **BP**; 2 Stevenson's **Brickin Simplicity**, a charming b/t of great purpose, with pretty head & sweet expression, very dark eye, & correct scissor bite, enough substance with good body, level topline & good tail carriage, well laid shoulders & straight front legs she moved very freely & is a very useful type – I liked her a lot; 3 Cooper's **Settrenda So Saucy**; R Davies & Dixon's **Perrisblu Priscilla**, VHC Harpham & Hulance's **Diggery Photobomb**.

**JB (6-2)** 1 Gullick & Tate's **Jaeva Hells Fire**, a quality bitch of very good proportions all in balance, & an alert & happy showgirl. Very attractive head with lovely expression, excellent outline with good length of neck, level topline & good tail carriage & depth of body, moving freely, has all the right attributes to go further, **RCC**; 2 Devereux's **Vichea Little Gem**, overall a very nice bitch with a really pretty head, good width of skull, dark eye, good stop, short muzzle with good strong teeth giving appealing

expression, well laid shoulders, straight front, good body, level topline but tail slightly over, moved OK, close decision with 3, but won on better head; 3 Atkinsons's **Moortop Just The One**; R Lloyd's **Orison Midnight Stroll**.

**YB (4-2)** 1 Gee's **Watercroft Dream Topping**, red bitch in good condition well presented, attractive expression with dark eye well carried ears & muzzle with good strong teeth. Decent length of neck, good front & body with plenty of substance shorter in back than 2, moved freely; 2 Saltmarsh's **Pipridges Holly**, light red in slightly softer coat, her very dark eye gave a charming expression. Good length of neck, slightly longer in back than 1 but with excellent upright tailset. Quite enough body – could afford to lose a little weight as rather inactive & not demonstrating the movement of 1.

**PGB (6)** 1 Hess & Higgin's **Umbrage The Gloriana**, she won this class on her movement, really striding out with plenty of propulsion & covering the ground. In very good coat, & although slightly longer in the back overall a very nice mature bitch with substance. Sweet expression & good mouth, level topline & upright tail showing a lovely outline on the move; 2 Saltmarsh's **Pipridges Hazel**, an old-fashioned type of Norfolk with correct proportions. Good quality bone, deep bodied, well ribbed with plenty of substance. I liked her head & expression with good bite, & she carries herself well with holding a level topline & upright tail, although feeling the heat somewhat, she moved well enough; 3 Macartney's **Nordalset Little Bit Of Sun for Ivrig**; R Cooper's **Settrenda Sweet N Tiddly**, VHC Gardener's **Perrisblu Liberty at Danalas**.

**LB (5-1)** 1 Stevenson's **Brickin Wild Ivy**, a bitch of compact neat shape in super harsh red coat. Excellent mouth with scissor bite, expressive dark eyes & well held ears. In very good body – not overweight like some – well made with very good conformation all in proportion presenting a balanced picture on the move. Altogether, a lovely bitch; 2 New's **Raven Beauty**, beautifully presented in very tidy b/t jacket in great accord with her handler. Pretty head with broad skull, dark eye, strong muzzle with good bite, a mature bitch with deep brisket & good turn of stifle, slightly longer in back than 1, but very level topline & excellent upright tail; 3 Philip's **Nordalset Truly Madly**; R Hess & Higgin's **Umbrage The Jubilant**.

**OB (4-1) 1 Jenkins' Ch Kinsridge Top Tip**, she has established herself firmly at the top of the tree & deservedly so. On the table underneath that immaculate shining harsh red coat is an absolutely beautifully constructed bitch. She also has the temperament & personality to go with it which exudes from her lovely head, sparkling almond eyes & neat ears, beautifully set on neck & shoulders with her short dead level topline, though her tail does go over somewhat. Also going for her is being piloted by her breeder-owner-groomer-handler & watching her glide round the ring so effortlessly & smoothly creates an unforgettable picture. **CC & BOB, & G4;** 2 Gee's **Watercroft Top Tia**, so unlucky to meet her half-sister, as of very similar build & physique. Another lovely bitch – I was spoilt for them today – she too was beautifully presented in very good coat & condition. A real quality bitch of true merit, charming head & expression, lovely reach of neck, good depth of body & good upright tail carriage, she moved well too; 3 Green's **Wharfvalley Wild Child**.

**PD (2)** 1 Gee's **Watercroft Coin A Phrase**, very smart young b/t, with a really good head, good eye strength in muzzle with width to underjaw. Well ribbed to short loin providing balance. In good coat which is hard & prepared correctly. Has width behind with correct tailset. Up for it & goes well; 2 Broom's **Roxway Book Seller**, smart red. Decent head, preferred eye of winner. Strong neck through compact body & firm back. Strong quarters which he uses well. Hard wiry coat. A useful sort.

**JD (2)** 1 Jenkins' **Kinsridge Back Chat**, 12 months red, mature in body. Has a masculine head with proportions depicting type. Cheeky expression from his well-shaped eye. Strong jaw allowing room for well-placed big white teeth. Positive in front construction & therefore movement. Super coat & presentation. Just at that age where he does not always want to comply, but must have a great career ahead; 2 Tomsett's **Terrigan Arctic Storm over Dajeon**, very immature & lacking body & coat. Could have a stronger muzzle, but has a correct bite. He is actually nicely constructed, but because he is missing spring of rib & weight he is looking a touch long.

**PGD (3-1)** 1 **T Artic Storm over D**; 2 Brown's **Dajeon Dotty's Digger**, has pleasing eye & hard coat. Well bodied. Tail a little low set & just did not want to be part of this today.

**LD (3-2)** 1 Ackling & New's **Ruby Rueben**, good eye, correct skull, power in muzzle with good bite & teeth. Mature with good rib & fit mature, compact body. Firm topline, good rump, low hocks. Performed with real attitude. Decent Norfolk.

**OD (4-1)** 3 good ones here.

1 Gee's **Watercroft In A Pickle**, loved this boy's head, just looks back at you with a real terrier stare, alert & confident. Obviously he fulfilled the Standard for me & has body & musculation which gives him the ability to perform with ease. All three

were quality dogs, this one just had the edge in hind action. Understand this gave him his well-deserved title. **CC & BOB**; 2 Phillips' **Blakens Pay Back**, lovely clean, strong, masculine chap in perfect order. Great side gait holding his compact, but not cloddy shape. This kennel never disappoints, **RCC**; 3 Thompson-Morgan's **Belleville Roll Call**.

**PB (7-1)** Good class of youngsters with lots of promise.

1 Gullick & Tate's **Orison Midnight Dreamer at Jaeva**, what a dream of a gorgeous puppy. Everything I was looking for & frequently find in ones from this kennel. The type is stamped through her, she is skeletally correct & she has the temperament to make you look & again, perfect order & condition. **BP**; 2 Devereux's **Vichea Cash And Carry**, 6 months & easy to predict a great future here. So Norfolk all through, brand new but has the proportions, from her lovely head, dark expressive eye & confident use of ear. Sound standing & moving, just does her job so well; 3 Stevenson's **Brickin Simplicity**; R Hurrion's **Villassa Gold N'Delight**; VHC Devereux's **Vichea Heavens Above**.

**JB (3)** These bitch classes bode well for the future of the breed & this class was no exception.

1 Gullick & Tate's **Jaeva Hells Fire**, the first word I wrote for the critique of this one was – wow. She stood in line, alert, ear well placed & used to display her cocky disposition, head up displaying her clean neckline through the best of forehands. Her outline could be used as a blueprint for the breed, small, substance, compact with body & leg & the strong set on is used to confirm her belief in herself. You are not disappointed hands on, she is right for body & her immaculate coat is hard, smooth & wiry. Her absolute true positive action confirmed her place & the **CC**; 2 Darnell's **Jacquidon Next Sensation**, has easy action from good construction & angulation. Great body for age, tail is well set & her coat good texture & preparation. I actually preferred head of

**PGB (7-2)** 1 Stevenson's **Brickin Surprise Surprise**, grand sort. Not in her best coat but lots of type with super head. Has body & strong quarters, which are firm & muscled providing drive. Super tailset. Her free ground cover gave her the class; 2 Saltmarsh's **Pipridges Holly**, honest, sound true moving. Not a lot wrong, & has type & quality, would just like her to have a touch more impulsion on the move; 3 Gardener's **Perrisblu Liberty at Danalas**; R Woolnough's **Jaeva Fine Romance**; VHC Macartney's **Nordalset Little Bit Of Sun for Ivrig**.

Has the bone, feet & body which gives balance, super tailset. Coat is right for texture & presented in good order. Notice this affix keeps appearing; 2 Philip's **Nordalset Truly Madly**, preferred eye, size & outlook of winner, but that said, very close up in other departments. Has substance, body & yet retains femininity. Good behind, smart & holds her shape; 3 Stevenson's **Brickin Wild Ivy**; R Saltmarsh's **Pipridges Hazel**; VHC New's **Raven Beauty**.

This was confirmed hands on Loved her head, gorgeous expression, clean strong neckline. Such a lovely outline all through, with a level firm back. First class presentation. Fabulous side gait, today felt the young bitch a touch more positive coming, **RCC**; 2 Green's **Wharfvalley Wild Child**, this is a lovely feminine quality girl, who never put a foot wrong, she performed with true footfall, is in excellent coat & fit muscular order. Super outlook from dark well-fitting eye, has strong neck the firmest of topline, compact & good body. In full bloom, well deserved her place in good company; 3 Gee's **Watercroft Top Tia**; R Hurrion's **Villassa Star Turn**.

**PD (1)** 1 Lloyd's **Orison Custom Cut**, good overall balance and shape on this youngster, he's built well in head with the skull width, muzzle and jaw, he has the body forming with a good outline and coat, with movement to work on, hold lots of promise.

**JD (2-1)** 1 Atkinson's **Moortop Marks Delivery**, superb in shape, balance and type, this alert young lad has the short appearance desired, he is good through head, skull and muzzle, excellent through front and rear, muscle tone could be a little stronger but has the body, coat and moves OK. Great in the challenge for RCC.

**PGD (0)**

**LD (2)** 1 Atkinson's **Blakens I Look To You**, impressive in overall shape, nice balance in head and skull, could be a little stronger in muzzle, he has good balance to his body, good type coat and goes well on the move; 2 Lloyd's **Orison Midnight Myth**, lively boy with attitude, not quite the balance of head to body, so not quite the outline needed, good coat texture and was moving with propulsion needed.

**OD (2)** 1 Phillips' **Ch Blakens Pay Back**, classic quality in compact keen dog, superbly balanced in shape, angles and he is good over this outline, well built in front with animation, he moved his body in control to win with a better overall action and giving him the CC in the challenge, **CC**; 2 Gee's **Watercroft In A Pickle**, not quite the fineries of 1 but lovely muscle tone throughout, he carried a good type head and short body, compact, not quite the lay of shoulder so does not have front research of 1, well handled and good to go over.

**PB (5-2)** 1 Stevenson's **Brickin Simplicity**, what a future star this young girl be, she has the head, skull width and dark eye, she is built well in front, chest,

body and rear end with muscle tone coming through, moving with attitude she took the class, **BP**; 2 Devereux's **Vichea Heavens Above**, 7 months with a super short shape, typical head and balance to the body, she has a good front end, outline and rear quarters, moving OK, better at a faster pace; 3 Lloyd's **Midnight Stroll**.

**JB (4-2)** 1 Atkinson's **Moortop Just The One**, smart youngster with the head type, good skull and muzzle, she has the balance in body, good on the move, has the coat and tail, moved holding shape to win the class; 2 Lloyd's **Orison Calm Attitude**, puppy with attitude and a head with good width through skull, jaw and teeth, has the balance of outline although a little longer in loin at this stage, needs to come in coat.

**PGB (3)** 1 Stevenson's **Brickin Surprise Surprise**, short keen low compact girl, with the balance of outline, good body head and skull, good through topline and tail, she moved with purpose over the ground; 2 Philip's **Nordalset Sunny Skies**, lovely for type in head balance and movement, would prefer move width of skull and filling body, she has excellent quarters giving her the drive, she has quality but lacks coat today; 3 Macartney's **Nordalset Little Bit Of Sun For Ivrig**.

**LB (4-2)** 1 Philip's **Nordalset Truly Madly**, good competition with these two with this girl just taking the honours, great short compact outline, she has the head width, body build and alert tail set; 2 Stevenson's **Brickin Wild Ivy**, this compact girl has the shape balance topline and rear quarters, good type through the head width, skull, muzzle and jaw, not quite the action of 1 but quality girl of hard wiry coat.

It is always a pleasure to judge one's own breed & see & handle the exhibits & I thank those who entered for giving me such a nice day. It is nice to see a high standard of presentation & trimming in some of the Norfolks but I do think that some of them are no longer up to size.

**VD (1)** 1 Bowes' **Bowanne Teddy Bear**, good hard red coat, good size & dark eye, moving well & looking very well for his age. **BV**.

**PD (1)** 1 Newton's **Strathinver Sea The Stars**, young puppy not really used to showing & not moving well, needs more practise, good sized dog, good confirmations.

**JD (3)** 1 Atkinson's **Moortop Marks Delivery**, moving out & returning nicely, nice head with dark eye, good ear carriage & nicely put together; 2 Jenkins' **Kinsridge Back Chat**, good head, well put together, nice harsh coat, not moving as well as 1; 3 Bowes' **Bowanne Alfie**.

**PGD (1-1)**

**LD (2-1)** 1 Atkinson's **Blakens I Look to You**, b/t dog, moving out & returning well, nice harsh coat for a b/t, nice head with a dark eye.

**OD (5-1)** 1 Phillips' **Ch Blakens Pay Back**, good quality red dog, ideal size, good head & body, moving well front & back, good tail carriage, a very good example of the breed. My **CC** winner, **BOB**; 2 Thompson-Morgan's **Ch Belleville Seduction**, b/t, moving out well, not so good on the return, good head & tail carriage. Another quality dog. My **RCC**; 3 Newton's **Strathinver Smart Enough**.

**VB (0)**

**PB (6-1)** 1 Gee's **Watercroft Pop Picker**, dark red coat with good eye & ear carriage, nice head, nicely put together, hopefully will grow on. **JB (6-2)** 1 Britten's **Krisma Nip In The Air**, nice short bitch, moving out well, very smart, turned out well, good eye & head, I am sure will have a good career; 2 Bowes' **Bowanne Silk Moth**, good dark, harsh red coat, with a good mouth & dark eye, nice tailset & moving out well.

**PGB (6-3)** 1 Atkinson's **Moortop Just The One**, nice red coated bitch, good ear carriage & dark eye, nicely put together; 2 Hess & Higgins' **Umbrage The Gloriana**, older bitch, a bit longer in the back, good bone, nice harsh coat, topline showing a dip I suspect due to trimming; 3 Woolnough's **Jaeva Fine Romance**.

**LB (7)** 1 Gee's **Watercroft Dream Topping**, nice red bitch, in good coat, dark eye & good ear carriage, could do with being bigger. My **RCC**; 2 Thompson-Morgan's **Allright Black Bess**, b/t, moving out well, good quality head & ear carriage, another good quality bitch, these two will change places on other days; 3 Stevenson's **Brickin Wild Ivy**; R Hurriion's **Villassa Ripple By Design**; VHC Devereux's **Vichea Little Gem**.

**MPD (1)** 1 Atkinson's **Charlie Blake**, happy outgoing boy of 6 months, head typical for age, excellent eye & mouth, could be better in front but moved extremely well behind, good coat & condition & lovely tail carriage.

not the best of movers, shown in excellent coat & condition

**PD (1)** 1 Newton's **Strathinver Sea The Stars**, very attractive 10 month puppy, balanced & typical with dark eyes & correct mouth, would like more substance & strength throughout but will probably be a slow mature, moved particularly in front, showed very well & a good tail, coat not at its best which let him down in the challenge for BP, **BPD**.

**PGD (2)** 1 Mounfield's **Arderry Son Of A Gun**, a quality dog of good general type, nice head proportions, would like a darker eye, is a lovely size with correct bone and short back, not moving well coming or going but is most attractive and in excellent coat; 2 Brown's **Dajeon Dotty's Digger**, very showy and stylish, nice overall type but not the bone of the winner, excels behind, another who is not good enough in front, shown in lovely coat and very well behaved.

**JD (3-1)** A tricky class to judge as as they couldn't be more unalike. 1 Gee's **Watercroft Coin A Phrase**, won this on better movement particularly in front, a very balanced dog in excellent coat & condition & a very attractive b&t, good enough head, dark eye & correct mouth, lovely outline standing although not quite as short as 2, performed well in the challenge to pull off **RCC**; 2 Atkinson's **Moortop Marks Delivery**, outstanding for breed type with beautiful head, short back & legs & excellent bone & substance for size, excels behind but for me his front construction lets him down on the move, this is such a bad breed fault which so many Norfolk have, shown in beautiful coat & condition, certainly ran the winner close.

**LD (3-2)** 1 Atkinson's **Blakens I Look To You**, loved this one for his correct head and eye, such an excellent tail shape and carriage, once again his front construction gives him a short neck and movement was not good enough, correct for bone and substance and such an attractive quality dog in good coat.

**OD (3-2)** 1 Phillips' **Ch Blakens Pay Back**, fabulous for breed type and full of quality, beautiful head and correct mouth, good length of neck, short back, good topline, there is so little to dislike about him that this slightly short upper arm can be easily forgiven, can play his handler up moving but not today, could not have gone better, looked perfect standing and finished off with a great coat and wonderful showmanship. Won **CC** with ease. **RBIS** and **BOS**.

**ND (2)** 1 Newton's **Strathinver Sea The Stars**; 2 West's **Kinsrdige Sky Of The West**, not in his best bib & tucker, attractive dog with short back, good bone & head OK, correct for eye shape & colour & mouth, showed well.

**VD (0)**

**UGD (1)** 1 Hilditch's **Watercroft Royal Mail**, smart one with good head & dark eye, nice outline with a good tail, lovely bone for size but unfortunately

**SBD (4)** 1 Hilditch's **Watercroft Royal Mail**; 2 Waters' **Southpoint Dante's Inferno**, very attractive lad in good coat, not the head of winner but excellent ears and eyes, showed very well; 3 Brown's **Dajeon Dotty's Digger**; R West's **Kinsrdige Sky Of The West**.

**MPB (4-1)** 1 Gee's **Watercroft Pop Picker**, extremely attractive baby, pretty head with dark eyes and correct bite, balanced and good in outline with the correct length of neck, one of the few who is good in shoulders having the correct construction, good behind consequently moved well, the tail is rather unattractive in carriage, still a lovely puppy apart from this, showed confidently and in good nick beat the male for **BP** on coat texture and general presentation; 2 Phillips' **Jaeva Only The Lonely**, only 6 months old and not at all sure of herself but lovely type, pretty head with dark eyes and good mouth, good outline standing and moved quite well, in typical coat, just needs confidence to finish the picture; 3 Phillips' **Didjim Moorhen to Blakens**, extremely immature making her look very tubular in body right now, I am sure she will look different in a few more months, good tail and shown in good coat, moved well and showed confidently.

**PB (5-3)** 1 Phillips' **Blakens Tootie Fruitie**, such a pretty girl, good head for age, correct in eye and mouth, more immature in body than the winner of Minor Puppy at present perfect straight front, although would like a bit more neck but this is part of her immaturity, excels in quarters and moved extremely well both ways, in good coat and showed well; 2 Devereux's **Vichea Cash & Carry**, attractive girl with pretty head, short typy body and good outline, not as good in front as the winner but excels behind and really uses her quarters when she behaves herself, in lovely coat.

**JB (6-1)** 1 Gullick & Tate's **Jaeva Hells Fire**, lovely typy little bitch, pretty head of correct proportions, dark eye and good mouth, short and stocky in profile with enough one for size, would like a slightly better length of upper arm but even so better than many, moved very well to secure her **RCC** in good competition, coat a little on the heavy side but did not detract and showed well; 2 Devereux's **Vichea Heavens Above**, very similar in type to the winner, having short back and legs with good bone for size, attractive head, correct eye, bite just OK, when she tried could move very well, excellent texture coat, showy but not as well behaved as winner; 3 Hurrion's **Villassa Gold 'N' Delight**, slightly less mature and a bit plain in comparison to the two due to her excellent short harsh coat making her appear a different type, good head proportions, dark eye and correct bite, tended to fly an ear occasionally when moving but she did move well and is more fit and well muscled than many; R Darnell's **Jacquidon**

**Next Sensation**; VHC Cooper's **Settrenda So Saucy**.

**NB (2)** 1 Hurrion's **Villassa Gold 'N' Delight**; 2 Cooper's **Settrenda So Saucy**, unlucky to be in such a good previous class, attractive girl with good overall proportions in head, front not as well constructed as winner but excellent hindquarters which she used well moving, correct level topline, good coat and showed OK.

**UGB (4-1)** 1 Hurrion's **Villassa Ripple By Design**, again a little plainer in appearance than some but basically has a good head, excellent eye for colour and shape, very good mouth, good topline and general outline, does not have the length of harsh coat and furnishings that many have making her appear leggier than she is, not such a good front movement as most from this kennel, fit and well muscled, very balanced all through and showed well; 2 Mounfield's **Arderry She's The One**, lovely typy body, short and stocky, bone good for size, her head is spoilt by a lack of stop and light eye but good width of skull and muzzle, not the best of fronts, excellent quarters but front spoilt her movement, showed well and good coast; 3 Atkinson's **Moortop Just The One**, nice type of small bitch but is very immature and lacks bone and substance, correct ears and dark well shaped eye, short back topline could be better on the move, excellent coat and show, fit and well muscled.

**PGB (4-2)** 1 Hurrion's **Villassa Ripple By Design**; 2 Hess & Higgins' **Umbrage The Gloriana**, another with a harsh coat who can look a little plain, nice head dark eye and good mouth, movement could be better but has good bone and substance and is very showy.

**LB (5)** 1 Gee's **Watercroft Dream Topping**, attractive very mature bitch, head a bit plain due to lack of stop but proportions are good, beautiful eye, correct mouth, outline good standing with neck and level topline, correct for bone and substance, could move OK when she wanted but was a bit erratic at times; 2 Britten's **Krisma Nip In The Air**, attractive pretty headed bitch, very immature at present having a rather narrow body and looks a bit leggy, I time will e a nice type, she has a well made body, moved well particularly in front, coat of good texture and showed well ; 3 Green's **Wharfvalley Wild Child**, another pretty one with good body type having a short back and legs and good bone for size, skull has good width and correct stop but eye a bit full, though

dark, and is a tad too short in muzzle, attractive overall but was a bit lack lustre today and needed more careful trimming of the topline; R Devereux's **Vichea Little Gem**; VHC Hess & Higgins' **Umbrage The Jubilant**.

**OB (4)** This was such a good class down to lower placings. 1 Jenkins' **Ch Kinsridge Top Tip**, top winning bitch and you can see why when you judge her, she has that indefinable extra something, excels in breed type and although in a short coat on the day does not have a lot to hide, good head and mouth, being pick I would prefer a darker eye, but size and shape is correct, correct length of neck short back and good tail set, great outline when standing and not being heavy through the shoulder she beat the male for BIS, I love both of them but this bitch does have a style and quality many do not have, is smart as paint. **BCC and BIS**; 2 Hurrion's **Villassa Star Turn**, she is a bigger one but is full of quality, I liked her a lot, lovely type of head, correct for mouth and eye, cobby well balanced body, good topline and tail set, correct for bone and substance, moved better in front than 3, in excellent coat and showed well; 3 Gee's **Watercroft Top Tia**, better for size than 2 and the very best of tails for shape and carriage, lovely type with pretty head though could have more stop, doesn't have the balance of the other 2 due to her legs being a shade too short, but she does look a picture standing with her short back and lovely tail, in great coat and condition, showed all the time. A pity I didn't have 3 firsts for this class; R Gee's **Watercroft Pick Of The Pops**.

**VB (4-2)** 1 Atkinson's **Ch Hobsons Choice at Moortop**, fantastic 12 year old so obviously enjoying herself, attractive head, still a good topline and well made body, out moved many of the younger ones. **BVIS**; 2 Hurrion's **Ch Valentines Cherry Crumble**, lovely 7 year of of beautiful type, pretty head, cobby and short backed, moved well considering she was a shade fat, in excellent coat and condition.

It was as always a pleasure to judge the Norfolk terriers and thank you to all the exhibitors who made the journey to the depths of Wales on this chilly morning. I had a number of quality exhibits to go over and my main winners were top drawer.

**PD (2-1)** 1 Ward & Hamar's **Gorden's Boy**, 10 month old puppy who moved confidently round the ring and behaved very well. Well done to his handler who confessed she was a novice. Pleasant head with big teeth. Rather rangy in build and looking high on leg but this was not helped by the fact that he was in very short coat with little to no furnishings. As you will see, he reappeared in every class, so he certainly got in some practice.

**JD (3)** 1 Gee's **Watercroft Coin A Phrase**, a smart b&t moving out well in profile. Very masculine and generally well put together. Pleasing head and good bite. He impressed with his well placed shoulders and clean neck line. Strong body and excellent tail, well set and straight; 2 Atkinson's **Moortop Marks Delivery**, an attractive puppy of good type. Excellent red coat in good condition. Strong head and well proportioned. Moved well. Heavier in shoulder than 1 and not as good in front movement; 3 Ward & Hamar's **Gorden's Boy**.

**PGD (1)** 1 Ward & Hamar's **Gorden's Boy**.

**LD (3)** 1 Jenkins' **Kinsridge Back Chat**, strong mover and willful, but when settled he had a perfect gait, stretching and driving. Strong, masculine head, excellent bite and keen expression. Excellent neck and shoulder running into short back with good body and substance. Well angulated quarters with good bone. Still feel this young dog has his best yet to come, still some maturing to do but deserved the **RCC**; 2 Atkinson's **Blakens I Look To You**, very good headed dog with excellent ears, just the right expression, keen and alert without being sharp. Short in back and an excellent tail. He showed very well

but not as free moving as 1; 3 Ward & Hamar's **Gorden's Boy**.

**OD (2)** 1 Phillips' **Ch Blakens Pay Back**, I have seen this dog many times from the ringside and today I thought he was top notch and absolutely in his prime. He has the most beautiful head, broad skull, ears well placed and carried, well made up under eyes with strong muzzle and good bite. Strong neck running into well placed shoulders and short back, well set tail. Put down to perfection and in great condition. Profile movement is good and he powers from behind. To be critical would like him more positive in front movement, but that is just one fault, **CC**; 2 Ward & Hamar's **Gorden's Boy**.

**VD (0)**

**GCD (0)**

**PB (7-2)** 1 Gee's **Watercroft Pop Picker**, very mature in body for her age and moved and showed well. Excellent head and expression, good eye and very good for type. Strong coat and texture and in good condition. Good bone. Accomplished for one so young. To be critical would prefer a better tail, **BP**; 2 Phillips' **Blakens Tootie Fruitie**, another promising puppy in good coat and condition. Head is yet to come but is well made with good bite. Preferred the shoulder placement of 1 but again with maturity this may well improve. She moved well; 3 Philip's **Nordalset Chase The Storm**; R Devereux's **Vichea Heavens Above**; VHC McPhee's **Kinsridge Pro Quo**.

**JB (5-2)** 1 Gullick & Tate's **Jaeva Hells Fire**, very feminine bitch in great coat and condition. Loved her typical head and expression and dark eye. Short in the back and well set tail. She was absolutely on form today and moved assertively and well. It was this movement that secured her the **RCC** in the challenge; 2 Stevenson's **Brickin Simplicity**, still

very immature and in very short, new coat that accentuated this. One that definitely needs time. However she was pleasing to go over and had an excellent tail and tailset; 3 Owen's **Brickin Happy Dance**.

**PGB** (7-3) 1 Philip's **Nordalset Sunny Skies**, mature bodied bitch that was in very good coat and condition. Good type with pleasing head and expression. Another good tail; 2 Atkinson's **Moortop Just The One**, finer bitch than 1 that was very good on the move. Very good head and expression. Overall would just have liked more of her; 3 Hamar's **Lagdenfarm Quite A Gal**; R Ward & Hamar's **Lagdenfarm Pie Crust**.

**LB** (5) 1 Devereux's **Vichea Little Gem**, very neat, quality bitch, in good coat and condition. Well put together, with good head and short back and excellent short tail. Moved and showed well; 2 Stevenson's **Brickin Surprise Surprise**, unlike the younger one from this kennel, this girl was carrying a very heavy coat that obscured her outline. Pleasing to go over and had a very strong head; 3 Hamar's **Lagdenfarm Quite A Gal**; R Ward & Hamar's **Lagdenfarm Pie Crust**.

**OB** (4) 1 Jenkins' **Ch Kinsridge Top Tip**, not much that this bitch has not achieved and you can see why when you go over her. She is so well constructed. Feminine head with super expression, Good reach of neck running into clean, well laid shoulders, short back and excellent tail and tailset, well muscled hindquarters. Put this construction with her incredible attitude and you have a superb showgirl. Her outline standing is tip top and her movement a delight, **CC & BOB**; 2 Gee's Ch Watercroft Top Tia, one I have admired during her career from the ringside. This kennel has produced Norfolks that have been consistently good type with great heads and expression. I have seen her look better and in her prime, I think she presented a better outline. She lost out in the challenge by not having sufficient drive from behind; 3 Hamar's **Lagdenfarm Quite A Gal**; R Ward & Hamar's **Lagdenfarm Pie Crust**.

**VB** (1) 1 Owens' **Penmire Lilac**, spritely 9 year old who clearly enjoyed being in the ring. In good coat and condition, moved well.

**GCB** (1) 1 Owens' **Brickin Happy Dance**, really enjoyed herself on the move, putting on a smart performance. Good coat and condition.

**MPD (4-1)** 1 Britten's **Krisma Dark N'Stormy**, attending his first show & put in a good performance. This b&t is very short & compact with a lovely head & eye, correct mouth, lovely rib & body & well set tail, in good form; 2 Atkinson's **Charlie Blake**, touch bigger than the winner with a good head, neat ear, stands well in front & very sound behind, keeps his topline & showed with confidence, in beteen coats at the moment; 3 Atkinson's **Alfie Boy at Manybrook**.

**PD (1)** 1 Newton's **Strathinver Sea The Stars**, this youngster has a very well balanced head, good eye giving a good expression, true well constructed front, level topline & overall presented a pleasing picture.

**JD (4)** 1 Jenkins' **Kinsridge Back Chat**, my eventual **CC & BOB** winner, this dog is of lovely type & size, he has a well balanced head with a good width of skull, good eye, well set ears, true front, good rib, short coupled, uses his tail well. On the move he was sound & precise & used his strong quarters to advantage; 2 Atkinson's **Moortop Marks Delivery**, a quality headed dog with dark eyes, he has a leel topline & well set tail. His coat is of the right texture & clear colour; 3 Gee's **Watercroft Coin A Phrase**; R Lloyd's **Orison Custom Cut**.

**PGD (0)**

**LD (2)** 1 Atkinson's **Blakens I Look To You**, a b&t of nice type with dark expressive eyes, well balanced head, correct mouth, well placed shoulders, short well ribbed body, in lovely form, moved with verve; 2 Mounfield's **Arderry Son Of A Gun**, attractive headed dog with a good front, touch longer coupled than the winner, well set tail, trifle short of topcoat at the moment but good texture.

**OD (3)** 1 Phillips' **Ch Blakens Pay Back**, so good for breed type, in super coat, he has a lovely neck &

shoulder placement, head of good proportions, well ribbed body, lovely tailset. He was a strong contender for the CC but he was erratic on the move but showed glimpses of free sound movement, **RCC**; 2 Newton's **Strathinver Smart Enough**, an honest dog of good breed type. He has a good head & eye, correct mouth, true front & a short well ribbed body. He carries his tail well & shows with confidence. Excellent coat texture; 3 Gee's **Am Ch Watercroft Diamond Dealer**.

**MPB (3-1)** 1 Gee's **Watercroft Saffron**, a lovely type of youngster with a good head & eye, stands well in front, lovely rib & short coupled. Moves true & freely. Needs less undercoat to give a better picture; 2 Phillips' **Didjim Moorhen to Blakens**, smart b&t who is good to go over, her head is balanced but I think she needs to develop in width of skull but has plenty of time, lovely front & topline. Not so confident on the move today.

**PB (5-3)** 1 Phillips' **Blakens Tootie Fruitie**; 2 Gee's **Watercroft Pop Picker**, my notes say two lovely puppies with little to separate them, both in lovely coat & condition with level topline & great bodies, enough bone, balanced heads, good eyes & expressions. The second appeared just a touch heavier in ear but so little between them.

**JB (4-1)** 1 Dixon & Davies' **Perrisblu Priscilla**, a good type of youngster in super harsh textured coat, attractive head & expression, correct mouth, t r u e front & level topline, well angulated quarters. Put in a good performance; 2 Lloyd's **Orison Calm Attitude**, gassy b&t of good type, she has a well balanced head & well shaped eye, needs time to develop in rib at the moment, lovely tailset & carriage, presented a good outline; 3 Cooper's **Settrenda So Saucy**.

**PGB (3-1)** 1 Darnell's **Jacquidon Next Sensation**,

a b&t of nice type & size, good head & eye, true enough in front, short coupled body, lovely coat texture, well set tail; 2 Saltmarsh's **Pipridges Holly**, touch finer all through than the winner but built on good line, good head, correct mouth, dark eye, lovely coat texture, not so happy on the move today but was sound enough.

**LB (5-2)** 1 Britten's **Krisma Nip In The Air**, a very short coupled bitch of good type & style, sweet head & eye, correct mouth, sound front,, enough rib & substance, lovely coat & condition, showed steadily; 2 Saltmarsh's **Pipridges Hazel**, touch longer than the winner but very honest construction & very appealing for type with a quality head & eye, well ribbed which go well back, well set tail carried correctly; 3 Gardener's **Perrisblu Liberty at Danalas ShCM**.

**OB (3)** 1 Jenkins' **Ch Kinsridge Top Tip**, another quality exhibit of good type & size, sweet head & expression, neat well placed ears, true front, level topline, strong well muscled quarters, shown in lovely condition, **CC**; 2 Gee's **Watercroft Top Tia**, another great bodied bitch of good type with a lovely head, well placed shoulders, level topline, good rib & strong quarters, well textured coat which was well presented. Not quite the steadiness of the **CC** winner in front but her quality won the **RCC**; 3 Grave's **Nicnips Bubbles Gum**.

**MPD (4-1)** 1 Atkinson's **Charlie Blake**, well grown youngster, good head, dark eye and expression, with good reach of neck. Shoulders and topline, which he held on the move, very smart red, won on maturity; 2 Gee's **Watercroft Chilli Pepper**, promising 6 months old coming along well. Attractive head and expression, moved and showed well, in good coat and condition; 3 Smith's **Javidel May Contain Nuts**.

**PD (4-1)** 1 Thompson-Morgan's **Belleville Slipstream**, broad head, dark eye, correct mouth, lovely reach of neck and topline, in good textured coat, covered the ground well on the move, still to mature but very promising, BPD; 2 Gee's **Watercroft Rum'N'Raisin**, 10 mths, typical and well shaped head, dark eye and correct bite, well bodied. Good spring of rib, level topline and straight tail; 3 Smith's **Javidel May Contain Nuts**.

**JD (3-1)** 1 Atkinson's **Moortop Marks Delivery**, broad head, wide muzzle but a little short, dark eye and expression, well bodied, good bone and feet, moved OK and well presented; 2 Gee's **Watercroft Coin A Phrase**, masculine and broad head, good ear set, correct bite, well bodied, moved steadily, not in his best coat today.

**YD (0)**

**UGD (1)** 1 Hilditch's **Watercroft Royal Mail**.

**LD (4-1)** 1 Jenkins' **Kinsridge Back Chat**, masculine headed dog with a very good mouth and expression, excels in neck, flowing smoothly into lovely shoulders and short back, good body and bone. Very good front movement but could have more drive from hind quarters. Not yet fully mature, in excellent coat and condition; 2 Atkinson's **Blakens I Look To You**,

b&t, liked his head, ears and expression. Short back, good topline and very nice straight tail. Well presented in good coat and condition; 3 Philip's **Nordalset Got That Look**, cobby dog with good head and expression, correctly constructed, moved well, could do with a little more drive.

**OD (4-2)** 1 Gee's **Ch Watercroft In A Pickle**, liked his masculine well proportioned head, good mouth and ears and typical expression. Neck flows nicely into his shoulders giving him a good straight and well boned front, moved well both ends and showed well with animation. Well presented and handled to win **CC & BOS**; 2 Phillips' **Ch Blakens Pay Back**, absolutely outstanding dog to go over! Lovely type and so well balanced. Beautiful head and expression, correct bite and large teeth. His crested neck flows into good shoulders and front. Lovely topline and well carried tail. Such a balanced outline and a great showman. His front movement was fine but today his hind movement lacked drive. Well presented in beautiful coat. **RCC**.

**VD (0)**

**MPB (5-2)** 1 Gee's **Watercroft Saffron**, well made and balanced puppy, lovely type, wide feminine head, dark eye and correct mouth. Good bone and substance, level topline and correct tailset. Could lose a little weight to advantage, moved and showed very well; 2 Philip's **Nordalset Chase The Storm**, b&t, good typy puppy well made with level topline. Moved OK. Just preferred the head of 1. Very good coat texture; 3 Hurrion's **Villassa Cherry Tart**.

**PB (3)** 1 Phillips' **Blakens Tootie Fruitie**, beautiful head, correct mouth, liked her balanced outline, good spring of rib, well made body and topline, straight tail. Excellent bone and feet, straight front. Moved very well holding her outline. **BP**; 2 Gee's **Watercroft Pop Picker**, slightly smarter than 1 but with same attributes, very pretty head, good stop, dark eye, lovely expression, balanced outline, well

made body and shape, preferred tail or 1, moved and showed beautifully; 3 Devereux's **Vichea Cash And Carry**.

**JB (5-2)** 1 Dixon & Davies' **Perrisblu Pricilla**, smart youngster of good type. Feminine head. Liked her alert expression, correct mouth, well made throughout with good neck, shoulders, topline and tailset. Moved well holding her topline and showed with animation. In last four for bitch awards – needed more coat and furnishings; 2 Stevenson's **Brickin Simplicity**, b&t of quality bitch or excellent type, still needs time to mature. Nicely proportioned head, level topline, moved with drive but a little loose in front movement; 3 Devereux's **Vichea Heavens Above**.

**YB (2-1)** 1 Hurrion's **Villassa Gold N'Delight**, still a junior and still has maturing to do but of good type. Attractive head, good mouth, reach of neck, and spring of rib. Well boned and tailset, moved with drive.

**UGB (0)**

Has a good outline and straight front, coat just need a tidy up; 2 Philip's **Nordalset Sunny Skies**, good type, well made body, liked head and expression, could lose some weight to advantage as moved a little wide in front; 3 Mounfield's **Arderry She's The One**, a bit unsettled today. Just growing a quality new coat.

**LB (10-4)** The strongest class – appreciated the virtues of all of them. 1 Darnell's **Jacquidon Next Sensation**, b&t, this quality bitch is a lovely type, scores in reach of neck, topline and outline. Moved very well indeed which won her the class. In good textured coat. Should lose a little weight to go to the top; 2 Thompson-Morgan's **Allright Back Bess** (Imp Deu), b&t, another of very high quality, lovely reach of neck and outline, pretty head, liked her correct shoulders and front. Moved well when settled and in correct coat and condition; 3 Devereux's **Vichea Little Gem**, made up a quality trio, tidy and neat, well balanced throughout. Lovely head and expression in good coat and condition, moved well; R Gee's **Watercroft Dream Topping**; VHC Philip's **Nordalset Truly Madly**.

**OB (3-1)** 1 Jenkins' **Ch Kinsridge Top Tip**, this

bitch has had an outstanding year for the breed. I found her stylish, balanced outline “stunning”, both standing and moving. Not a large bitch but very well constructed. Feminine head, super reach of neck, short backed, level topline and tailset. In great coat and condition, moved well, showed with style and animation, **CC & BIS**; 2 Gee's **Ch Watercroft Top Tia**, the only other Norfolk bitch to win her title this year. Very typical in type from this kennel, neat balanced and well constructed. Pleasing head, neat ears, dark eye, and correct mouth. Correct reach of neck, short back, super short upright tail, well bodied and sound. In excellent coat and condition. Not quite the drive in movement, but showed beautifully, **RCC & RBIS**.

**VB (7-1)** 1 Hurrion's **Ch Valentines Cherry Crumble**, **BVIS**; 2 Atkinson's **Ch Hobson's Choice at Moortop**. Two very worthy champions – but a big differences in their ages. Both looking and showing very well. A very difficult decision.

#### Special Award Classes

Judge: Mrs Andrea Smith (*Javidel*)

**Class C – Special Open Dog (4-2)** 1 Gee's **Watercroft Chilli Pepper**, just 6 mths old red quality puppy with a good head, mature for his age, lovely bone and front, still in puppy coat, moved and showed well. Hope he doesn't grow much more; 2 Thompson-Morgan's **Belleville Slipstream**, this dog is improving every time I see him. Another quality puppy, red, with a lovely head and eye, level topline, good front, well let down hocks, hard close coat, has moments showing what a lovely mover he is but needs that little more confidence to give his all.

**Class D – Special Open Bitch (4-2)** 1 Thompson-Morgan's **Allright Black Bess** (Imp Deu), b&t that I have judged before and she still sparkles to me as much as she did last time. Compact and cobby, correct bite, well handled, in a quality coat, moved out well with style and drive, showed non stop; 2 Mounfield's **Arderry She's The One**, her first show on returning to the ring after having had a litter this year. Well set ears, correct bite, strong neck. Her coat just coming back into correct textures.

A really enjoyable day judging this lovely breed with a happy atmosphere around the ring. Congratulations must go to the committee for putting on such a friendly and Christmassy show. My thanks also to Gail Simpson for ably stewarding me for me and keeping things running smoothly throughout the day.

**MPD (3-1)** 1 Gee's **Watercroft Chilli Pepper**, promising red boy, just a little more forward at this stage and slightly more settled on move. Short compact body. Good bone and feet. Tail set good. Lovely head and expression, good ear set and correctly shaped dark eyes. In super coat and presented beautifully. Moved out soundly. Best puppy dog and Best opposite sex puppy; 2 Phillips' **Arderry Penny Red to Jaeva NAF TAF**, lovely baby, not quite so developed as the winner as yet, but pleasing size and balance. Good coat, pleasing head, well set on ears and dark eyes. Just needs to settle on move but he is sound.

**PD (1)** 1 Atkinson's **Charlie Blake**, 8 month red boy, little short of coat at the moment, but it is harsh. Good head and mouth, neat ears and dark eye giving a pleasing expression. Good shoulders, level back and nicely angulated hind quarters. Moved soundly, just needs to tighten up a little in front, but has all the essentials.

**JD (2-1)** 1 Atkinson's **Moortop Marks Delivery**, promising red dog, lovely size and shape, sort and cobby. Good shoulders, well sprung ribs and level topline with well set on tail. Lovely masculine head with dark eyes. Harsh jacket and well presented too. Moved out well with a good stride.

**UGD (0)**

**PGD (1)** 1 Brown's **Dajeon Dotty's Digger**, pale red boy, nice head with well set on ears and dark eyes. Well laid shoulders and level topline which he retained on the move. Good hindquarters, tail just a little low set. Coat needs a little but more tidying up

to show off his outline. Good ground covering stride.

**LD (5-1)** 1 Gee's **Watercroft Coin A Phase**, mature b&t boy. Compact and cobby with good substance. Lovely head and expression and very dark eyes. Well laid shoulders, level topline and good hind angulation. Super coat, harsh and very well presented. Moved out well with a good ground covering stride. Pleased to award him **RBD**; 2 Mounfield's **Arderry Son Of A Gun**, red boy, a touch larger than winner but pleasing shape and cobby body and level topline. Good shoulders and hind angulation. Presented in super harsh coat. Pleasing head, would prefer eyes a little darker. Moved out well; 3 Atkinson's **Blakens I Look To You**; R Haynes' **Cracknor Cut A Caper**.

**OD (3-1)** 1 Phillip's **Ch Blakens The Kandy Man Kan**, super red boy. Mature and presenting a well-balanced outline. Very short and cobby. Well sprung ribs, short legs, neat feet and level topline. Nicely angulated hindquarters and tail set on well. Super head, good width of skull, neat well set on ears and dark eyes. Moved so well, and quite the show boy, not surprised to see that he carries his champion title, **BD** and **BOS**; 2 Brown's **Dajeon Dotty's Digger**.

**VD (1)** 1 Waters' **Southpoint Dante's Inferno**, 7 year old red boy, totally out of coat today but he's a nice size and shape. Masculine head and expression, excellent pigment, eyes could be a touch darker. Moved smartly with purpose and clearly adores his showing.

**SBD (1)** 1 Brown's **Dajeon Dotty's Digger**.

**MPB (2-1)** 1 Gee's **Watercroft Saffron**, clear red girl, pleasing size and short cobby outline. Pretty head with good width and dark eyes. Good nose pigment. Lovely neck, shoulders and well sprung ribs for a youngster. Short level back, tail set on well. Coat still a bit soft but plenty of it. Moved out positively. Promising girl.

**PB (4-2)** Two top quality girls. 1 Phillips' **Blakens Tootie Fruitie**, quality puppy. Just a bit more collected on the move. Super shape and outline, short and cobby, level topline and good hind angulations. Lovely harsh jacket – beautiful head and expression, dark eyes, small neat ears. Moved out soundly, very promising future. Pleased to award her Best puppy bitch and **BPIS**; 2 Gee's **Watercroft Pop Picker**, close up to winner and another lovely puppy showing much promise. Super head, dark eyes and excellent pigment giving a sweet expression. Good substance, short level back and good tail set. Not quite the coat of the winner yet, but it is good texture. Moved well just needs to settle little more, but a quality girl.

**JB (3-1)** 1 Stevenson's **Brickin Simplicity**, pleasing b&t showing lots of quality, won the class on her more collected movement. Pretty head and expression, nice ear set and very dark eyes. Nice neck, shoulders and topline. Good body, still needs a bit more coat but has a harsh texture. Good on move with free positive action; 2 Devereux's **Vichea Heavens Above**, pretty b&t girl, lovely compact size and pleasing outline. Pleasing head, dark eyes and sweet expression. Good neck and shoulders and level topline. Promising girl, just needs to settle on move. Presented in harsh coat.

**UGB (3-1)** 1 Saltmarsh's **Pipridges Holly**, light red girl, who had more compact outline. Pretty head, very dark eyes, could perhaps be a touch shorter in muzzle. Good neck and shoulders, well angulated hindquarters and good tail set. Well presented coat of good texture. Moved out smartly; 2 Hess & Higgins' **Umbrage The Gloriana**, coat not quite in so good order as winner today and slightly longer in the back, she still has a pleasing outline and plenty of substance. Pretty head and dark eyes giving a sweet expression. Good neck and shoulders, level topline and good tail set. Strides out well.

**PGB (2)** 1 Devereux's **Vichea Cash And Carry**, pleasing for her compact size, this appealing red girl needs to settle a little more on the move, but on balance I preferred her overall balanced outline. Pretty head and expression, dark eyes and nose Good neck, shoulders and level topline. Good tail set and lovely harsh jacket; 2 Mounfield's **Arderry She's The One**, carrying a touch too much weight, but overall a good size with a pretty head and expression. I would prefer slightly darker eyes. Good bone and feet, and presented in a harsh jacket. Moved out smartly.

**LB (6-1)** 1 Devereux's **Vichea Little Gem**, this red girl stood out for me in this class, liked her size and compact shape. Strong neck, well load shoulders, good spring of rib and level topline. Feminine head and pretty expression with dark eyes and nose. Moved out soundly and presented in harsh jacket. Moved out well; 2 Darnell's **Jacquidon Next Sensation**, b&t, nice size and shape. Pretty head with well set on set ears, dark eyes and good nose pigment. Short level back, well set tail, good legs and feet. Presented in harsh coat. Moved out smartly with a good stride; 3 Phillips' **Blakens I Want Kandy**; R Philip's **Nordalset Sunny Skies**; VHC Saltmarsh's **Pipridges Hazel**.

**OB (3-1)** 1 Gullick & Tate's **Jaeva Hells Fire**, Beautifully balanced red bitch, quality through and through. Pretty head with the darkest of eyes giving an appealing expression. Super shape and outline, good neck and shoulders, well ribbed with plenty of substance too. Presented in first class condition with a lovely harsh coat. Moved out smartly retaining a level topline. **BB** and no hesitation in awarding her **BIS**; 2 Gee's **Watercroft Dream Topping**, lovely red bitch, pleasing outline and shape and a handy size. Pretty head with a short muzzle, very dark eyes and nose, giving a pleasing expression. Another with plenty of substance and a short cobby body. Presented in a lovely harsh jacket. Good mover with free action. Pleased to award her **RBB** and **RBIS**.

**VB (2-1)** 1 Atkinson's **Ch Hobsons Choice at Moortop**, 12 year old red bitch, in super condition and belies her years. Pleasing short cobby body. Attractive head and expression with well carried ears and dark eyes. Good length of neck and well laid shoulders, all topped off with a harsh coat. Strides out well and clearly still enjoys her showing. I was pleased to award her **BVIS**.

**SBB (2-1)** 1 Hess & Higgins' **Umbrage The Jubilant**, 3 year old read bitch. A touch long in back but overall a pleasing type. Pretty head and expression, well set ears, very dark eyes and excellent nose pigment. Good legs and feet, well laid shoulders and harsh jacket. Moved out well.

**Brace (1)** 1 Saltmarsh's **Pipridges Hazel & Pipridges Holly**, well matched and appealing red girls, both nicely proportioned with good substance. Pleasing heads and expressions. Moved well together holding level top lines, making a pleasing pair.

**Christmas Open Show**  
5<sup>th</sup> December 2015

**Junior Handling Association**  
Judge: Mrs Vanessa Cox

**Class A** 6-11 years (1)

1 **Guy Gibson**, (8 years), first time in the ring for this young man, coped very well and managed to get all the way around the ring with the help of grandma! Hopefully he enjoyed the experience and we'll see him have another go in the future.

**Class B** 12-16 years (2) Two very competent young handlers, a tough decision as both handled their dogs sympathetically and thoughtfully. It's great to see young people interested in showing and handling terriers.

1 **Harry New**, (16 years), good shadowing, set his dog up nicely on the table and showed the bite correctly. Spotted that I changed sides and made sure his dog was always in my view with neat and tidy hand changes, moved his dog at correct pace, **BJH**.

2 **Isobel West**, (14 years), again good shadowing, spotted me change sides with nice neat hand changes, showed her dog at correct pace. Set up nicely on table, showed bite correctly, just didn't spot me move her dog's hind leg out of place, but otherwise very close up.

DCC & BOB: **Ch Blakens Pay Back**  
RDCC: **Krisma Dark N'Stormy**  
BCC: **Krisma Nip In The Air**  
RBCC: **Jaeva Hells Fire**  
BP: **Krisma Dark N'Stormy**

**MPD (3-1)** 1 Britten's **Krisma Dark N'Stormy**, a short, chunky Norfolk pup full of type and mischief. A super head for age with good stop, excellent ears and eye. Strong neck, well placed shoulders and short back, plenty of bone for size. Propelled himself round the ring with reach and drive. Harsh coat in top condition. **BP & RCC**; 2 Atkinson's **Charlie Blake**, different type to 1 being more rangy and longer all through. At this stage he is also plainer in head. Good reach of neck, level topline with well set tail. Moved ok. Well schooled in excellent coat.

**PD (4-2)** A difficult class to judge as both quite different. 1 Thompson-Morgan's **Belleville Slip Stream**, keen active dog who moved well when he settled. Good size and head proportions, dark eye and well placed ears. Enough neck and well placed shoulders. Level topline and well set tail. Excellent harsh coat well presented; 2 Gee's **Watercroft Chilli Pepper**, sturdy young lad perhaps carrying a touch to much weight and with his very full coat did not present the picture of 1. However he has a fabulous head and expression, compact body and super tail length and set. Good bone with lovely cat feet. Moved out well.

**JD (4-1)** 1 Gee's **Watercroft Coin A Phrase**, smart b&t very masculine boy, Good width of skull, well set ears and dark eye. Perhaps could have a little better stop. Good length of neck, level topline. Moved well in front would prefer more rear propulsion. Well turned out and shown to advantage; 2 Atkinson's **Moortop Marks Delivery**, another with excellent width of skull but for me a little short in muzzle. Neat ears, and dark eye. Short back but not the front and rear angulation of 1 which makes for a shorter less ground covering stride. Fabulous harsh coat, showed well; 3 Lloyd's **Orison Custom Cut**.

**PGD (0)**

**LD (1)** 1 Atkinson's **Blakens I Look To You**, a really smart b&t of correct size. He has very good head

proportions, strong muzzle, neat ears and a dark eyes. Cobby body, level topline and tail is well set on. A steady mover with well let down hocks. Another with a harsh coat well presented a strong masculine made dog, but balanced in outline, head correctly proportioned, straight front, well bodied, strong hindquarters & moved well.

**OD (2)** 1 Phillips' **Ch Blakens Pay Back**, so handsome! Every Inch a stallion. A very eye catching, masculine dog that shouts 'all male'. He has a fabulous head and a glint in his small dark eyes that made me smile. Excellent conformation all through, powerful neck with a well laid shoulder, to be critical he is a little short in upper arm but it doesn't detract from his overall quality. Excellent rear construction. Powered round the ring well deserved **CC & BOB**; 2 Ackling & New's **Ruby Rueben ShCM**, an honest norfolk of good type. Good in head, would prefer a smaller eye. Short cobby body. Excellent tail, have judged this boy previously, he is as smart as a pin shown is lovely coat and condition.

**VD (0)**

**GCD (0)**

**MPB (3)** A difficult class to assess as only 1<sup>st</sup> moved round. 1 Gee's **Watercroft Saffron**, I liked this young lady. She has good head proportion for age, neat ears and dark eyes. Correct width of skull, strong muzzle and keen expression. Well laid shoulders, could be a shade shorter but this may well improve. Excels in bone with very good feet. Coat was very blown. Showed and moved well; 2 Bowes' **Bowanne Miss Money Penny**, very immature baby, looked quite over awed by her surroundings. Difficult to assess on the move as she was so hesitant. Overall pleasing make and shape, could have more bone and a little high on the leg at present. Sure time will see her improve; 3 Corfield's **Lagdenfarm Ruby Tuesday**.

**PB (3)** 1 Phillips' **Blakens Tootie Fruitie**, very stylish youngster. In excellent coat and condition. Good width of skull and strength of muzzle but could have more fill under her eyes. A little short in neck which gives the appearance of being long in back. Level topline held on the move. Moved with drive. She put up a good performance to win this class; 2 Gee's **Watercroft Pop Picker**, another bitch with a lovely head and expression. The best of ears and dark eyes. Excellent front construction but could have better drive from behind. Short in back and cobby body. Lovely bone and feet. Tail a little low set. Close decision between 1 & 2; 3 Philip's **Nordalset Chase The Storm**.

**JB (5-1)** 1 Davies & Dixon's **Perrisblu Priscilla**, very smart young bitch. Strode round the ring as if she owned it. Good head and ears. Good coat texture. A shade long in the back at the moment. Handled really well; 2 Stevenson's **Brickin Simplicity**, typy b&t, lovely head and expression. Neat ears. Strong neck, short back, harsh coat. Not helping her handler leaning on the lead; 3 Devereux's **Vichea Heavens Above**; R Lloyd's **Orison Calm Attitude**.

**PGB (7-1)** 1 Devereux's **Vichea Cash And Carry**, I really liked this bitch, she is just my type short cobby and low to ground. Another with a thick short tail which she carried perfectly. Very attractive head. A good mover when she concentrates!; 2 Philip's **Nordalset Sunny Skies**, another of super type. Pleasing head and expression. A little short in neck. Level topline which she held on the move; 3 Saltmarsh's **Pipridges Holly**; R Lloyd's **Orison Midnight Stroll**; VHC Simpson's **Megalex Well I Never**.

**LB (6-1)** 1 Britten's **Krisma Nip In The Air**, a cracking little Norfolk bitch. Neat as a pin. Well balanced throughout. She is not over done in anyway. Loved her head and expression small dark eye. Neat ears which she used well. Correct size. Excellent conformation. Short back, well set tail. Not an extravagant mover but never put a foot wrong. Out showed the competition to win **CC**; 2 Devereux's **Vichea Little Gem**, another of excellent type, very busy young lady who can be a bit of a handful at times! Liked her head shape and expression good length of neck ultra short in back fabulous tail short, thick and carried erect. Showed well when she settled; 3 Darnell's **Jacquidon Next Sensation**; R Philip's **Nordalset Truly Madly**; VHC Saltmarsh's

**Pipridges Hazel**.

**OB (3)** 1 Tate & Gullick's **Jaeva Hells Fire**, have admired this young lady before but today she seemed quite distracted. A lovely example of the breed, with bags of quality. Lovely head and expression. Correct length of neck flowing into well laid shoulders. Short back, cobby body tail bang on. Moving a little close behind today but well deserved **RCC**; 2 Gee's **Ch Watercroft Top Tia**, a top quality champion bitch. One I judged as a puppy. Has a really lovely head with neat ears and dark beady eyes. Ultra short and cobby with excellent bone and feet. The best of tails being well set, thick and short. Showed well moved ok; 3 Thompson-Morgan's **Allright Black Bess (Imp)**.

# YEAR IN REVIEW

The Year In Review is published by The Norfolk Terrier Club of Great Britain – it is updated several times throughout the year until a final version is published.

The aim is to have each show on a separate page so if you print during the year, you only need to print the new pages and can slot them in. (This give-away version does not do this to save paper).

Download for FREE from the club website – [www.norfolkterrierclub.co.uk](http://www.norfolkterrierclub.co.uk) – look for Year In Review on the right. On the YIR page, click Go To Reports. Just above this you can click on the Archive to see previous Years.

This opens the report in a web page. Each page can be printed individually.

If you open on an iPad, at the top right of the screen will be the option to open in iBooks and you can have a permanent copy on your iPad to refer to.

Any questions – ask Fiona!
