Many thanks for my lovely entry. I found the youngsters very promising & a lot of quality in them. Overall the breed was fairly typy & I only found one bad mouth.

**J (7)** 1 Gee's **Watercroft Chilli Pepper**, D, a superb example of the breed. Low & compact. Keen expression. Strong muzzle, correct bite & big teeth. Tail well set & carried. A very showy dog for one so young. Coat coming through. Will follow his show career with interest, **BP, BD, BOB**; 2 Philips' **Blakens Tootie Fruitie**, B, 11 month old bitch. Dark eye. Broad skull & nice sized ear, well placed. Moved well, **BB**, ; 3 Atkinson's **Charlie Blake**, D; R Stevenson's **Brickin Made For You**, B; VHC Philip's **Nordalset Chase The Storm**, B.

I witnessed no aggressive or poor temperaments today which in my opinion a very foreign to this pack terrier. I witnessed no apple heads again which, where some might find them attractive are, by definition incorrect to the standard. Hardly any mouth imperfections from last time I judged the breed. Overall presentation was good.

VD (0)

PD (3) 1 Britten's **Krisma Dark N'Stormy**, rich b&t dog of great breed type. Great for size and overall shape. Loved his head, good neck and shoulder with straight front. Correct bone, well sprung ribs. Good on the move showing overall balance. Like him a lot. Presented, moved and showed well, **BP**; 2 Gee's **Watercroft Chilli Pepper**, red dog of similar size and type, lovely head and eye with correct bite. Straight level topline, shows great drive from behind but not quite the reach in front as 1<sup>st</sup> place, hence 2<sup>nd</sup> today. Well presented and handled; 3 Atkinson's **Alfie Boy at Manybrook**, b&t longer and rangier in type than 1&2. He has a great coat in texture but is longer on the leg, bite OK.

JD (2) 1 Newton's **Strathinver Sea The Stars**, red dog 15 months old, excellent breed type, put together in a great make and shape. Liked his head, eye and bite although could have a tad more strength. Correct bite. Short backed with a level topline, great on the move, showing balance with type both in front, rear and side gait. Coat texture ok although am sure will harshen up each strip with age, **RCC**; 2 Hamar's **Gordon's Boy**, rangier in type than 1. Correct bite and harsh coated but a little too proud of his tail! Could be a little shorter in back.

PGD (6-1) 1 Gee's **Watercroft Coin A Phrase**, b&t 20 months old. Correct overall size and shape and good type. Handsome head with correct eye shape and good bite. Good use of ears and ear placement. Great coat colour and texture. Front OK. Short in back, correct tail set and carriage.

Good on the move but not quite the reach in front; 2 Gee's **Watercroft Hot News**, b&t of great type. Liked his head and expression. Correct coat and good bone. Front assembly not as good as 1 but very good for type so could forgive this; 3 Lloyd's **Orison Custom Cut**, rangier in type than 1&2 but an honest dog, not glamorous but functional. No furnishings but well boned. Head of correct proportions with good bite, moved well once settled; R Hilditch's **Watercroft Royal Mail**; VHC Brown's **Dajeon Dotty's Digger**.

LD (3-1) 1 Jenkins' **Kinsridge Back Chat**, this dog filled my eye standing and did not disappoint on the move. Excellent breed type, strong head but not over rounded, just the slight rounding the standard required. Correct eye shape although could be a shade darker. Correct bite with a strong jaw. Presentation is excellent of his deep red hard wiry coat. Balanced angulation both in front and behind, short back with level topline. Comes alive on the move and delighted to award him the **DCC**, his third I understand. A credit to the breed and his breeder!; 2 Mounfield's **Arderry Son Of A Gun**, slightly longer cast than 1<sup>st</sup>, lovely head and expression. Great bite with strong jaw. Good neck and shoulder but front could be straighter. Would prefer a straighter tail. A very good quality Norfolk male overall, presented, moved and showed well.

OD (4) 1 Gee's **Ch Watercroft In A Pickle**, red dog of correct size, head shape and bite correct, a little heavy in ear. Good overall type. Neck and shoulder OK, front straight but not quite the reach on the move. Enough bone, positive drive on the move from behind. Presented well; 2 Ackling & New's **Ruby Ruben ShCM**, quality Norfolk, OK for size but good type and balanced correct head proportion, ear shape and size. Harsh coated honest dog well off for bone, could be a little sounder both fore and aft but overall shows grand breed type in a balanced structure; 3 Smith's **Javidel May Just Have Too**, not the strength in head of 1&2, slightly longer cast

that 1&2. More angulation behind than in front which shows a lack of balance on the move, he shows himself well and presented in great form; R Lloyd's **Orison Midnight Myth**.

**GCD** (1) 1 Brown's **Dajeon Dotty's Digger**, enjoying his day out at Crufts with his owners today. Nice head and expression. OK for bone. Could be shorter in back. Moved and showed OK.

**VB** (1-1)

**PB** (2) 1 Gee's **Watercroft Saffron**, very pretty feminine 10-11 month old, liked her overall size & shape. Short backed with a level topline. Correct head & eye with a lovely expression. Good bone, moved & showed well with great presentation. Another consistent winner from this kennel; 2 Corfield's **Langdenfarm Ruby Tuesday**, not quite the quality of 1, pretty head not co-operating with her handler today but should be proud as did her best. Enough bone and coat.

**JB** (3) 1 Dixon & Davies' **Perrisblu Priscilla**, red bitch with correct head eye and bite. Dark eye, neck OK. Short backed with level topline. Great on the move showing great balance. Great coat and condition. Presented & handled very well; 2 Devereaux's **Vichea Heavens Above**, coat OK have seen her much better presented. Very feminine head, good bone, dark eye with correct ears. Straight tail, come together once settled on the move; 3 Gee's **Watercroft Pop Picker**, good headed bitch short tight jacket which needs time to fill. Good neck & shoulders but longer cast than 1&2, does need more body.

**PGB** (9-3) 1 Saltmarsh's **Pipridges Holly**, red bitch, bigger in frame than bone but still typy. Strong head with good strength and jaw, correct bite. Short back with a level topline. Could move with more enthusiasm but very balanced on the move. A good honest Norfolk, 2 Devereux's **Vichea Cash And Carry**, red bitch of great type, short back with a level topline. Great head, eye & bite. Far too much enthusiasm for owner to control. Got glimpses of correct movement, could have been better presented today; 3 Lloyd's **Orison Calm Attitude**, b&t, nice head with correct bite, strong jaw, not the overall type of 1&2. Good bone, short back and level topline. Could be a little stronger behind giving more drive; R Batey & Gee's **Watercroft Confetti**; VHC Simpson's **Megalex Well I Never**.

**LB** (7-1) 1 Devereux's **Vichea Little Gem**, decep-

tively correct Norfolk bitch of good size, overall make and shape. Red wheaten in colour, lovely head and expression, good bite. Correct neck, short back with a level topline, great reach and drive on the move once settled. Well sprung ribs with correct body. Proud to award her the **RCC**; 2 Britten's **Krisma Nip In The Air**, when I first witnessed this girl walk into the ring I thought she would be my winner. When going over her she is a little leggier in appearance and not the depth in rib as 1<sup>st</sup>. Narrower in her overall frame as needs to drop, in profile paints a lovely picture. Could have a little more layback in shoulder, not as sound as 1<sup>st</sup>. Rich red in colour, presented and handled well; 3 Darnell's **Jacquidon Next Sensation**, b&t, a little bigger than 1&2. Strong head with good bite and strong jaw, enough bone but very fond of her food! Losing a little weight would help her exhibit more positive movement; R Philip's **Nordalset Sunny Skies**; VHC Cooper's **Settrenda Sweet N Tiddly**.

**OB** (3) a trio of well deserved champion girls. 1 Jenkins' **Ch Kinsridge Top Tip**, 2½ yr old bitch of amazing breed type coupled with balance and soundness. Showing the cheeky Norfolk temperament we all love. Correct head proportions, slightly rounded and well defined stop. Strong jaw with correct bite. Short back with level topline, equal angles both in front and in the rear, which has well let down hocks, great on the move, presented and handled in excellent order, **BCC**. Proud to award the kennel both CCs and to witness my **BOB** bitch to win Terrier **Group 4**; 2 Gee's **Ch Watercroft Top Tia**, similar in overall type to 1<sup>st</sup>, not quite as sound as 1 in front or rear but a great type of Norfolk. Correct head with dark eye and good bite, enough strength in jaw, a worthy Champion presented and handled well; 3 Smith's **Ch Javidel Definitely Maybe**, b&t not putting 100% in today, great overall body good head and expression, longer cast than 1&2 but not long by any means. 1&2 are ultra short. A deserved Champion, presented well.

**GCB** (1) 1 Owen's **Brickin Happy Dance**, head on, great bone, coat coming through. Enjoying her day. On her own in this class, well done to the owners for qualifying.

To my stewards Kim Lathaen & Dave Franks. A few thank you's. First of all to the Crufts committee for thinking highly enough of me to judge my first love, the Norfolk, at Crufts but at the tender age of 39! An achievement to judge but nonetheless at this young age I have been allowed to experience the event at the centenary show. To both mum and dad,

although mum no longer with us, without whom from the age of 11 their unconditional support to drive me to any dog event, ringcraft, open or championship show I wanted to attend my passion for dogs would not have been so fulfilled. Thank you's could never be completed without gratitude to my mentor Martin Phillips who spent and gave so much time in my early years until now to impart any knowledge he could.

We all have the breed at heart as breeders and exhibitors and can disagree as long as we all remember we are only custodians of the wonderful breed the Norfolk and to share humility, sportsmanship at all events, and work together for the good of this breed and dogs in general, we should all remember. I was so pleased with the overall depth in quality although not a huge entry in number.

It was a real pleasure to judge the Norfolks at this well run happy show. My two excellent stewards kept the ring running smoothly and I was very impressed by the quality of the lovely youngsters who were shown today.

handle on the table as he is well put together. Keen expression, decent forehand but couldn't quite match the drive of the winner on the move today.

**MPD (0)**

**PGD (0)**

**PD (3)** 1 Gee's **Watercroft Chilli Pepper**, a most attractive exhibit and at nearly 12 months of age his maturity of body and muscle tone gave him the advantage here. Broad skull with neat well carried ears. Has substance, good bone and is quite cobby and compact. Excellent topline and tailset and he carries himself well on the move. Shown and presented to best advantage, **RBD**; 2 Jenkins' **Kinsridge Cash Flow**, a promising baby who has much to commend him. Pleasing head with keen expression and neat ears. Good forehand, sturdy well ribbed body. Good hindquarters with low set hocks and something behind the tail. Harsh coat; 3 Serrell's **Harlyqinpark Red Robin**.

**LD (3-1)** 1 Atkinson's **Blakens I Look To You**, a short coupled, well ribbed, low set dog. Keen expression pleasing eye, excellent topline and tailset. Scored today with his strong propulsive rear action. **BD, BIS**; 2 Mounfield's **Arderry Son Of A Gun**, shown in a good harsh jacket, clear colour, sturdy and well boned with good legs and feet. Very good topline and tailset, presents a pleasing overall picture.

**OD (1)** 1 Smith's **Javidel May Just Have Too**, low, typy and well balanced with short back, compact well ribbed body. Good breadth of skull, dark oval eye. Shown in good form with a harsh well-presented jacket.

**VD (0)**

**JD (5)** 1 Britten's **Krisma Dark N' Stormy**, b&t, small but masculine and strongly made with a short well ribbed body. Good bone. Dark oval eye, good breadth of skull, ears could be a shade neater. Moved well and shown in good harsh jacket; 2 Newton's **Strathinver Sea The Stars**, a sturdy, well ribbed youngster with good topline and tailset. Decent forehand and moved out well with some propulsion from the rear. Shown in a rather full coat but it is a good texture; 3 Atkinson's **Charlie Blake at Moortop**; R Jenkins' **Kinsridge Doodlebug**; VHC Serrell's **Harlyqinpark Red Robin**.

**MPB (5-1)** 1 Jenkins' **Kinsridge Hey Ho**, small and cobby with a good body for her age, strong short loin. Lovely head and expression with good breadth of skull. Full of life and character – almost too much at times! However, this was reflected in her powerful positive movement. One to watch; 2 Stevenson's **Brickin Devotion**, Close up, very typy and well balanced with an attractive head and keen expression. Moved soundly and she shows to best advantage; 3 Gee's **Watercroft Name Your Tipple**; R Darnell's **Jacquidon No Hesitation**.

**YD (2)** 1 Atkinson's **Moortop Marks Delivery**, shown in a good textured jacket, clear colour and has an excellent topline and tailset. Cobby with perhaps a tad too much width in front. Well ribbed. Good ears and dark oval eye; 2 Gee's **Watercroft Coin A Phrase**, b&t, sturdy and very pleasing to

**PB (8)** 1 Stevenson's **Brickin Full Of Pose**, b&t and a most attractive prospect. Has a really good outline as she is compact and sturdy, good breadth of skull, keen and alert, good forehand with adequate bone and well laid shoulders. Very good jacket. Moved very well with some propulsion from the rear. **BPIS**;

2 Jenkins' **Kinsridge Club Classic**, a grand headed youngster, well balanced and so typical. Cobby with a strong short loin and excellent topline and tailset. Impressed on the move with some drive from the rear; 3 Phillips' **Jaeva Gold Mine**; R Phillips' **Moortop Pay'N Go** TAF; 5 Atkinson's **Moortop Clear Choice**.

**JB** (4-1) 1 Phillips' **Blakens Tootie Fruitie**, typy and well balanced, good head with dark oval eye, neat ears, sturdy, solid cobby body, strong well-muscled hindquarters. Shown in a really good harsh jacket and her movement was first class. **BB & BIS**; 2 Gee's **Watercroft Pop Picker**, Pushed the winner hard and is very close. Excellent forehand, sturdy well ribbed body, very good topline and tailset. Good breadth of skull. Moved well with some propulsion from the rear. **RBB**; 3 Stevenson's **Brickin Made For You**.

**YB** (1-1)

**PGB** (3-3)

**LB** (4-2) 1 Britten's **Krisma Nip In The Air**, very feminine, small and low, compact in outline. Attractive well balanced head. Excellent topline and tailset. Harsh well presented jacket. Impresses on the move with some drive from the rear; 2 Darnell's **Jacquidon Next Sensation**, sturdy and cobby and shown in a good jacket. Pleasing head with good breadth of skull and keen dark eye. Excellent topline and tailset and looks well in profile.

**OB** (4-2) 1 Smith's **Ch Javidel Definitely Maybe**, b&t, a lovely quality bitch I have admired before, cobby and sturdy with a good topline and tailset. Compactly made with good rib. Strong well-muscled hindquarters gave her some drive on the move. In the challenge I felt that the two youngster just had the extra verve which tipped the scales in their favour; 2 Gullick & Tate's **Jaeva Hells Fire**, small and low with a good skull, strong jaw, decent forehand. Good topline and tailset. Well ribbed and shown in a tight harsh jacket.

**VB** (1) 1 Atkinson's **Ch Hobsons Choice at Moortop**, at 13 years of age she was still enjoying her day out, typy and shapely with a clear bright eye and excellent topline. Moved out well for her age, **BV**.

# The Norfolk Terrier Club of Great Britain

## Spring Open Show

16<sup>th</sup> April 2016

Judge: Mr Tim Ball (*Kaitak*)

BD: **Belleville Slipstream**  
RBD: **Blakens I Look To You**  
BB & BIS: **Blakens Tootie Fruitie**  
RBB: **Watercroft Pick Of The Pops**  
BP: **Watercroft Chilli Pepper**

My grateful thanks to the Norfolk Terrier Club of Great Britain for inviting me to officiate at their Spring Open Show. This well run Club put on a super show and the officers and committee are to be congratulated for their efforts. I was thrilled with the entry of 63 dogs and in addition to being numerically strong, the entry was full of quality which bodes well for the breed. Puppies were out in abundance and these classes were particularly exciting to judge with several promising youngsters present on the day. Applause for all class winners was good to hear, and I'm sure greatly appreciated by the winners themselves.

**MPD (2-1)** 1 Thompson-Morgan's **Belleville Call of Duty**, this b&t youngster is such an exciting prospect. At his first show and a tad reluctant on the move but he gradually improved as his time in the ring went on. He appealed for type and presented a super outline with moderate length of neck, level topline, rib developing nicely, short loin and good tail for both set and carriage. Correctly proportioned head with nice width between the ears, dark expressive eye and good dentition. Jacket of excellent texture and very well presented. When he got going he moved true with excellent side gait and carriage. Given a little more time he should do great things.

**PD (4)** Very nice class, the first three greatly appealed and should all have promising futures ahead. 1 Gee's **Watercroft Chilli Pepper**, 12 mth who was the most mature in the class but also full of quality. He excels for type and is a beautifully balanced boy with neck of moderate length, firm level topline, excellent rib, short loin and good tail set. Super front assembly with well laid shoulders, standing nice and straight in front and with round compact feet. Well muscled rear with good turn of stifle. Attractive head and expression with dark, oval-shaped eyes, excellent ears and correct dentition. Hard, wiry coat and shown in first class order.

Moving soundly when viewed from any angle with particularly impressive profile action and using himself to advantage at all times. **BPIS**; 2 Thompson-Morgan's **Belleville Spell It Out**, another quality pup but not quite as co-operative with handler as the winner. He also appealed for type and is so well balanced. Moderate length of neck, level topline and tail set on correctly. Pleasing head of correct proportions with excellent eye and ear. He is soundly constructed throughout and stands nice and straight in front, well-muscled hindquarters with good turn of stifle. Excellent coat and presentation. Moving true and with purpose with excellent drive from the rear; 3 Jenkins' **Kinsridge Cash Flow**; R Serrell's **Harlyqinpark Red Robin**.

**JD (4-1)** 1 Britten's **Krisma Dark N'Stormy**, what a character this b&t boy is! As well as attitude, he is also full of quality. Compact and of excellent type, carrying nice bone and substance. Moderate length of neck, firm straight topline, excellent ribbing, strong loin and tail set on correctly. Quality headpiece with good width between the ears, correct skull to muzzle proportions, dark oval-shaped eye and excellent ears. Hard wiry coat and excellent presentation. Well made throughout with well-laid shoulders, nice straight forelegs, well-muscled rear with nice turn of stifle. Sound, free action with exceptional side gait and carriage; 2 Atkinson's **Charlie Blake**, red of completely different type to the winner and with more 'scope'. He still pleased and has lots of qualities. Strong neck of good length, level topline, pleasing rib and tail set on correctly and of excellent carriage. Attractive head of correct proportions with nice dark eye, strong wedge-shaped muzzle and scissor bite. Well presented with jacket of good texture. He moved well in profile with nice self carriage, has firm driving action behind but front movement could not match that of winner; 3 Serrell's **Harlyqinpark Red Robin**.

**ND (3-2)** 1 West's **Kinsridge Sky Of The West**, 6 yr red dog with a super temperament. Balanced boy with a neck of moderate length, pleasing rib and good tail set. Nice breadth of skull, good eye for colour but a little prominent. Correct dentition. Hard, wiry jacket. Topline could be firmer to advantage. Moving well when viewed in profile with good self carriage, moving true behind but could be better in front both standing and on the move. Well handled.

**UGD (0)**

**PGD (3)** 1 Morgan-Thompson's **Belleville Slipstream**, quality 15 mth who won this class with ease. He is a super type and presented a beautifully balanced outline with neck of medium length, short back, firm level topline, strong loin and the best of tails. Attractive, well-proportioned head with good width between the ears, dark brown oval-shaped eyes, excellent ears and first class dentition. He is so well constructed that he cannot stand wrong and he came into his own on the move, using himself fully at all times. Hard, wiry coat and so well presented. He is still to mature fully but in the challenge he could not be overlooked and was a well deserved **BD** here today; 2 Atkinson's **Moortop Marks Delivery**, red who appealed for his overall type and balance. Another who is nice and compact with moderate length of neck, correct topline, pleasing spring of rib and short loin. Quality head and expression with correct skull to muzzle proportions, well-defined stop and nice strength to muzzle. Dark brown eyes of correct shape and good ears. He stands a tad wider in front than I would like and this is reflected in his action when coming towards. Moving well when viewed from the rear and in profile he moves out with purpose and with good self carriage; 3 Brown's **Dajeon Dotty's Digger**.

**LD (3)** Two very nice b&t headed this class. 1 Atkinson's **Blakens I Look To You**, Compact boy of excellent type who was so good to go over. Super balance with moderate length of neck, firm level topline, good forechest, nice spring of rib, strong loin and excellent tail for set and carriage. Quality head with nice width between the ears, dark expressive eyes and good ears for size and set. Excellent presentation with hard wiry jacket. Such is his construction he just cannot stand wrong and he greatly impressed on the move with his true, purposeful action. Shown to advantage to take **RBD** and Best Black & Tan Dog; 2 Gee's **Watercroft Coin A Phrase**, another who excelled for type and overall balance. He carries nice bone and substance

and super hard, wiry jacket. Nice length of neck, straight topline, nice spring of rib, short loin and tail set on correctly. Attractive, well-proportioned head with well defined stop, strong wedge-shaped muzzle, dark brown eyes of good shape and scissor bite. Well made both front and rear, standing nice and straight in front. He also moves soundly with very good side gait and self carriage; 3 Mounfield's **Arderry Son Of A Gun**.

**OD (0)**

**VD (1)** 1 Waters' **Southpoint Dante's Inferno**, 7 yr old with lots to like. Strong neck of moderate length, firm topline, nice spring of rib and short loin. Nicely proportioned head with nice breadth of skull, strong muzzle and dark brown oval-shaped eyes. On the move, his profile and rear action pleased and he used himself to advantage. His front assembly is not his fortune and this also showed on the move. Super temperament and very well handled.

**SBD (3-1)** 1 West's **Kinsridge Sky Of The West**; 2 Brown's **Dajeon Dotty's Digger**, this boy presented a pretty good outline with moderate length of neck, level topline, nice spring of rib and good tail set. Good width between the ears, nice eye but muzzle a tad longer than desired which affected his expression. Moving well enough when viewed from the side. His front assembly was superior to that of the winner but I felt that 1 was the more typical of the two.

**MPB (7-3)** I really liked the first two in this class even though they were of completely different type and build to each other. 1 Jenkins' **Kinsridge Hey Ho**, 7 month baby who was quite the character. She presented a beautifully balanced and compact outline with medium length of neck, level topline, short back, strong loin and good tail set. Feminine head and expression with correct skull to muzzle proportions, dark oval-shaped eye, wedge-shaped muzzle and correct dentition. She is soundly constructed with nice layback of shoulder, good length of upper arm, standing nice and straight in front and with good feet. Good turn of stifle with well let down hocks. Moving soundly throughout; 2 Thompson-Morgan's **Belleville Ovation**, 8 month who also appealed; she is higher on the leg than the winner and with more neck but another with a promising future ahead I would think. Attractive headpiece with feminine expression, correctly

proportioned with excellent eye and ear, good mouth and nicely furnished. Firm level topline, rib developing nicely, strong loin and tail set on correctly and of good carriage. She is also well made with nice straight forelegs and good turn of stifle. Hard, wiry coat and shown in first class order; 3 Darnell's **Jacquidon No Hesitation**; R Graves' **Nicnips Hashtag**.

**PB (9-2)** A very nice class with some very promising prospects but a variety of different types present. 1 Stevenson's **Brickin Devotion**, super compact girl of excellent type and carrying nice bone and substance. Nicely proportioned head, good width between the ears, well defined stop, strong muzzle and excellent eye and ear; all playing their part to produce a delightful feminine expression. Correct dentition. Medium length of neck, firm topline, nice short back and excellent rib for one so young. Well constructed throughout with well-laid shoulders, straight front, well muscled thighs and good turn of stifle. Moving soundly with good propulsion from the rear. Best Puppy Bitch from a quality entry of young bitches in attendance today; 2 Atkinson's **Moortop Clear Choice**, another quality puppy who appealed for her overall type and balance. She is feminine all through with an attractive, well proportioned head with dark brown oval-shaped eyes, strong wedge-shaped muzzle and very good ears. Super neck, firm level topline, pleasing rib, short loin and tail set on correctly. Excellent coat texture and presentation. Moving so well in profile with excellent self carriage and firm hindquarters with good propulsion. Winner just had the edge in front action.; 3 Jenkins' **Kinsridge Club Classic**; R Phillips' **Moortop Pay'N Go**; VHC Graves' **Nicnips Hashtag**.

**JB (6-2)** 1 Phillips' **Blakens Tootie Fruitie**, this 16 mth girl did absolutely everything for me on the day! Feminine throughout, she excels for type and balance. Strong neck of medium length, firm level topline, nice spring of rib, short loin and tail spot on for both set and carriage. Stunning head and expression with good width between the ears, dark oval-shaped eyes, strong wedge-shaped muzzle, excellent furnishings and correct dentition. Hard, wiry jacket and faultless presentation. Soundly made both front and rear and one who just cannot stand wrong. To complete the picture she certainly knows how to move and uses herself fully at all times. I had no hesitation in awarding her **BB & BIS** and shall follow her show career with great interest; 2 Gee's **Watercroft Pop Picker**, another very nice bitch and unlucky to be in

the same class as the winner today. She is a typy girl with nice bone and substance and presents a super compact outline. Moderate length of neck, excellent topline, well sprung ribs, strong loin and pleasing tail set. Well proportioned head with excellent width between the ears, well defined stop, strong muzzle and first class eye and ear. Hard wiry coat. Moving soundly all through with particularly strong rear action; 3 Philip's **Nordalset Chase The Storm**; R Devereux's **Vichea Cash And Carry**.

**NB (3-1)** 1 Stevenson's **Brickin Full Of Pose**, quality black and tan puppy with nice bone who presented a super outline. Strong neck of moderate length, level topline, nice spring of rib for her age, short loin and tail set on correctly. I really liked her head and expression; nice breadth between the ears, strong wedge-shaped muzzle, dark oval-shaped eye and good ears. Correct dentition. Well made both front and rear with well laid shoulders, correct length of upper arm, standing well in front, well developed thighs and nice turn of stifle. Moving soundly all through. Just needs to concentrate a little more as she was easily distracted but she is only a baby and has lots of time on her side. Best Black & Tan Bitch; 2 Graves' **Nicnips Hashtag**, this 7 mth old puppy has lots to like but she was rather reluctant to move at times and threw her chances away! She is well off for bone and substance and of a nice type. Moderate length of neck, good topline, pleasing rib and tail set on correctly. I liked her head and expression, having good breadth between the ears, well defined stop, strong wedge-shaped muzzle and good eye and ear. Nice coat texture. Standing nice and straight in front and with nice angles behind. When she decided to go, she moved true.

**UGB (3-1)** 1 Gee's **Watercroft Pick Of The Pops**, this 16 mth girl was the clear winner in this class and what a super young Norfolk she is! Typy girl with excellent bone and substance. Feminine headpiece with exquisite expression; good breadth between the ears, dark oval-shaped eyes, excellent ears for size and set and good dentition. Balanced in outline, she had a nice length of neck, firm straight topline, well sprung ribs, strong loin and tail set on well. First class coat and presentation. She is so good over with nice layback of shoulder and length of upper arm, straight forelegs, compact feet, well muscled hindquarters, good turn of stifle and hocks well let down. Using herself at all times, she sets herself up perfectly and moves true and with purpose. **RBB & RBIS**; 2 Hess & Higgins' **Umbrage The Gloriana**, this

3 year old is a completely different type to the winner, lighter in frame and less compact. She has a nicely proportioned head with enough width to skull, dark eye and feminine expression. Pleasing length of neck, level topline and good tail set. She is a little wider in front than desired and this also shows on the move, however she moves nicely in profile and with good drive from the rear. Hard, wiry jacket.

**PGB (3-1)** 1 Saltmarsh's **Pipridges Holly**, 2 yr old who won this class on her type and overall balance. Feminine girl with sweet expression; good eye for shape and colour, correct ears and correct skull to muzzle proportions. Nice length of neck, correct topline, pleasing rib, short loin and excellent tail for both set and carriage. She is well made, standing nice and straight in front and with nicely angulated hindquarters. Good quality coat. She could make more of herself on the move but she is sound enough; 2 Hess & Higgins' **Umbrage The Jubilant**, 3 yr old who is a bit of a livewire! She is a completely different type to the winner. Pleasing head with good width between the ears, dark expressive eye and strong wedge-shaped muzzle. Moderate length of neck, level topline, nicely sprung ribs and good tail set. She moves well when viewed from the side and the rear but is rather wide in front. Compact feet. Good coat texture.

**LB (8-4)** 1 Darnell's **Jacquidon Next Sensation**, 2 yr old b&t who won this class with ease for me. Compact and feminine, she presented a very nice balanced outline with neck of medium length, short back, level topline and pleasing tail set. Attractive head and expression with broad skull, dark oval-shaped eyes, medium sized ears of correct set and strong wedge-shaped muzzle. Nice layback of shoulder, straight well-boned forelegs, muscular thighs and good turn of stifle. Sound on the move, showing herself to advantage, assisted by her very capable handler; 2 Philip's **Nordalset Sunny Skies**, this 2 yr old red is another quality girl but different in type to the winner. Good skull to muzzle proportions, well defined stop and dark eye of correct shape. Nicely balanced and carrying good bone and substance. Strong neck of moderate length, firm level topline, well ribbed, short loin and tail set on correctly. Hard, wiry jacket. Moving well when viewed in profile but she is a tad wide in front both standing and on the move; 3 Devereux's **Vichea Little Gem**; R Saltmarsh's **Pipridges Hazel**.

**OB (2-2)**

**VB (3)** 1 Atkinson's **Ch Hobsons Choice at Moortop**, 12 year old red who is showing signs of her age but her many qualities are still evident. Feminine girl who appealed for type and presented a nicely balanced outline with neck of medium length, level topline, good rib, strong loin and docked tail of correct set. Nicely proportioned head with dark eye, correct ears and keen expression. Well made throughout, she still knows how to move and uses herself fully. Good coat texture. **BVIS**; 2 Smith's **Stridview Bluebell for Javidel**, 9 yr old who differed in type to the winner and she is heavier set all through. Pleasing head proportions with excellent eye and strong wedge-shaped muzzle. She has a tendency to fly her ears which spoils her expression somewhat. Carrying nice bone and substance. Good forechest, well sprung ribs and nice short loin. Soundly constructed throughout and another who uses herself on the move. Hard, wiry coat; 3 McGrath Cole's **Brickin Happy Magic**.

**SBB (0)**

**Brace (2)** 1 **Gee's pair**, well matched brace of excellent type, both soundly constructed with quality coats and shown in first class order. Moving in unison and showing themselves to the max; 2 **Saltmarsh's pair**, mother and daughter who are another well matched pair, similar for type, size and colour and moving very well together.

BP: **Wharfvalley Persuasion**

Thank you for the lovely entry today. Conditions in the hall were not great, very noisy and dirty made even worse because outside the sun was shining and we all wished we could be out there. I would like to thank my stewards who had a very long day.

**MPD (1)** 1 Thompson-Morgan's **Belleville Call Of Duty**, very promising b&t, moving out well on strong well angulated rear, masculine head with a dark almond shape eye. He was in good coat of correct texture. BPD.

**PD (1)** 1 Thompson-Morgan's **Belleville Spell It Out**, a little hesitant at first, but found his feet to move soundly. In lovely coat and has a correctly proportioned head and ears.

**JD (6)** 1 Newton's **Strathinver Sea The Stars**, unsettled to start but soon got down to the job. One of the soundest movers today, compact body, well let down hocks, strong masculine head, dark eyes and well set ears, in great coat of good texture, **RCC**; 2 Gee's **Watercroft Chilli Pepper**, another very promising young man. In wonderful coat and trim. Lovely head and expression, good spring of rib. Ample bone and nicely angulated hind quarters; 3 Atkinson's **Charlie Blake at Moortop**; R Ward & Hamar's **Gorden's Boy**; VHC Hurrion & Miller's **Am Ch Max-Wells Union Jack at Villassa**.

**LD (0)**

**OD (4-1)** 1 Phillips' **Ch Blakens Pay Back**, a very impressive mature Norfolk. Strong muscular body with powerful hind quarters. Head and expression was spot on. Great bone and super spring of rib. He moved soundly with correct reach and keeping a nice outline on the move. Showing all the time. His

coat was in tip top form and groomed beautifully. **CC**; 2 Atkinson's **Blakens I Look To You**, a b&t in super coat of good texture, went soundly both ends. Loved his lay of shoulder and reach or neck, and his super tail set; 3 Newton's **Strathinver Sea The Stars**.

**VD (0)**

**MPB (5)** 1 Thompson-Morgan's **Belleville Ovation**, very pretty puppy, moving soundly and very confidently for one so young. Lovely head and expression. Good bone, short compact body; 2 Gee's **Watercroft Name Your Tipple**, I fell for this pup, standing she was a dream. Tail up showing herself off beautifully. Short compact body, good spring of rib, lovely head. Most of the time she did move and I could see she was sound, but now and again she would put the brakes on. Could not deny her placing here; 3 Jenkins' **Kinsridge Hey Ho**; R Darnell's **Jacquidon No Hesitation**; VHC Grave's **Nicnips Hashtag**.

**PB (6-1)** 1 Green's **Wharfvalley Persuasion**, what a sweet heart! Such a pretty expression but still see the terrier in her. The soundest in this class, very steady striding out well. She had dark eyes and well placed ears, had great bone and substance, well placed shoulders and a lovely front. She was in perfect coat and groomed beautifully. **BP**; 2 Atkinson's **Moortop Clear Choice**, another lovely pup. Short compact with well angulated hind quarters. Showing and moving well. She had a coat of good texture; 3 Phillips' **Moortop Pay'N Go NAF TAF**; R Stevenson's **Brickin Devotion**; VHC Grave's **Nicnips Hashtag**.

**JB (3)** 1 Phillips' **Blakens Tootie Fruitie**, the star of the day. Super all round. Completely balanced through out, she is hard to fault. All her angles are correct, she has a gorgeous head and expression. Feminine yet a true terrier look. Her strong neck

flows into well laid back shoulders, her elbows are close to her body so she has a wonderful front action. She has well sprung ribs and short loin which gives her a strong compact body. She has well muscled hind quarters so she can move around the ring with ease and drive. Her coat was perfect, good texture and trimmed expertly. **CC, BOB**; 2 Stevenson's **Brickin Full Of Pose**, nice type. Loving head and good bone. Strong hind quarters in lovely coat of correct texture. When she moved she went soundly keeping a very pleasant picture; 3 Philip's **Nordalset Chase The Storm**.

**PGB (5-1)** 1 Philip's **Nordalset Sunny Skies**, a lovely bitch, short and balanced with such a good head with all the correct proportions. She moved soundly and with style. She was well angulated with plenty of muscle tone so she could move with ease and drive. Loved her dark red coat that had a good texture; 2 Macartney's **Nordalset Little Bit of Sun for Ivrig**, a b&t with plenty of substance. She was in lovely coat and moved soundly both ways. She has good bone and her head had a pleasing expression. She showed herself to advantage; 3 Simpson's **Megalex Well I Never**; R Saltmarsh's **Pipridges Holly**.

**LB (7)** 1 Gee's **Watercroft Top Tipple**, a lovely head with correct proportions, good bone and well angulated front and rear. Moving with drive and style. Great spring of rib and good strong legs. A lot to like about her; 2 Davies & Dixon's **Perrisblu Pricilla**, eye catching and very showy. She moved soundly on well angulated hindquarters. Good front and pretty head. And she was well balanced. Her coat was trimmed nicely BUT far too much cost preparation had been put in her coat so could not feel her coat texture. But I could not deny her placing because of that; 3 Stevenson's **Brickin Simplicity**; R Darnell's **Jacquidon Next Sensation**; VHC Philip's **Nordalset Truly Madly**.

**OB (2-1)** 1 Jenkins' **Ch Kinsridge Top Tip**, she makes a lovely picture standing and moving. Head of correct proportions, good bone, nice spring of rib. She is beautifully groomed to show off her many virtues and she never shops showing. **RCC**.

**VB (1)** 1 Hurrion's **Ch Valentines Cherry Crumble**, showing like a trooper. Flying round the ring like a pup. Pretty head and expression, compact and well balanced. Looking even better than she did as a youngster. **BV**.

Although a smallish entry, not lacking in stars!

**PD** (0)

**JD** (2) 1 Gee's **Watercroft Chilli Pepper**, nice youngster of lovely proportion, with proper head width and length. More together and in better coat than my other puppy. Like his nice dark eye. Moved well enough to capture **BD**; 2 Philip's **Guestlings Little Red Rascal** (Swed Imp), stylish baby yet to come into his own. I suspect he will! Today looked a bit long in the loin standing however moved beautifully. Just more immature than first on the day. However I liked him very much giving him **RBD**.

**PGD** (1) 1 Lloyd's **Orison Custom Cut**, lacking the type of the first class. Would change the ear set which throws off the head. Shows correct bone. Moves well.

**OD** (1) 1 Lloyd's **Orison Midnight Myth**, I love a b&t but not ready for prime time today.

**PB** (1) 1 Macartney's **Ivrig First Bit Of Joy**, lovely 6 month old of good make and shape, lovely head framed with good ears giving lovely expression. Moving well coming and going and all round. Deserved **RBB** and **BP**!

**JB** (2) 1 Gardener's **Perrisblu Ceris at Danalas**, bitch of decent body, depth and angles, would prefer more head, a bit toyish, moved well; 2 Philip's **Nordalset Chase The Storm**, lovely bitch who decided she didn't want to be with us. I am sure on another day she had a very bright future in the ring and she was so correct and nice to go over!

**PGB** (3) 1 Gardener's **Perrisblu Liberty at Danalas ShCM**, nice type bitch but badly in need of some trim. Pleasing head with well placed large teeth, correct body and bone, moved well; 2 Lloyd's **Orison Midnight Stroll**, this bitch is not of correct size, lacking head and body. Can't determine if it is age or just condition.

**OB** (4-1) 1 Gee's **Watercroft Pick Of The Pops**, a beautiful type bitch I would covet to take home! Beautiful head, correct planes, lovely eye and ears, plenty of neck to her lovely back. In great condition with proper coat. Stands up over herself with proper coat. Stands up over herself and moves with drive and ease. She tops my entry with **BB & BOB**.

Probably the hardest BOB I've ever done, both super quality, full of breed type, I went for the dog because he was really asking for it, nice to find out they were half siblings. Really sad to find dirty teeth in dogs this young.

**PD (2-1)** 1 Thompson-Morgan's **Belleville Call Of Duty**, quality youngster, attractive head with dark eye, correct shoulders, straight front, short back with strong loin, strong rear, in good trim, moved out easily, **RCC**.

**JD (1)** 1 Atkinson's **Charlie Blake at Moortop**, nice youngster, good outline, correct dentition, strong muzzle, good quarters, level topline kept on the move, well presented.

**PGD (1)** 1 Tamar's **Gorden's Boy**, nice head with dark eye, well laid shoulders, short back, strong quarters, moved out well.

**LD (4-1)** 1 Gee's **Watercroft Chilli Pepper**, a real stallion, true to type, superb head with strong muzzle, dark mischievous eye, super well boned front with correct angulation, well ribbed, short back with strong loin, muscular rear which showed in his strong driving movement, presentation was perfection, **CC & BOB**; 2 Newton's **Strathinver Sea The Stars**, nice type, good head and expression, well boned, correct quarters, short back, in good coat, he moved like a stropky teenager, should ettle down; 3 Lloyd's **Orison Custom Cut**.

**OD (4-2)** 1 Phillips' **Ch Blakens Pay Back**, masculine head with good bite, small dark eye, well muscled and angulated quarters, short back, moved out well, sadly carrying some weight over his shoulders, which spoilt the outline; 2 Atkinson's **Blakens I Look To You**, good outline, quality head with correct ear carriage, straight front with good bone, well ribbed, strong loin, good rear angulation, in good coat, moved out well.

**PB (10-8)** Best class of the day, in the end it was down to whoever wanted it more. 1 Phillips'

**Moortop Pay'N Go** NAF TAF, super young lady, pretty head with lovely expression, feminine throughout, in top condition, her movement was excellent for her age, **BP**; 2 Thompson-Morgan's **Belleville Ovation**, another feminine youngster, same attributes as 1 but not as settled on the move; 3 Atkinson's **Moortop Clear Choice**; R Jenkins' **Kinsridge Club Classic**; VHC Darnell's **Jacquidon No Hesitation**.

**JB (5-1)** 1 Phillips' **Blakens Tootie Fruitie**, another quality youngster, feminine head with super mouth and dark eye, super front, short back, strong loin with correct tailset, good rear angulation, although feminine she has good bone, movement was effortless, **RCC**; 2 Stevenson's **Brickin Full Of Pose**, b&t, superb outline, very feminine throughout, pretty head with attractive expression, good quarters, well bodied with short back, in good coat, sadly she had been spooked so although her movement was true, her tail was down, too good to take end of line; 3 Gardener's **Perrisblu Ceris at Danalas**; R Corfield & Corfield's **Lagdenfarm Ruby Tuesday**.

**PGB (6-2)** 1 Devereux's **Vichea Cash And Carry**, good head with dark eye, straight front, well ribbed, strong loin, good rear angulation, acted on the move; 2 Macartney's **Nordalset Little Bit of Sun for Ivrig**, b&t, on the heavy side, spoilt her outline, moved on; 3 Owen's **Brickin Happy Dance**; R Lloyd's **Orison Midnight Stroll**.

**LB (8-3)** 1 Gee's **Watercroft Pick Of The Pops**, lovely feminine outline, good head with dark eye and perfect dentition, medium length of neck, correct shoulders, good quarters with plenty of bone, short back, strong loin, well presented, moved out with drive; 2 Stevenson's **Brickin Simplicity**, b&t, nice type with typical outline, sweet head with dark eye, well bodied with good quarters, moved well; 3 Devereux's **Vichea Little Gem**; R Darnell's **Jacquidon Next Sensation**; VHC Gardener's **Perrisblu Liberty at Danalas ShCM**.

I liked this dog a lot, but must give more; 2 Vassboth's **Multi Ch Adorabel Time Bandit**, this is an all round good type throughout. Well balanced & constructed, in good coat. Just a little excessive; 3 Britten's **Krisma Dark N'Stormy**.

**OD** (3) 1 Atkinson's **Blakens I Look To You**, very good head, eye, mouth & expression. His forehead construction had angulation & firm articulation, good topline, set on, hindquarters & coat. Sound but not the reach in stride.

**OB** (6-1) 1 Jenkins' **Ch Kinsridge Top Tip**, or isn't she tip top throughout, I can write about her outstanding type & construction, quality head & expression, but how to describe complete symmetry & attitude, when the parts are there, it is how they mold together that brings greatness, **CC** and **BOB**; 2 Britten's **Krisma Nip In The Air**, this is a very nice bitch who was close up, I was most impressed. **MPD (1)** 1 Philip’s **Nordalset Made To Boogie**, smart pup, attractive personality & showing well for age. Liked his head & dark oval eyes, sound front, excellent topline, neat rear. Tail comes over too far & he is still a trifle fat. Moved OK.

**PD (1)** 1 Horne’s **Marchdens Mark My Words**, lovely boy, liked his strength of head & muzzle, neat ears, OK in front but he is a little too wide coming towards. OK for bone, feet a wee bit flat. Great body & quarters & well set tail. In good coat & body, **RCC**.

**JD (2-1)** 1 Thompson-Morgan’s **Belleville Call Of Duty**, lovely neck set into shoulders but he needs a touch more length to upper arm & front movement could be improved, good bone & tight feet, level short back, tail carries over back too much. In lovely jacket. Moved well in rear.

**PGD (1)** 1 Ward & Hamar’s **Gorden’s Boy**, good head, pleasing expression correct width of underjaw, fair front, ribbing could be a little linger maybe. Tail comes over too much. OK rear, maybe a touch more neck would improve.

**LD (2-1)** 1 Gee’s **Watercroft Chilli Pepper**, very nice indeed & I admired his head & correct length of neck, good front & forechest, level back, tail well set, He was a little distracted & was crabbing up & down but overall a cobby substantial boy of good quality.

**OD (3-1)** 1 Jenkins’ **Ch Kinsridge Back Chat**, nice to go over & he has wonderful balance of height to length, presenting a lovely picture standing which he keeps on the move. Eyes could be a shade darker & I disliked his tail, nearly flat to his back, but overall he is a beautiful Norfolk for type & deportment, **CC**; 2 Atkinson’s **Blakens I Look To You**, beautifully muscled & very fit, his tail carriage was impressive

& he was in great hard jacket. He is however rather too long in back & didn’t have the great balance of winner. Moved soundly & well handled.

**VB (2)** 1 Green’s **Wharfvalley Diamond Diva**, very nice girl indeed, she was showing her heart out, moving truly & with some drive behind. Pleasing head & dark eyes, nicely set, well made right through & in lovely coat. A little star!; 2 Owens’ **Penmire Lilac**, older & also enjoying herself & knew her job on the move. Topline not quite what it must have been a few years ago, but very attentive & still has lovely tight feet.

**MPB (3)** 1 Hamar’s **Lagdenfarm Pumpkin Pie**, promising especially in rear which is really spot on. She is so flat over the shoulders that she paddles a little in front, but less weight should improve this. Good size, pleasing head & expression. Coat still soft especially on her head; 2 Gardener’s **Northwool Jenni And Romance at Danalas**, in better coat but very narrow across the quarters & flat in feet. Tail carried too far over back. Good body, lovely head & eye placement; 3 Bliss’ **Kenberlynn Magic Moments over Stagbatch**.

**PB (5-1)** 1 Gee’s **Watercroft Diamons N’Pearls**, lovely outline with a well set & carried tail which does improve the breed tremendously. She is still rather weak & lacks strength in movement but surely this will come with exercise. Very pleasing overall & should do well in future after a few more months maturing, **RCC**; 2 Darnell’s **Jacquidon No Hesitation**, solid & perhaps fitter than winner but a really bad screw tail put her second & her neck is short rather than medium in length. Great body & quarters are good, in lovely coat too; 3 Macartney’s **Ivrig First Bit Of Joy**; R Gee’s **Watercroft Tiptoe**.

**PGB** (8-4) 1 Jenkins' **Kinsridge Hey Ho**, still a puppy & very joyful! Just a bit over the top but great to see. I loved her outline & tail carriage, neat conformation & lovely outline. Not quite sturdy enough as yet, but that will come. Moving truly & with some style. **BP, CC, & BOB**; 2 Gardener's **Perrisblu Liberty at Danalas**, heavier with the most attractive head & deep pigment. Good backskull & strong muzzle, enough neck, she is between coat at present & rather long in back, but otherwise a really nice bitch all through; 3 Devereux's **Vichea Cash & Carry**; R Owens' **Brickin Happy Dance**.

**LB** (5) 1 Davies & Dixon's **Perrisblu Priscilla**, she is a little 'doggy' & certainly overweight, but such a good strong bitch, true mover, well made & in lovely coat. Tail comes over too much but so did the second's; 2 Gee's **Watercroft Pick Of The Pops**, not quite as good in shoulders as winner & needs a touch more length of upper arm. Smart & well bodied, OK in rear & quite precise on the move, shows well; 3 Stevenson's **Brickin Simplicity**; R Darnell's **Jacquidon Next Sensation**; VHC Devereux' **Vichea Little Gem**.

I was very pleased with this good entry, with good depth of quality in all but one class. I found the usual Norfolk virtues, ie happy attitude & good driving hindquarters, in the majority. The recurrent fault of steep shoulder placement & short upper arm giving restricted wide front movement was evident in quite a few. But mouths were good – I found only one totally incorrect bite, though a couple were a bit tight, & most were fairly clean!

**VD (0)**

**PD (3)** First two both very attractive & promising. 1 Horne's **Marchdens Mark My Words**, very smart pup of good breed type, preferred his more correct size & longer ribcage. Excellent head of correct proportions & shape, good shoulders, front & bone. Short level back, excellent hindquarter construction, good stifle angulation & low hocks giving good drive. Movement sound & true. Presented in excellent coat. 2 Philip's **Nordalset Made To Boogie**, lovely pup but a size larger. Excellent head, good stop, strong muzzle & perfect bite. Well boned front legs, shoulders quite well laid back. A shade long in back, but not in ribs. Good hindquarters, quite well angulated & balanced mover. Good coat; 3 Woolnough's **Northwool Rusty At Romance**, nice type in good coat but not as soundly constructed as winners. Lacks drive when moving though quite neat, straight & true when viewed front & rear. Youngest of the trio, lots of time needed.

**JD (1)** 1 Thompson-Morgan's **Belleville Call Of Duty**, super black & tan, but so obstinate! Perfect head nicely curved skull, broad & strong enough for age (13mths), muzzle of correct length & good stop. Excellent teeth & bite. Well boned straight front legs & shoulders quite well laid back, with correct length neck for balance. Short level back, well ribbed body. Strong hindquarters, well bent muscled stifles, low set hocks, moving with drive, sound & true. Beautifully presented & smart. With maturity & more

cooperativeness definitely CC quality!

**PGD (0)**

**LD (3)** Very very close between first two.

1 Gee's **Watercroft Chilli Pepper**, smart red, excellent coat & presentation, sound body with level back & good length ribcage. Beautiful head, broad skull, good stop, strong muzzle, perfect teeth, very typical alert, appealing expression. Correct length neck flowing into very well lad back shoulders, straight front legs, good bone. Excellent, strong hindquarters, moving with good drive from well bent stifles & low hocks. Strides out very well in front, which won him the class, a pleasure to watch moving once he settled! **RCC**; 2 Britten's **Krisma Dark N'Stormy**, most attractive black & tan, smaller, more compact ideal size, with good bone & substance. Very typical head of correct make & shape, most attractive expression. Not quite as good in neck & shoulder, but moves smartly & freely but not as much reach & drive as 1. Short back, good ribs, level topline & good hindquarters. Super coat & condition; 3 Wilson's **Pullemtugem Tumbillentern**, attractive, alert & typical, but out of coat & not as soundly constructed as winners, thus didn't move as well or keep a level topline.

**OD (4)** Four good quality dogs.

1 Newton's **Strathinver Sea The Stars**, easy winner, super sound, handsome, excellent breed type & attitude! Head very similar to limit winner, broad curved skull, deep stop, short strong muzzle, good big teeth, correct scissor bite. Sparkling alert dark eyes, very appealing expression. Excellent neck, shoulders very well laid back – the best today – perfectly straight front legs, excellent bone. Strong body, short level back, good length ribcage. Moves with good stride & drives strongly from well-shaped hindquarters. First class jacket completed picture of star quality dog, champion today! Pleased to award 3<sup>rd</sup> CC, though was pushed hard by limit winner. But

I'm afraid the bitch 'demanded' BOB! **CC**; 2 Jenkins' **Ch Kinsridge Back Chat**, smaller type, short & cobby that I prefer but not as soundly constructed in forequarters as 1, thus less stride, though very neat tidy mover viewed front & rear. Very typical attractive head of excellent shape & proportions, fitting the breed standard, but I preferred winner's oval darker eyes. Hindquarters well angulated & low set hocks moving in parallel. Won his place on type & balance; 3 Atkinson's **Ch Blakens I Look To You**, handsome b&t of similar type to 1 but none of them could match the winner on shoulder placement, all 3 lacking correct layback. Lovely head & expression from dark eyes, & has good bite. Very well angulated hindlegs with good drive but overall movement less balanced & coordinated. Good quality coat presented well; R Hurriion & Miller's **Am Ch Max-well's Union Jack at Villassa**.

**GCD (0)**

**VB (2-1)** 1 Hurriion's **Ch Valentine Cherry Crumble**, what a show girl, certainly knows she's a champion & really pushed top winners hard, giving way to kennel mate for RCC! Fits standard to a 'T', moves & shows with style & flare from well-constructed front & rear. Gorgeous head & expression, good bite & clean teeth. Just not quite in as good a coat as CC winner, but I do love her! **BV**.

**PB (9-1)** Busy class of happy puppies, one or two a little unsure, the first three stood out for me, all needs lots of time!

1 Phillips' **Jaeva Kiss This**, one of the youngest but I picked her out as she came in the ring, a little beauty of great promise, presented prettily in full puppy oat. Excellent head, eyes & teeth. Quite good in neck & shoulders, better than the rest. Good front & bone, short level back, good length ribs with correct depth for age. Very well angulated hindquarters moving with drive & was showing very well most of the time but a bit unsettled at end of class. She'd fully recovered for best puppy competition which she won as I'd fallen for her, but the dog pup was equally worthy. **BP**; 2 Gee's **Watercroft Diamonds N'Pearls**, very attractive, showy, slightly older pup in excellent coat & condition. Not quite as short in back but good length ribs & excellent hindquarters, moving sound & free with good drive & level topline. Could have bit better shoulders, but straight well boned front legs striding out well. Happy,

confident & eye catching; 3 Darnell's **Jacquidon No Hesitation**, very nice type, which this kennel seems to have, moved & showed very well in good coat. Not quite as free behind as above & less bone. But most promising, with typical head & expression & good teeth; R Macartney's **Ivrig First Bit Of Joy**; VHC Gardener's **Northwool Jenni And Romance at Danalas**.

**JB (4)** 1 & 2 very close decision.

1 Thompson-Morgan's **Belleville Ovation**, very smart, sound youngster, typical head, skull & muzzle in good shape & proportions, bright alert expression from dark eyes; good teeth. Good shoulders with enough layback, correct length neck, straight front legs, but not as much bone as 2<sup>nd</sup>. Short level back, body maturing well has good length ribcage. Strong well angulated hindquarters, driving action from low hocks, moves freely & tidily which won her 1<sup>st</sup>. Quality with promise; 2 Stevenson's **Brickin Made For You**, beautiful bitch who really appealed to me but let herself down moving, performing twirls as she went & throwing her legs about making proper assessment difficult! Lovely head, broad curved skull, good stop, shortish strong muzzle with correct bite. Shoulder placement & front good, well boned & good cobby body, long deep ribcage. Super hindquarters which powered her along in every way! I hope she settles down a bit as she is full of quality. Coat just going over; 3 Green's **Wharfvalley Persuasion**, very attractive & full of promise, still rather immature. Finer build than above & head needs to broaden though it has good length proportions & stop. Like many of the entry could be better in shoulders but has good well shaped hindquarters, so not quite as balanced moving as 1<sup>st</sup> though topline is level. Good texture coat just coming through; R Phillips' **Moortop Pay'N Go NAF TAF**.

**PGB (5-3)** 1 Cooper's **Settrenda So Saucy**, pleasing to go over, found sound construction, everything in correct proportions. Attractive typical head, bright dark eyes, good bite. Straight front, shoulders laid back ok, & quite good neck. Good texture coat, looking smart, compact body with good ribs. Strong well angulated hindquarters giving good sound movement; 2 Gardener's **Perrisblu Liberty at Danalas ShCM**, very well trained & handled, moving smartly & soundly up & down but does lack stride & drive due to lack of enough angulation front & rear. Quite nice head, alert expression from good dark eyes, & has good teeth. Correct texture body coat.

**LB (3)** Three lovely bitches.

1 Gee's **Watercroft Pick Of The Pops**, beautiful eye-catching red of lovely type. Very soundly constructed & won here on her perfectly straight, true movement, overall balance & excellent coat. Most pleasing head with broad skull, good stop strong shortish muzzle & correct bite. Nicely laid back shoulders, straight well boned front legs, short level back, well ribbed cobby body, excellent hindquarters. One of my top 3 bitches making decisions very close;  
2 Stevenson's **Brickin Simplicity**, equally good quality b&t but her erratic movement let her down. Very similar correct head with typical breed expression from mischievous dark eyes, good teeth. Good bone & substance, short back & deep long ribs. Not quite such good angulation of shoulders or hindquarters but nicely balanced overall & very appealing. Coat just going but texture good;  
3 Darnell's **Jacquidon Next Sensation**, very attractive typical b&t with good head & alert expression from nice dark eyes, correct bite. Quite soundly made throughout though not so good in shoulders than both above & moved a bit wider at times, but good well angulated hindquarters & driving rear action. Coat just coming through. Has a lot to like about her.

**OB (6-2)** Another trio of lovely Norfolks.

1 Jenkins' **Ch Kinsridge Top Tip**, has the attitude of a total star, she demanded attention & the top awards! I was quite taken aback by how much she charmed me as she is rather different type to my usual taste, but she has a certain charisma that you cannot ignore! Ideal size, ultra short back & cobby body, well sprung good length ribcage. Super head of correct proportions & cheeky expression, though I must admit I would prefer a smaller, darker eye but this is a minor imperfection amongst her many merits. Good structure fore & hindquarters giving free striding gait from short legs. Harsh texture coat presented perfectly, stylish show-girl. **CC & BOB**. Congratulations on equalling breed record & subsequently attaining it;  
2 Hurrion's **Villassa Cherry Tart**, loved this one who appealed to me being her mother's (VB winner) daughter! Sweet expression from bright dark eyes, typical head of correct proportions & bite. Excellent neck flowing into well laid shoulders; very well-muscled & angulated hindlegs with low hocks, covers the ground well on the move, true straight reach & drive, coming & going. Short enough in back with good length ribs. Good quality coat coming through well, most attractive youngster. Took **RCC** from under the nose of LB winner, there was just something about her that clicked with me!

**PD (2)** 1 Philip's **Nordalset Made To Boogie**, typy boy in a full coat. Nice in head & expression, well placed ears, dark eye & well filled foreface. Good front, nicely made body with a good spring of rib & level topline. He has well made hindquarters & moved well when he co-operated with his owner, saying that he's just a puppy. His heavy coat was well groomed but needs some attention; 2 Woolnough's **Northwool Rusty At Romance**, pleasing head & expression with good ear placement, shame his bite isn't correct. Good front, body well ribbed but would have likes him a little shorter in back. He has a good turn of stifle with a correct tailset. In a short harsh coat.

JD (0)

**PGD (1)** 1 Atkinson's **Charlie Blake at Moortop**, nice type with a good clean outline. Pleasing in head with well placed ears, good stop, nice dark eye, but would like him a little shorter in muzzle. Nice front with good shoulder angulation, compact body & short back. Strongly made back-end & correct tail-set, moves well both ways. In good coat, alert & showy boy.

**LD (2)** 1 Gee's **Watercroft Chilli Pepper**, smart male & very typy. Nice in head with a good width of skull, well placed ears, correct shaped eye, well filled muzzle. Good neck & shoulders, straight front. Compact well made body, low to ground. Nice well made hindquarters, excels in turn of stifle, short in hock. Tail-set correct, first class coat & presentation. Moves well both ways, makes a nice balanced picture, **RCC**; 2 Britten's **Krisma Dark N'Stormy**, b&t with a nice expressive head. Good ear set & well defined stop. Cobby well made body, nice turn of stifle & correct tail-set. In nice coat, not moving as positively behind as 1. A 'gassy' and enthusiastic showman.

**OD (5-2)** 1 Newton's **Ch Strathinver Sea The Stars**, nice size & compact boy. Really nice head with a defined stop, ears set well & nice dark eye. Good neck that flows into his well angulated shoulders, good forechest & straight front. Well sprung ribs, short coupled & level topline. Strong well made hindquarters, correct tail-set. In good coat & condition, moves with sound unrestricted movement. Never gave up showing, **CC**; 2 Thompson-Morgan's **Belleville Call Of Duty**, b/t, not too happy on the table. He has a nice head & expression. Good neck & shoulders, straight front, well ribbed body, but would like him a shade shorter in back. Good hindquarters with the correct tail-set. In good coat & condition, moves quite well but needs to improve in his showmanship; 3 Atkinson's **Ch Blakens I Look To You**.

VB (1-1)

**PB (6-2)** 1 Gee's **Watercroft Diamons N'Pearls**, very much a baby but so confident. Nice head that will continue to develop further. Good front, pleasing body which is compact enough at this age. Well made hindquarters & knows how to use them, correct tail-set & in a good quality coat. Sound both ways & a happy showgirl. **BP**; 2 Macartney's **Ivrig First Bit Of Joy**, nice head & expression, good ear placement & dark eye, would have liked them a shade smaller. Failed in front to 1. Well made body with a good spring of rib, good hindquarters & tail-set. Overall picture looks good, but coat would be improved with some judicious trimming; 3 Gardener's **Northwool Jenni And Romance at Danalas**; R Woolnough's **Northwool Romance To Libby**.

**JB (8-2)** Nice quality. 1 Thomson-Morgan's **Belleville Ovation**, lovely junior who I seriously considered for the RCC, her day will come. Really nice feminine head & expression, ear-set correct, good eye colour with a well defined stop. Nice neck & shoulders, straight in front. Short backed cobby

body, well made strong hindquarters with a correct tail-set. Lovely in profile & moves soundly both ways. Nice showgirl; 2 Atkinson's **Moortop Clear Choice**, similar in many ways to 1. Compact short body, correct spring of rib & short coupled. Well made hindquarters. Nice outline, level topline & in a correct quality coat. Not always helping the handler!; 2 Cooper's **Settrenda So Saucy**, slightly larger than 1 & longer cast. Pleasing head with well placed ears, good front & well ribbed body, could be shorter coupled. Tail-set correct, could move better behind, presented well but coat on the softer side.

**LB (2-1)** 1 Gee's **Watercroft Pick Of The Pops**, very nice looking girl, appealing head, nice dark eye & well placed ears. Good neck & shoulders, straight front with a good forechest. Good neck that blends well into well angulated shoulders, level in topline. Cobby well balanced body, strong well muscled hindquarters good with a good turn of stifle & correct tail-set. Lovely feminine head, correct proportions, well placed ears with dark correct shaped eyes, well defined stop with a well filled muzzle. Correct length of neck which flows into her correctly angulated shoulders & level topline. Good forechest & straight front. Well sprung & compact body, another with a correct turn of stifle & short hocks. Strongly made hindquarters that she uses to move around the ring with a fluent driving action. In a top quality well presented coat, showed all out. **CC & BOB**; 2 Hurrion's **Villassa Cherry Tart**, another quality bitch with a very feminine head & expression. Good neck, shoulders & front. It is always a pleasure to judge Norfolks, a breed I have been associated with for many years. The day started wet & Norfolks hate getting wet so we had to manage in the indoor ring, some didn't mind too much, some hated it. But it did clear later and were able to go outside. There was a great atmosphere around the ring & lots of laughter too, & applause for all the winners much appreciated. It was a shame that the behavior of one exhibitor nearly spoiled the day but thankfully the rest of the breed are more than pleasant & accepted my placings gratefully.

## VD (0)

**MPD (1)** 1 Stevenson's **Brickin Pot Of Pickle**, red dog of a lovely type, very together both standing & moving, good head & dark eye, very good front, good topline, moves & shows well, **BP**.

**PD (1)** 1 Philip's **Nordalset Made To Boogie**, very masculine dog, dark, excellent mouth, good neck & topline, good coat texture, not really settled on the grass today & also hope he doesn't grow anymore.

## JD (0)

**PGD (1)** 1 Atkinson's **Charlie Blake at Moortop**, very nice red dog, really nice to go over, good neck & shoulders, excellent topline, short coupled, lovely head & expression, excellent mouth, super front standing.

**LD (2-1)** 1 Gee's **Watercroft Chilli Pepper**, very showy young male of 16 months, super head & expression, neat ears, excellent mouth, good neck & shoulders, well bodied, in super coat & well handled, could have moved better on the grass but today most of the Norfolks didn't move as well as I know they can. Looked good in the challenge & won the CC, his second.

**OD (5-1)** Most difficult with heavy rain & a restricted indoor ring & many struggled moving.

1 Newton's **Ch Strathinver Sea The Stars**, very smart dog, very short & compact, good neck & shoulders, excellent topline, in super coat, moved OK in profile. **RCC**; 2 Atkinson's **Ch Blakens I Look To You**, b&t male who I liked when he came in but gave his handler a hard time especially on the move, a lovely type, all male with a lovely head & expression; 3 Thompson-Morgan's **Belleville Call Of Duty**; R Hurrion & Miller's **Am Ch Max-Wells Union Jack at Villassa**.

**VB (1)** 1 Hurrion's **Ch Valentines Cherry Crumble**, 9 years old & what a smart little mover & took it all in her stride, moves with such purpose & really looked the part, excellent coat texture & well handled, **BV**.

**MPB (1)** 1 Phillips' **Jaeva Keen As Mustard**, very promising young bitch, very assured on the move, she has a most feminine head & expression, dark eye, excellent mouth, good neck & shoulders, excellent topline & tailset. Hopefully her coat will harden with age but at 7 months sure that will happen.

**PB (2)** 1 Gee's **Watercroft Diamons N'Pearls**; 2 Macartney's **Ivrig First Bit Of Joy**, two babies & both unruly today so splitting was not easy. 1 is out of a smaller mould, nice in head & expression. To be critical would like a bit more strength. 2 was a little bigger & doesn't need to grow any more, not in her best coat today & started the class moving well but then decided to muck about.

**JB (8-3)** This was a difficult class with so many not moving well & poor heads.

1 Hurrion's **Villassa Too Choosi**, very feminine bitch & outmoved the rest & the most collected, she is sound coming & going, very nice in head & dark eye giving good expression; 2 Stevenson's

**Brickin Made For You**, red bitch & nice to go over but not as collected, she has a nice head too but not as feminine as 1, very good front standing, excellent topline, now needing a new coat; 3 Darnell's **Jacquidon No Hesitation**; R Green's **Wharfvalley Persuasion**; VHC Atkinson's **Moortop Clear Choice**.

**PGB** (1) 1 Gee's **Watercroft Saffron**, really sound moving bitch, one of the best today, she has a lovely head, near ears, excellent mouth, good front, just carrying a little too much weight today but well deserving of first place.

**LB** (5-1) 1 Gee's **Watercroft Pick Of The Pops**, best mover here in this class, well put together, straight front, nice in head & expression, good topline & tailset. To be critical would like her a touch shorter in body, **CC**, her second & **BOB**; 2 Thompson-Morgan's **Belleville Ovation**, red bitch & not as settled as 1 both standing & moving, she has a nice outline & was in good coat but not the head quality of 1 & where I split them; 3 Stevenson's **Brickin Simplicity**; R Darnell's **Jacquidon Next Sensation**.

**OB** (6-2) 1 Phillips' **Ch Blakens Tootie Fruitie**, very nice bitch, really looked the part standing & moving, very feminine head & expression, neat small ears, excellent front, very sound both ways & shown in sparkling condition, would just like a bit more strength in head, **RCC**; 2 Hurrion's **Villassa Cherry Tart**, very good moving bitch & really covers the ground, very good in outline, enough neck, good topline & tail, super texture & coat; 3 Campbell's **Nordalset Mad About You**; R Nunez's **Jaeva Tic Tac**.

**LD (4-1)** 1 Gee's **Watercroft Chilli Pepper**, a very nice head with good width of skull and strong muzzle, a cobby body with well sprung ribs, very well presented coat giving good outline, kept level topline on the move; 2 Atkinson's **Charlie Blake at Moortop**, a nice type with pleasing head with good stop and dark eye, cobby body with short back, correct harsh red coat but playing up his handler today; 3 Britten's **Krisma Dark N'Stormy**, a b&t

angulation behind which she used to move well; 2 Jenkins' **Kinsridge No's The Score**, a little immature compared to 1 but nonetheless a very attractive puppy with good front and short body; 3 Gardener's **Northwool Jenni And Romance at Danalas**, a stronger type bitch with a good mouth, slightly round eye, a lovely harsh red coat showed very steadily for a puppy; R Macartney's **Ivrig First Bit Of Joy**; VHC Grave's **Nicnips Isa**.

**JB (9-2)** 1 Thompson-Morgan's **Belleville Ovation**, a mature young bitch, like her head and dark expressive eyes, nice neck and shoulders and straight front shown in well presented harsh coat but gave her handler a hard time; 2 Hurrion's **Villassa Too Choosi**, not as mature as 1, very nice feminine head and expression, sound short coupled body and gave her all in showing, her time will come; 3 Atkinson's **Moortop Clear Choice**, this bitch decided to give her handler a really hard time, a pleasing head with good strong muzzle, true varmint terrier expression, short body with well sprung ribs, good angulation behind, moving with drive; R Darnell's **Jacquidon No Hesitation**; VHC Brackner's **Watercroft Shotgun Wedding**.

**NB (3)** 1 Graves' **Nicnips Indulgence**; 2 Brackner's **Watercroft Shotgun Wedding**, a mature bitch with nice head and strong body, but was not going to give her all; 3 Woolnough's **Jaeva Fine Romance**, 4 yr old of finer type, smaller head, moved and showed steadily.

**PGB (7-2)** 1 Hurrion's **Villassa Too Choosi**, won this class on showmanship and movement, a very nice cobby young bitch who should mature well; 2 Saltmarsh's **Pipridges Holly**, a more mature bitch, a good terrier type with nice head, slightly longer muzzle, just a little bit put off on the move; 3 Devereux's **Vichea Cash And Carry**, a feminine head with keen expression with neat ears and dark eye, short coupled body with good hindquarters,

another not making it easy for her handler; R Gee's **Watercroft Saffron**; VHC Gardener's **Perrisblu Liberty at Danalas ShCM**.

Moved well; 2 Darnell's **Jacquidon No Hesitation**, lovely head with good bite and large teeth, short body, straight front, good forechest. Moved well; 3 Phillips' **Moortop Pay Pal**; R Graves' **Nicnips Indulgence**; VHC Brackner's **Watercroft Shotgun Wedding**.

**NB (4-2)** 1 Gee's **Watercroft Tiptoe**, lovely young bitch with a nice head and expression, straight front, strong hindquarters, moved very positive; 2 Grave's **Nicnips Isa**.

**UGB (1)** 1 Graves' **Nicnips Indulgence**, nice young bitch, pleasing head and expression, in good coat, moved well.

**PGB (2-1)** 1 Darnell's **Jacquidon Next Sensation**, cobby black and tan bitch, nice head and expression, good bite, good forechest, straight front, good rear, pleasing tail set.

**LB (3-1)** 1 Gee's **Watercroft Saffron**, lovely well balanced bitch, super coat and condition, good head and expression, correct bite, wide muzzle and dark eye, good tailset. Liked her a lot; 2 Saltmarsh's **Pipridges Holly**, finer boned than the winner but a nice type with a pleasing head and good bite. Moved well. I preferred head of winner in this class.

**OB (2)** 1 Gullick & Tate's **Jaeva Hells Fire**, what a super young lady moved so well fore and aft. Loved her type, a smaller bitch than some of my winners, super head with width between the ears and a wide muzzle, correct bite with large teeth, strong rear, very good topline carried herself so well on the move, moving with real purpose. **BB** and **BIS**; 2 Gee's **Watercroft Pick Of The Pops**, another lovely bitch from this kennel, heavier type than the winner but many of the same attributes, super head and expression, good domed skull with large teeth, just preferred movement of the winner. **RBB** and **RBIS**.

**VB (0)**

**SBB (1-1)**

**Brace (2)** 1 Gee; 2 Graves. Two lovely pairs both so well matched. The first just moved more in unison to take first place but not an easy decision.

Judge: Mrs Jennie Griffiths

**Class A 6-11 years (1)**

1 **Guy Gibson** a young man who was nervous but made the most of his dog. Dog not wanting to co-operate despite the handlers efforts thus making his job very difficult.

**Class B 12-16 years (2-1)** 1 Isobel West, a competent young handler, who was very sympathetic to her dog. Concentrating on the dog at all times and also mindful where the judge was in the ring changing her position where necessary, **BJH**.
